American flag will inspire us just as it inspired Francis Scott Key. It will serve as a notice to our adversaries. Though bruised and bloodied, we remain unbowed. The authors of terror may never understand the words of our national anthem, but they will come to understand the spirit that it embodies. We will turn our rage into moral outrage. When the dust of battle clears, America will remain the land of the free and the home of the brave.

Madam Speaker, to victory. May God bless America.
