members not assigned to units of the Ready Reserve to perform such missions the Secretary of Defense may determine necessary. The deployment of United States forces to conduct operational missions in connection with the World Trade Center and Pentagon attacks necessitates this action. A copy of my Executive Order implementing this action is attached.

H.R. 2852. There was no objection.

CORRECTION OF THE CONGRESSIONAL RECORD—SEPTEMBER 12, 2001
The RECORD of September 11, 2001 contained a statement by Representative CULBERSON in which the Government Printing Office erroneously inserted the word “not”. The online version of the CONGRESSIONAL RECORD has been corrected and the corrected statement follows:

Mr. CULBERSON. Mr. Speaker, the House is meeting today to lend 110 percent support to our Commander-in-Chief, President George W. Bush. Every Member of Congress is completely unified in our support for President Bush to do whatever is necessary to rescue those who were attacked to the victims and their families, and to identify those responsible for this atrocity, hunt them down, and bring them to justice.

These attacks are an act of war against the people of the United States. We will eradicate these terrorists wherever they may be and punish anyone who harbored them, anyone who gave them a nickel, and anyone who gave them comfort and aid.

Members of Congress are furious and outraged, but we will be thoughtful and deliberative in our response. Above all, we will support our Commander-in-Chief.

As Congress and our President decide how America should respond, we must be sure to remember Benjamin Franklin’s warning that those who “give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety.”

ADJOURNMENT
Mr. NEY. Mr. Speaker, I move that the House do now adjourn.

The motion was agreed to; accordingly (at 1 o'clock and 59 minutes a.m.), under its previous order, the House adjourned until Monday, September 17, 2001, at noon.
