completed on an on-site day care center for the Center's care-providers. The Longview assisted living facility was also newly finished, which allowed the residential community to welcome an additional 80 residents to these state-of-the-art facilities. Such a tremendous number of lives are touched through the Christian Health Care Center.

This number also includes the friends and families of residents, for they can rest assured that their loved ones are in good hands with complete care. If you meet even one member of the staff at the Center or hear even one story from a resident, you will understand that the staff here is truly doing God's work—every day. The philosophy by which the Center operates further testifies to this caring Christian spirit of the community: "the staff of nurses, doctors, program directors, aides and all others at the Center give unselfishly so that all of our residents and patients know that they are cared for and loved." Their personal touch in caring for the elderly has moved many.

I speak from personal experience. My beloved mother, Margaret Scafati, was cared for with compassion and professionalism of the highest caliber at the Center. For this I am truly grateful.

Under the excellent guidance of Mr. Struyk and the caring of the wonderful employees, the Christian Health Care Center will continue to shine as one of the finest care facilities of its kind in our nation. This weekend we celebrate 90 years of excellence and look forward to many more. Our hearts and prayers are with those involved with this wonderful center.

TRIBUTE TO DAVID FREEMYER

HON. JAMES V. HANSEN
OF UTAH
IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. HANSEN. Mr. Speaker, today I would like to share with the House and America, a statement written by a friend David Freemyer. David is 9 years old and sent me the following speech about the tragedies of September 11, 2001.

"As we all know on September 11, 2001 terrorists hijacked four of our airplanes and crashed two of them into the World Trade Center and one into the Pentagon and one crashed in a field in Pennsylvania. This event has brought sadness to everyone and death to thousands of people. I ask myself why would anyone want to do such a thing. We have done no harm to any other country.

Not only have we done no harm, but we have helped all the countries that need our help and will still help any country that needs our help. We donate food and water and anything a country needs. And yet very few times has a country helped us. I'm not saying that all the other countries are bad. I'm just saying that just because we have a very strong military and that our country is very powerful that doesn't mean that we can do everything on our own. I have great respect for all the people from other countries that took time to go to church and pray for our country.

God Bless America! David A. Freemyer"

TRIBUTE TO GEORGE EICHLER

HON. CHARLES A. GONZALEZ
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. GONZALEZ. Mr. Speaker, I rise today to honor a great man, George Eichler. Regrettably, George Eichler passed away on Friday, August 17, 2001, but he leaves us with a myriad of memories and lessons derived from his history of service and a legacy of championing important issues.

George was a life-long Democrat and a long-time labor leader in San Antonio. His tireless work in behalf of Democrats and in support of San Antonio working men and women is well recognized and respected within the Democratic Party. George's dedication to service and his commitment to family and to fatherhood is a shining example of the life we should all aspire to.

His daughter, Vanessa Eichler, said of him "He was the perfect father. Everyone knows him for what he did for labor and the Democratic Party, but he taught us to enjoy life." I believe that through his actions George taught us all a little bit about life and the need to help one another.

George Eichler's involvement in the labor movement saw its beginnings in 1949. When George went to work as a bottle washer at the Pearl Brewery in San Antonio, Texas. Soon after beginning his work there, George joined the International Association of Brewery Workers, and quickly moved up the union leadership ranks to become the Associate Business Agent in 1960. In 1967, the International Association of Brewery Workers joined the International Brotherhood of Teamsters, and George continued his leadership efforts, holding various local, State, and national level positions within the Teamsters organization throughout his career.

It was through his work as a labor leader that George also became well-known for his charitable contributions, selflessly dedicating his time and service to charitable organizations like Goodwill Industries and the United Way. From 1965 through 1974, George continued his commitment to service as Chair of the San Antonio AFL-CIO Council Pines Housing Trust, a program whose outstanding efforts in housing the handicapped was recognized by the U.S. Department of Housing and Urban Development. These local elderly and handicapped independent living programs are recognized as precursors to national handicapped housing initiatives.

George's work over the years also benefited the Democratic Party and countless Democratic candidates, as he campaigned tirelessly during each campaign year. He also served as Democratic Precinct Chair, and as such attended many State and National Democratic Conventions.

I am proud to count myself among those who have had the opportunity to know and learn from George Eichler. I know his family will receive some comfort in the knowledge that George's memory will endure among all those he touched throughout his life.

HONORING BERINGER VINEYARDS
ON ITS 125TH ANNIVERSARY

HON. MIKE THOMPSON
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. THOMPSON of California. Mr. Speaker, I rise today in recognition of the 125th anniversary of Beringer Vineyards, located in St. Helena, Napa Valley, California.

Beringer Vineyards was founded in 1876, when Jacob Beringer and his brother, Frederick purchased a twenty-eight acre vineyard for $14,500. One hundred and twenty-five years later, the winery is worth in excess of $1.5 billion and is the oldest continuously operating winery in Napa Valley.

Beringer was not only a pioneer in the California wine industry, it is also a significant factor in the Napa Valley's emergence as one of the world's premier wine-growing regions. Today, Beringer Vineyards continues its extraordinary tradition of viticulture innovation and winemaking expertise to consistently produce the highest quality wines.

Mr. Speaker, Beringer Vineyards not only produces outstanding wines, but its generosity in the community is unsurpassed. Beringer supports numerous important charities, including civic organizations and youth groups throughout Napa Valley and the State of California. This year, the majority of its donations are being made to Napa Valley Health Charities, which provides critically needed health care services to low-income persons.

To commemorate this important occasion, Winemaker Ed Sbragia, who is celebrating his 25th year as Winemaker at Beringer, has produced a very special 1997 Napa Valley Cabernet Sauvignon from the original "Home Vineyard." As evidence of Beringer's continued tradition of excellence, Mr. Sbragia is the world's only winemaker to have both a red and a white wine named as Wine Spectator magazine's "#1 Wine of the Year.

Mr. Speaker, Beringer was where I worked as a young man and I am particularly proud of this tremendous organization. At this time, it is appropriate that we honor and congratulate Beringer Vineyards for its many successes and contributions to our Napa Valley community for the past 125 years.

RECOGNIZING HEAR O' ISRAEL INTERNATIONAL INC.

HON. KEN BENTSEN
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. BENTSEN. Mr. Speaker, in light of the tragedy that struck our nation September 11, 2001, I believe it's fitting to recognize a valued organization within the Houston community, Hear O' Israel International Inc., which is currently sponsoring its National Mercy, Love and Compassion Month. This month long event is...
being conducted in conjunction with their on-going campaign, "Listen to the Cries of the Children." Hear O’ Israel works to make a difference in the lives of the physically challenged, the abandoned children, and battered women across Houston. They work to give these men and women a stronger sense of self-worth and instill in them the need to treat others with compassion and respect. National Mercy, Love and Compassion Month has been endorsed by Houston Mayor Lee Brown and every member of the City Council, which further demonstrates the high regard for Hear O’ Israel in our community.

Hear O’ Israel International Inc., a non-profit, non-denominational organization works to increase public awareness of those that are less fortunate. "Listen to the Cries of the Children" is designed to strengthen unity amongst families and further public awareness of the negative consequences that drug abuse, family violence, child abuse, and gang activity have on children.

National Mercy, Love and Compassion Month is a campaign to call attention to the plight of children who do not have access to adequate food, shelter, clothing, and health care. As a symbol of compassion for suffering children, Hear O’ Israel International Inc., encourages supporters to adopt a family or an individual in need as a gesture of support in resounding the alarm for those who have been forgotten and many times rejected by our communities.

Again, I would like to recognize Hear O’ Israel International Inc., for its efforts to improve and enhance the quality of life for our children, and extend my personal best wishes for a successful and rewarding campaign.

CONGRATULATIONS TO NEWARK BETH ISRAEL ON ONE HUNDRED YEARS OF SERVICE

HON. DONALD M. PAYNE
OF NEW JERSEY
IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. PAYNE. Mr. Speaker, I would like to ask my colleagues here in the U.S. House of Representatives to join me in paying tribute to Beth Israel Medical Center in Newark, New Jersey as staff and supporters celebrate 100 years of service to our community. Newark Beth Israel experienced its humble beginning a century ago, when a small group of women known as the Daughters of Israel raised $4,000 to open Beth Israel Hospital on the corner of Kinney and High Streets in Newark.

The Beth quickly outgrew its original quarters and moved to its present location in 1928. In the ensuing decades Newark Beth Israel grew and changed in order to adapt to the community’s needs, and was the site of numerous medical breakthroughs. During a Founders Day celebration which officially marked the 100th anniversary of the signing of the hospital’s original charter, employees and physicians were joined by Paul J. Merz, Executive Director; Robert Marks, Chairman of the Board of Trustees; and Lester M. Bornstein, former President of the Beth in signing replicas of the original charter, Victor Parsonnet, M.D., signed a replica of the original charter next to the name of his grandfather, Victor Parsonnet, M.D. Dr. Parsonnet’s two grandfathers (the other is Max Danzis, M.D.) were among the founders of Newark Beth Israel Hospital in 1901. Lester Bornstein, former President of Newark Beth Israel who served the medical center for 36 years, also signed the charter. The charter is being displayed in the lobby during the Centennial events.

Throughout this year, there will be numerous events scheduled to celebrate the Centennial, including monthly historical displays; a parade in the city center’s Annual Fall Health Fair; a commemorative quilt with the theme “A Century of Caring”; in-hospital theme days, held once a month to celebrate each decade of the 20th century; group outings and contests for employees and physicians; and an Alumni Day to welcome back retired and former employees of the Medical Center. The Centennial celebration will also include several major events: Visionaries in Medicine Science: A Series of Symposia Celebrating the Centennial of Newark Beth Israel Medical Center presenting on the topics “Healthcare and Cultural Diversity,” “Cardiovascular Disorders,” “Dentistry,” “Nursing,” “Renal Medicine” and “Genetics and Molecular Biology.”

Mr. Speaker, in celebration of the important role that The Beth has played in our community throughout the decades, there will be a Centennial Gala at the New Jersey Performing Arts Center on Saturday, October 6, 2001. Let us join in offering our congratulations and best wishes for continued success to the entire Newark Beth Israel community—the medical and nursing staffs, the ancillary services and administration, the Auxiliary and of course, the many dedicated volunteers who give so generously of their time and talent.

TRIBUTE TO AURELIO VALDEZ

HON. SOLOMON P. ORTIZ
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Friday, September 21, 2001

Mr. ORTIZ. Mr. Speaker, I rise today to pay tribute to Aurelio Valdez for over a decade’s worth of hard work and community service. For 27 years, Aurelio Valdez strove to improve the lives of an often overlooked segment of our American society, the mentally handicapped.

As the Superintendent of the Corpus Christi State School, Mr. Valdez labored to reconnect the Texas citizenry with the lives of the mentally impaired residents of the school. For 12 years, Mr. Valdez worked as the Superintendent of the Corpus Christi State School, and during that time, he helped to provide normalized living conditions for the school’s three hundred eighty-seven resident students.

By helping to change people’s perceptions of those suffering from mental illness, Aurelio became not only a respected educator and healer, but an architect of a unified Corpus Christi community.

Aurelio joined the Texas Department of Mental Health and Mental Retardation in 1974, and has received constant praise for his contributions to the improvements in care for those suffering from mental retardation and mental disease. He is noted around the State School as an innovator and a leader. Ray is one of those special people who sees what he is doing less as a job, and more as a labor of love.

A hero in the shadows, Aurelio urged his employees to step into the limelight and take credit for the work he encouraged from them. This life-long caregiver retires not only with the respect and admiration of his colleagues, but with a vow that he will continue to assist the mentally handicapped in reaching their goals.

I am proud to have had the opportunity to serve with such a dedicated servant of the people on a number of health and education issues. With his retirement, Corpus Christi and the rest of Texas lose a leader, an inspiring educator, and a shining example of American patriotism.

I ask my colleagues to join me today in honoring a great and generous man, Aurelio
