the United States include:

- The extent of the relationship between the foreign person and the designated person; and
- The impact of blocking or other actions against a foreign person.

The Executive Order also directs the Secretary of the Treasury, the Secretary of State, and other agencies to make all relevant efforts to cooperate and coordinate with other countries, multilateral and bilateral organizations, to achieve the objectives of this order, including the prevention and suppression of acts of terrorism, the denial of the financing of and financial services to terrorists, terrorist organizations, and the sharing of intelligence about funding activities in support of terrorism.

In the Executive Order, I also have made determinations to suspend otherwise applicable exemptions for certain humanitarian, agricultural, transfers or donations. Regrettably, international terrorist networks make frequent use of charitable or humanitarian organizations to obtain clandestine financial and other support for their activities. If these exemptions were not suspended, the provision of humanitarian materials could be used as a loophole through which support could be provided to individuals or groups involved with terrorism and whose activities endanger the safety of United States nationals, both here and abroad.

The Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General, is authorized to issue regulations in exercise of my authorities under IEEPA to implement the prohibitions set forth in the Executive Order. All Federal agencies are also directed to take actions within their authority to carry out the provisions of the order, and, where applicable, to advise the Secretary of the Treasury in a timely manner of the measures taken.

The measures taken here will immediately demonstrate our resolve to bring new strength to bear in our multifaceted struggle to eradicate international terrorism. It is my hope that they will point the way for other civilized nations to adopt similar measures to attack the financial roots of global terrorist networks.

In that regard, this Executive Order is an integral part of our larger effort to form a coalition in the global war against terrorism. We have already worked with nations around the globe and groups such as the G-8, the European Union, and the Rio Group, all of which have made statements of their intention to take measures to limit the ability of terrorism groups to operate. In the next several weeks the 33rd Session of the International Civil Aviation Organization (ICAO) General Assembly and other fora will focus on terrorism worldwide. It is our intention to work within the G-7/G-8, the ICAO, and other fora to reach agreement on strong concrete steps that will limit the ability of terrorists to operate.

In the G-7/G-8, the United States will work with its partners, drawing on the G-8 Lyon Group on Transnational Crime, the G-8 Group on Counter-terrorism, the G-7 Financial Action Task Force, and the existing G-8 commitments to build momentum and practical cooperation in the fight to stop the flow of resources to support terrorism. In addition, both the Convention for the Suppression of the Financing of Terrorism and the Convention for the Suppression of Terrorist Bombings have been forwarded to the Senate, and I will be forwarding shortly to the Congress implementing legislation for both Conventions.

I am enclosing a copy of the Executive Order I have issued. This order is effective at 12:01 a.m. eastern daylight time on September 23, 2001.

REPORT ON THE NATIONAL EMERGENCY WITH RESPECT TO THE TOTAL INDEPENDENCE OF ANGOLA (UNITA)—MESSAGE FROM THE PRESIDENT—PM 45

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs.

To the Congress of the United States:

As required by section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), and section 204(c) of the International Emergency Economic Powers Act, 50 U.S.C. 1704(c), I transmit here-with a 6-month periodic report on the national emergency with respect to the United Nations for the Total Independence of Angola (UNITA) that was declared in Executive Order 12865 of September 26, 1993.

GEORGE W. BUSH.

REPORT ON THE CONTINUATION OF EMERGENCY WITH RESPECT TO UNIT A—MESSAGE FROM THE PRESIDENT—PM 46

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs.

To the Congress of the United States:

Section 202(d) of the National Emergencies Act, 50 U.S.C. 1622(d) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a
notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the emergency declared with respect to the National Union for the Total Independence of Angola (UNITA) is to continue in effect beyond September 26, 2001.

The circumstances that led to the declaration on September 26, 1993, of a national emergency have not been reestablished. The actions and policies of UNITA pose a continuing unusual and extraordinary threat to the foreign policy of the United States. United Nations Security Council Resolutions 864 (1993), 1127 (1997), and 1173 (1998) continue to oblige all member states to maintain sanctions. Discontinuation of the sanctions would have a prejudicial effect on the prospects for peace in Angola. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to apply economic pressure on UNITA to reduce its ability to pursue its military operations.

GEORGE W. BUSH
