Women are often paid only 72 cents for each dollar paid to men for the same work; whereas women are disproportionately affected by poverty and elderly women are generally more dependent on the social security program under title II of the Social Security Act; and whereas women can reflect upon the opportunities created during the 20th century and look toward even greater accomplishments in the 21st century: Now, therefore, be it

Resolved, That the Senate—

(1) honors and commends the accomplishments and unfailing spirit of women in the 20th century;

(2) recognizes the crucial roles of women in our communities as mothers, wives, and family caregivers;

(3) recognizes the disparity in equality that women still face;

(4) reaffirms the need to prevent and punish violence against women so that women may be safe from domestic violence, sexual assault, elder abuse, and violence in the workplace;

(5) recognizes that women should have equal access to health care and inclusion in research and clinical trials;

(6) recognizes the need for equality in vocational and academic education;

(7) recognizes that the pay gap should be closed;

(8) commits to preserving the social security program under title II of the Social Security Act and the medicare program under title XVIII of such Act; and

(9) pledges to make the 21st century the "Century of Equal Opportunity for Women".

Mr. CLELAND. Mr. President, I rise today to submit a resolution recognizing the 21st century as the "Century of Equal Opportunity for Women."

This proposal recognizes that as we enter the 21st century, it is essential that we note the great strides made by women in the 20th century as well as recognizing fundamental inequalities still faced by women as we begin the 21st century. The need for this resolution comes from the important requirement to acknowledge past achievements but to also address specific areas where further improvements are needed in order to ensure that women are given equal opportunity.

Unfortunately, women continue to face challenges and disparities in areas like health care and wages. This resolution acknowledges inequities such as the pay gap and challenges us to see that these issues are addressed so that women may have not just more opportunities, but equal opportunities. The measure is supported by the American Association of University Women. I, along with co-sponsors Senators CLYNN, MURRAY, and MENENDEZ, urge our colleagues to support this resolution and recognize the 21st century as the "Century of Equal Opportunity for Women."

TITHE VIII—INFANT CRIB SAFETY

SEC. 801. SHORT TITLE.

This title may be cited as the “Infant Crib Safety Act”.

SEC. 802. FINDINGS; PURPOSE.

(a) FINDINGS.—Congress makes the following findings:

(1) The disability and death of infants resulting from injuries sustained in crib incidents are a serious threat to the public health, welfare, and safety of people of this country.

(2) The design and construction of a baby crib must ensure that it is safe to leave an infant unattended for extended periods of time. A parent or caregiver has a right to believe that the crib in use is a safe place to leave an infant.

(3) Each year more than 12,000 children ages 2 and under are injured in cribs seriously enough to require hospital treatment.

(4) Each year at least 50 children ages 2 and under die from injuries sustained in cribs.

(5) The United States Consumer Product Safety Commission estimates that the cost to society resulting from deaths due to cribs is at least $225,000,000 per year.

(b) PURPOSE.—The purpose of this title is to prevent the occurrence of injuries and deaths to infants as a result of unsafe cribs by making it illegal:

(1) to sell, lease, sublet, or otherwise place in the stream of commerce unsafe cribs that are not new or who otherwise by one’s actions hold oneself out as having knowledge or skill peculiar to full-size cribs or nonfull-size cribs, including child care facilities and family child care homes; or

(2) to sell, contract to sell, or otherwise place any crib that is unsafe for any infant using it; or

(3) to sell, lease, sublet, or otherwise place in the stream of commerce unsafe secondhand, hand-me-down, or heirloom cribs, will prevent injuries and deaths caused by cribs.

SEC. 803. DEFINITIONS.

As used in this title:

(1) COMMERCIAL USER.—The term “commercial user” means any person—

(A) who manufactures, sells, or contracts to sell subject to a contract to sell or resell, lease, sublet, or otherwise placing

in the stream of commerce full-size cribs or nonfull-size cribs that are not new.

(2) COMM. —The term “commercial” means a full-size crib or nonfull-size crib.

(7) Most crib deaths occur in secondhand, hand-me-down, or heirloom cribs.

(8) Existing State and Federal legislation is inadequate to deal with the hazard presented by secondhand, hand-me-down, or heirloom cribs.

(9) Prohibiting the contracting to sell, resell, lease, sublease of unsafe cribs that are not new will not prevent injuries and deaths caused by cribs.

(b) LODGINGS.—It shall be unlawful for any hotel, motel, or similar transient lodging facility to offer or provide for use or otherwise place in the stream of commerce, on or after the effective date of this title, any full-size crib or nonfull-size crib that is unsafe for any infant using it.
