coursed using the college's telecourse system. Her move to Santa Fe gave her the opportunity to work at the Santa Fe Children's Museum and the Conlon Siegel Galleries.

Mr. Speaker, Conni made valuable contributions to the education of our community and through her creativity and leadership gave many a greater appreciation for the arts. Conni Logan will be remembered as a woman who saw the beauty of the world in a way that most of us do not experience. I would like to extend my deepest sympathy to those close to Conni, as she will surely be missed.

HONORING POLICE OFFICER KEN KIECK UPON HIS RETIREMENT

HON. SCOTT McINNIS
OF COLORADO

IN THE HOUSE OF REPRESENTATIVES
Monday, September 10, 2001

Mr. McINNIS. Mr. Speaker, after 20 years of gracious service to Glenwood Springs, Colorado, Ken Kieck has opted to retire as a member of the police force there. To serve the public in such a capacity is a position worthy of praise and I would like to recognize Ken's contributions to the people of Glenwood.

Ken constantly acted with high levels of energy as he trained new officers just entering the ranks in the department. The new officers referred to Ken as the “Answer Guy.” He was very concerned with the proper education of the new officers and sought to ensure that they were taught the correct way the first time in every matter. Throughout his time on the force, Ken served as a patrolman, an interim Sergeant and an administrative officer.

To honorably serve the public is a great task and Ken's service has been one of pride and dedication. While Glenwood is safer due to the efforts of this officer, his contributions will be missed. Mr. Speaker, I would like to thank Ken Kieck for all that he has done and extend my warmest regard and best wishes to him upon his retirement and for many years to come.

HONORING THE RETIREMENT OF POLICE OFFICER SGT. TOM MCCORKLE

HON. SCOTT McINNIS
OF COLORADO

IN THE HOUSE OF REPRESENTATIVES
Monday, September 10, 2001

Mr. McINNIS. Mr. Speaker, to place your life in the line of duty day in and day out for the sake of others is an honorable and noble task, yet that is exactly what police officers do daily. Sgt. Tom McCorkle, who served as an officer in Glenwood Springs, Colorado, has recently announced his retirement after 23 years and I would like to accentuate the importance that he played in the community and thank him for his dedicated service.

Prior to his service in Glenwood, Tom was a police officer for four years in California. Glenwood Police Chief Terry Wilson noted how incredibly quick and accurate Tom was in all that he did. Sgt. McCorkle suffered a shoulder injury from an incident in which he was saving a person's life in 1984. Despite many attempts to heal his shoulder, its hindrance has forced Tom to end his career in public service.

Mr. Speaker, Sgt. Tom McCorkle acted with great professionalism in all that he did throughout his career. He truly sought to ensure that pride and respect was upheld in conjunction with the community. Tom never forgot that safety and protection were the most important part of the service he offered to the people he served. It is with great pride that I recognize Tom and I would like to extend my appreciation to him for everything that he has done and wish him the best upon his retirement and many years to come.

REMEMBERING MR. ED BRADBURY

HON. SCOTT McINNIS
OF COLORADO

IN THE HOUSE OF REPRESENTATIVES
Monday, September 10, 2001

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to remember an honorable and distinguished man who served the State of Colorado for nearly three decades as a Colorado Division of Wildlife officer. It is with profound sadness, that I now rise to honor the life and memory of Mr. Phil Mason who recently passed away.

Phil was a caring and compassionate individual who was dedicated to teaching youngsters about wildlife and their surroundings in Hinsdale County. Phil, for example, would often bring an injured eagle or hawk to the local elementary school to give children a first-hand experience with nature. He worked in Lake City as a Colorado Division of Wildlife officer, and was also engaged civically as Mayor and as Trustee on the Town Board of Lake City. Phil was committed both to his State and to his community by putting the interests of others before his own. Phil established himself in his community as an outstanding, hard-working, and respectable man who could be counted on as a friend, coworker, and teacher. Literally everyone turned to Phil for guidance and friendship. Phil's memory will live on with those whose lives have been touched by him.

Mr. Speaker, at the age of 60, Mr. Phil Mason will be especially missed by his wife, two children, and brother. As family and friends mourn his passing, I would like to extend my deepest sympathy and warmest regards to his family during this time of remembrance. Phil Mason will surely be missed.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate on February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules committees, subcommittees, joint committees, and committees of conference. The meetings scheduled for Tuesday, September 11, 2001 may be found in the Daily Digest of today's RECORD.
