PAYING TRIBUTE TO MICHAEL REYELTS

HON. SCOTT McINNIS
OF COLORADO

IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity and pay tribute to Michael Reyelts for his significant contributions to our educational system. Mr. Reyelts teaches English as a second language to students at the Colorado Mountain College in Rifle, Colorado. Through his lessons, he not only teaches English, but he also educates students on how to adapt to American society. He has been a positive influence on many members of our community.

Mr. Reyelts studied Spanish while attending high school and mastered the language while on a two-year church mission to Argentina, where he worked both in cities and in remote areas. Upon returning from Argentina, he attended Brigham Young University where he studied secondary education and English as a second language. In 1999, Michael received his masters in education with an emphasis in English as a second language.

Dozens of students attend his classes three nights a week. Michael has adopted a style of teaching that has proven to be very successful. He creates a comfortable atmosphere within the classroom by joking around with his students and making them feel at ease in what can be a stressful situation. His instruction certainly contains grammar lessons but it is also a tool for developing confidence and inspiring students. He is a role model and an inspiration to those dedicated to serving their community.

This event is a way to recognize a special individual who has been a positive influence on many members of our community.
