Given the increasing importance of skills in our labor market, these gaps in educational attainment translate into significant differences by race and ethnicity in eventual labor market outcomes, such as wages and employment.

It is important to remember that the historic Brown v. Board of Education decision, which was announced in May of 1954 by Chief Justice Earl Warren, represented a significant change in our policy in our public schools that has meant much progress for those who were for many years segregated into substandard and unequal classrooms.

Justice Warren, in that opinion, stated that public education was a right which must be made available to all on equal terms. I trust that this commission will remember those words when planning for the observances of the 50th anniversary of the Brown decision. I hope those words will remind all of us that we have yet to achieve the goals that were set forth in that historic opinion.

Mr. Speaker, I urge all of my colleagues to join me in supporting this very important piece of legislation.

Mr. RANGEL. Mr. Speaker, I rise before you today in support of H.R. 2133 which would establish a commission for the purpose of encouraging and providing for the commemoration of the Brown decision. The Brown decision was one of five 17,200 cases filed in four lower courts, the U.S. Supreme Court accepted each case in turn, hearing them collectively.

ed each case in turn, hearing them collectively.

I urge my colleagues here in the House to join me in remembering the lessons of Brown v. Board of Education when we consider our national priorities, by committing ourselves to addressing the unfulfilled promises of equality and opportunity contained in the Brown decision.

Mr. TOM DAVIS of Virginia. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. TURNER. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. Speaker, I urge my colleagues here in the House to join me in remembering the lessons of Brown v. Board of Education when we consider our national priorities, by committing ourselves to addressing the unfulfilled promises of equality and opportunity contained in the Brown decision.

The SPEAKER pro tempore (Mr. ISAKSON). The question is on the motion offered by the gentleman from Virginia (Mr. TOM DAVIS) that the House suspend the rules and concur in the Senate amendments to the bill, H.R. 2133.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate amendments were concurred in.

A motion to reconsider was laid on the table.

CONVEYANCE OF ARMY RESERVE CENTER IN KEWAUNEE, WISCONSIN TO CITY OF KEWAUNEE

Mr. TOM DAVIS of Virginia. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 788) to provide for the conveyance of the excess Army Reserve Center in Kewaunee, Wisconsin, as amended.

The Clerk read as follows:

9. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. CONVEYANCE, ARMY RESERVE CENTER, KEWAUNEE, WISCONSIN.

(a) CONVEYANCE REQUESTED.—The Administrator of General Services shall convey, without consideration, to the City of Kewaunee, Wisconsin (in this section referred to as the "City"), all right, title, and interest of the United States in and to a parcel of Federal real property, including improvements thereon, that is located at 401 5th Street in Kewaunee, Wisconsin, and contains an excess Army Reserve Center.

Upon reversion, the United States shall immediately proceed to a public sale of the property.

(d) ADDITIONAL TERMS AND CONDITIONS.—(1) The property shall not be used for commercial purposes.

(2) The Administrator may require such additional terms and conditions in connection with the conveyance under subsection (a) as the Administrator considers appropriate to protect the interests of the United States.

(e) TREATMENT OF AMOUNTS RECEIVED.—Any net proceeds received by the United States as payment under subsection (c) shall be deposited into the Land and Water Conservation Fund.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Texas (Mr. TURNER) and the gentleman from Virginia (Mr. TOM DAVIS) will control 20 minutes.

The Chair recognizes the gentleman from Virginia (Mr. TOM DAVIS).

Mr. Speaker, I urge my colleagues here in the House to join me in remembering the lessons of Brown v. Board of Education when we consider our national priorities, by committing ourselves to addressing the unfulfilled promises of equality and opportunity contained in the Brown decision.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

There was no objection.

Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 788 would require the General Services Administration to convey to the City of Kewaunee, Wisconsin at no cost a parcel of property containing an Army Reserve Center located in northwest Kewaunee. The property consists of two buildings with approximately 17,000 square feet of space constructed on 4.4 acres of land.

The property is excess to the needs of the Army and surplus to the needs of the Federal Government. It has been vacant since 1996.

Currently, the City of Kewaunee's municipal services are located at different sites around the city. Kewaunee city hall, police department, ambulance service and community center senior center have outgrown their present facilities. They require room to expand. The City of Kewaunee intends...
Mr. Speaker, I urge my colleagues to join me in supporting this legislation. Mr. Speaker, I reserve the balance of my time.

Mr. TURNER. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, the bill before us, as has been pointed out, directs the administrator of the General Services Administration to convey an excess Army Reserve center to the City of Kewaunee, Wisconsin. It consists of about four-and-a-half acres of lands. It is a piece of property that the City plans to use only for governmental purposes. It is going to be a very important building to this small community of less than 3,000 people by providing a place for a City hall, a city council meeting place. It may also house police, emergency, rescue personnel, and other municipal functions.

Mr. Speaker, I thank the gentleman from Wisconsin (Mr. GREEN) for his efforts in putting this bill together as it pertains to his district. I thank the gentleman from Indiana (Mr. BURTON) and the gentleman from Virginia (Mr. TOM DAVIS) for accommodating concerns raised about the bill.

Mr. Speaker, the bill on the floor is a better bill than we started out with and protects the interests of the Federal Government by specifying that the property must be used exclusively for a governmental purpose for not less than 20 years or title would revert to the United States Government.

At the same time the legislation will provide the City of Kewaunee with a suitable municipal building which it otherwise would be unable to afford. It is important to note that not only does this legislation bypass normal committee procedures, it is considered "special legislation" because it is not being considered under the normal Federal disposal procedures. Under normal Federal property disposal procedures, a transfer of this kind would not be currently permitted.

We are pleased to join today in accommodating the interest which has been shared with our committee by the gentleman from Wisconsin (Mr. GREEN) to enable the City of Kewaunee to have this building which is no longer needed by the Federal Government.

Mr. Speaker, I hope that even though this building does not fit within any of the traditional exceptions for transfer, that the circumstances of this case will speak for themselves and that Members of Congress on both sides of the aisle will join us in supporting the passage of this legislation.

Mr. Speaker, I reserve the balance of my time.

Mr. TOM DAVIS of Virginia. Mr. Speaker, I yield such time as he may consume. The gentleman from Wisconsin (Mr. GREEN), the bill sponsor, a strong fighter for the citizens of Kewaunee, Wisconsin, Mr. GREEN of Wisconsin. Mr. Speaker, I thank the committee staff and the staff of the gentleman from Virginia and, in particular, the minority staff. At the request of the gentleman from Texas (Mr. TURNER) alluded to, the extra help and assistance and cooperation they gave us, we appreciate very much.

Mr. Speaker, Kewaunee is a small city of about 3,000 people located on the shores of Lake Michigan. It is filled with good people with big dreams. Kewaunee also faces, like a number of small cities, a number of financial challenges. For several years, Kewaunee has been without the financial resources to sufficiently house basic municipal services in its city hall and police station and fire station.

Mr. Speaker, when the U.S. Army abandoned its reserve center in 1996, it created the opportunity for meeting those challenges. Since 1996, the Kewaunee Reserve Center has worked through the GSA disposal process. It was declared excess in 1998; and since then, there has been no expression of interest by anyone. Currently, only the City of Kewaunee has any interest in this property.

Right now the setup for municipal services in the City of Kewaunee is, to put it kindly, less than ideal. The city hall is in the old bank building with no parking or office space. The council shares office space with the business office. The police department is in the water treatment plant. The senior citizens center is on the second floor of the fire station, and the ambulance service is in the public works garage. Obviously, this is not ideal.

Mr. Speaker, people in America, especially from small towns, want government to work for them. They are looking for common sense and partnerships. This is not a big deal to the Federal Government. This building is vacant, and it will need lots of work to bring it up to suitable standards. However, it is a big deal to the City of Kewaunee. It opens new doors to the future, and allows them to reach out and capture some of those good opportunities and big dreams.

Mr. Speaker, I thank the minority staff for all of their assistance in this special situation.

Mr. TURNER. Mr. Speaker, I yield back the balance of my time.

Mr. TOM DAVIS of Virginia. Mr. Speaker, I urge adoption of this measure, and I yield back the balance of my time.

The SPEAKER pro tempore. Is there a question on the motion offered by the gentleman from Virginia (Mr. TOM DAVIS) each will control 20 minutes.

The Chair recognizes the gentleman from Virginia (Mr. TOM DAVIS).

Mr. Speaker, H.R. 1766 sponsored by the gentleman from Virginia (Mr. TOM DAVIS) and the gentleman from Texas (Mr. TURNER) each will control 20 minutes.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

There was no objection.

Mr. TOM DAVIS of Virginia. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 1766 sponsored by the gentleman from Virginia (Mr. WOLF) would rename the Post Office at 4270 John Marr Drive in Annandale, Virginia, to honor Stan Parris, a distinguished and dedicated Republican representative from Northern Virginia.

Stan’s career in public service began as a member of the Fairfax County Board of Supervisors representing the Mason district. He later served the people of Virginia as Secretary of the Commonwealth and Director of the Commonwealth of Virginia’s Washington Liaison Office.

Stan went on to represent the Eighth Congressional District of Virginia from 1973 to 1975, and more recently from 1981 to 1991. While in Congress he was a member of the Committee on the Interior and Insular Affairs, and the Select Committee on Narcotics Abuse and Control.

As the ranking minority member of the Subcommittee on the District of Columbia, Stan was a vocal critic of D.C. Government policies in the 1980s and recognized the early signs of the City’s financial and organizational...
