Along with the many articles Dr. Farrar has authored and published, he has written such books as “Reluctant Servant” (Missouri, 1968); “Mass Media and the National Experience”, with John E. Stevens (Harper & Row, 1971); “College 101” (Peterson’s Guides), 1985, 1988; “Mass Communication: An Introduction to the Field” (West, 1988; Brown, 1995); “The Ultimate College Profession: Walter Williams, Journalist to the World” (Missouri, 1996).

Dr. Farrar is deeply respected in the field of journalism and academics. His expertise and talent have earned him commissions to write numerous articles and conduct national studies. He has been awarded various grants and certificates of achievement, including the Distinguished Service Medal for Research in Journalism in 1969 by the Society of Professional Journalists for Reluctant Servant; The Story of Charles G. Ross. From 1971 to 1973, he was a consultant for continuing study of television audiences for the Public Broadcasting System. Faculties for the US government, private sectors and journalistic associations have been privileged to have him serve on their boards.

His long career achievements include award research grants from the Kaltenborn Foundation, U.S. Steel Foundation, Harry S. Truman Library Institute, Indiana Research Foundation, Kentucky Press Association, Kentucky Humanities council, National Endowment for the Humanities, Sigma Delta Chi Foundation, University of Kentucky Research Foundation, University of South Carolina Research Foundation, Southern Regional Education Board, and Freedom forum.

Dr. Farrar was appointed the Reynolds-Faunt memorial Professor in 1986 and held that professorship until his retirement. He will now be recognized as Professor Emeritus.

Mr. Speaker, I ask you and my colleagues to join me today in honoring Dr. Ronald T. Farrar for the incredible service he has provided through a lifetime in the academic community. I sincerely thank him for his outstanding contributions, congratulate him on his recent retirement, and wish him good luck and Godspeed in his future endeavors.

HONORING FIREFIGHTER ROBERT STEPHEN BOUDREAU

HON. FELIX J. GRucci, JR.
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. GRucci. Mr. Speaker, I rise today in honor of the retirement of a fine New York City Firefighter, Robert Stephen Boudreau.

On April 11, 1942, in the small village of Gaytons, New Brunswick, Canada, Robert Stephen Boudreau was born to Mary and Joseph. He was the youngest of four sons. Bob grew up in Canada and came to the United States in the early 1960’s. From 1964–1966 he served as a Military Policeman in the Continental Headquarters Command of the United States Army. On September 24, 1967, Judy Weider and Bob were married.

A year later, November 30, 1968, Bob became a proud member of the New York City Fire Department. His first assignment was Ladder Company 47 in the Bronx and then College Point in Queens. Bob was promoted to Lieutenant on April 2, 1983 and was a cover officer for a year in Battalion 34 in the Bedford-Stuyvesant area of Brooklyn. From there, Engine Company 238 in Greenpoint became his permanent assignment. On October 31, 1989, Bob was promoted to Captain, where he was on covering assignments in District 47. He became a member of Engine 270 in Richmond Hill. Prior to his retirement, Bob served at Engine 302 and Ladder 155 in South Ozone Park, Queens. Although his love for the Fire Department will never waiver, Bob officially retired on July 8, 2001, after spending close to 33 years on the department.

Today, September 22, 2001, members of every firehouse Bob has served in come together to celebrate his accomplishments and to cheer him on to his retirement. During their marriage, Bob and Judy were blessed with three beautiful daughters: Kimberly Anne, Denise Marie, and on Valentine’s Day 1976, Danielle Valerie joined their family. In 1995, Bob welcomed two “sons” to the family when Denise married Tom Scott and Kimberly married Steven Goldberg. Bob will soon be welcoming another “son” to the family, when Danielle and Alan DeLellis marry. After raising three daughters, Bob became the grandfather of Evan James on March 15, 1999, and twins, Dylan Thomas and Ryan George on July 19, 2001, and he and Judy look forward to yet another grandchild in February.

Bob’s greatest loves are his family and friends, and the time he has spent serving as a New York City Firefighter.

COMMEMDING THE STUDENTS, TEACHERS, PARENTS AND SUPPORT STAFF OF SUZANNE MIDDLE SCHOOL

HON. GARY G. MILLER
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. GARY G. MILLER of California. Mr. Speaker, I rise to commend the students, teachers, parents, and support staff of Suzanne Middle School on being named a 2001 California Distinguished School. Suzanne Middle School, located in Walnut, California, is part of the Walnut Valley School District. Home to 1,300 sixth, seventh, and eighth-graders, its student body is representative of California’s diverse culture. But despite the various backgrounds represented, each student is expected to contribute to a learning environment which demands high expectations.

The teachers and staff of this school are committed to giving “whatever it takes” to meet the needs of their students. This goal frequently requires involving the parents and community in school activities.

The combination of high expectations for student academic success, staff, and parental involvement has made Suzanne Middle School one of America’s Distinguished Schools.

HONORING THE SERVICE OF LEE SPERRY

HON. SCOTT McINNIS
OF COLORADO
IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. McINNIS. Mr. Speaker, the State of Colorado is growing at a tremendous pace and it requires sincere dedication and knowledge to help manage such expansion. After sixteen years of service to the people of Delta County as a member of the Planning Commission, Lee Sperry has decided to hand in his resignation. I would like to take this opportunity to recognize the important contributions that Lee has made and thank him for his years of service.

A lot has changed since Lee first joined the Planning Commission. Ideas of unbridled growth have been tempered with concerns of
