around the John Deere Classic golf tournament. Helen also led the successful visits by the Quad City community leaders on their annual visit to Washington, DC, to present regional issues to legislative leaders and Federal officials.

Prior to Helen’s work with the Quad Cities Development Group, she served as the Executive Vice President of the Northern Illinois Industrial Development Corporation, and before that worked in the telephone industry for 25 years. Helen is one of those rare persons who can successfully accomplish all these work-related tasks while still finding time to volunteer in many professional and community groups.

Helen will be missed by all her friends at the Quad Cities Development Group, but she plans to have an active retirement in the Midwest area, so I am sure her community volunteer efforts will continue. I would like to wish Helen, her two children and five grandchildren continued success in her retirement.

TRIBUTE TO JESUS “JESSE” SALVADOR VARGAS AND ROBERT “BOBBY” A. HILL

HON. PETER J. VISCLOSKY
OF INDIANA
IN THE HOUSE OF REPRESENTATIVES
Thursday, September 20, 2001

Mr. VISCLOSKY. Mr. Speaker, it gives me great pleasure to honor two dedicated citizens of Indiana’s First Congressional District on the occasion of their retirement from the Inland Steel Company of East Chicago, Indiana. Jesus “Jesse” Salvador Vargas and Robert “Bobby” A. Hill, both longtime members of Local Union 1010 of the United Steelworkers of America, will be honored at a Retirement Party to be held on Friday, September 21, 2001 at American Legion Post 369 in East Chicago.

A native of Monterrey, Mexico, Jesse Vargas has been employed in the Transportation Department at Inland Steel since 1965. During that time, Mr. Vargas has been extremely active in Local Union 1010. He has held many appointed positions, including serving on both the Sports and Community Services committees. Mr. Vargas has also been elected Safety Man for the Transportation Department, and has been selected to represent Local 1010 at many United Steelworkers of America International Conventions. Throughout his career, he has shown his dedication to his Union Brothers and Sisters by traveling across the nation to assist them in strikes, lockouts, and organizing drives. Now retiring with his wife, Rubia, after a 36-year career, Mr. Vargas has made American labor the safest, most efficient, and most quality-driven labor force in the world. I wish them both a long, healthy, and happy retirement.

TRIBUTE TO COMMANDER JOHN MILEY

HON. JOHN P. MURTHA
OF PENNSYLVANIA
IN THE HOUSE OF REPRESENTATIVES
Thursday, September 20, 2001

Mr. MURTHA. Mr. Speaker, I rise today to recognize a truly outstanding Naval Officer, Commander John Miley. He has served with distinction and dedication for three years as a Congressional Liaison Officer in the Appropriations Matters Office. It is a privilege for me to recognize his many outstanding achievements and commend him for the superb service he has provided to the Department of the Navy, the Congress, and our great Nation.

During his tenure as a representative of the Department of the Navy to the House and Senate Appropriations Committees, Commander Miley diligently and successfully worked on submission and resolution issues. During that time he has accompanied me on numerous fact-finding visits to Navy and Marine Corps facilities both stateside and abroad. I could always count on him to provide well thought out and candid input. Commander Miley was always on top of the issues of the day, and be relied on to insure Congress got the “right information at the right time”.

Additionally, Commander Miley has provided members of the Appropriations Committees, as well as our professional and associate staffs with timely and accurate support regarding Navy plans, programs and budget decisions. He has earned our respect and trust for his dedication, knowledge of the Navy and the way he handles himself in this demanding position. His valuable contributions have enabled me to work more effectively and efficiently. In Congress, Commander Miley’s strength lies in his close working relationship and to maintain the most modern, well-trained and well-equipped naval forces in the world.

Mr. Speaker, it gives me great pleasure to recognize Commander John Miley before the Congress today. I would like to take this opportunity to note the dedicated and unstated accomplishments that he is a true leader with a clear sense of purpose, conviction, and conscience of service to his Nation. As he departs the Washington area to command Helicopter Combat Support Squadron EIGHT in Norfolk, VA, I call upon my colleagues to wish him and his wife, Anne-Marie, and their young son, Sean, continued success and the traditional Navy send-off “fair winds and following seas.”
