IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 25, 2001

Mr. BRYANT. Mr. Speaker, yesterday I was inadvertently delayed getting back to Washington from my district, and as a result missed Rollcall votes 349 and 350. Had I been present, I would have voted "yea" on both votes. As an original co-sponsor of H.R. 717, I regret being unable to cast a vote in favor of this important legislation that will have a positive effect on those children who suffer from Duchenne muscular dystrophy.

#### HONORING HUBERT TABOR FOR HIS DEDICATED SERVICE

### HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 25, 2001

Mr. McINNIS. Mr. Speaker, to place your life in harms way in order to defend our Nation is indeed a noble and honorable action. Hubert Douglas Tabor dedicated himself by serving in World War II and is certainly worthy of the praise and admiration of this body. During the campaign in Northern Burma, Hubert placed his well-being before all else in order to ensure a victory for the Allies in that war-stricken area.

Hubert was raised on a farm in Colorado. Throughout his time there, he grew tired of horses and wished to escape from the farm life by signing up for the Army. However, after entering the Army, the Army recognized that Hubert possessed superior riding skills and was sent to Ft. Riley, Kansas to be a member of the 124th Cavalry. This unit was the last mounted cavalry in the Army and it was with the 124th that Hubert deservingly received his silver spurs due to his accomplishments in the service. Upon his relocation to Burma, his role was that of a packer.

The 124th Cavalry, teamed with the 56th Cavalry and the 613th Field Artillery Battalion, was charged with the duty of opening the Burma Road that was closed by the Japanese. As the team trekked across the Himalayan landscape, the Japanese enemy was encountered at night. Although Hubert had

several close calls during his service, perhaps none was as serious as one that occurred during this battle. Hubert and a fellow soldier were assigned the duty of attracting the attention of the Japanese to distract them while the rest of his team was able to penetrate the enemy's flank. His friend was killed in the line of duty while Hubert survived, but not without debilitating injuries.

Due to his bravery and courage, Mr. Speaker, Hubert Tabor was awarded the Purple Heart and Bronze Star. This battle was brutal, but Hubert offered his patriotism to our country and fought for its sake in Burma. I would like to take this moment to recognize the incredible sacrifices that Hubert made for our country and thank him for his service to our Flag. Hubert helped to make our country great and I extend my warmest regards and best wishes to Hubert for many years to come.

#### THE BROWNFIELDS REDEVELOPMENT ENHANCEMENT ACT OF 2001 (H.R. 2941)

### HON. GARY G. MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 25, 2001

Mr. GARY G. MILLER of California. Mr. Speaker, last Friday, I introduced the "Brownfields Redevelopment Enhancement Act of 2001 (H.R. 2941)."

I would like to thank my colleagues U.S. Representative MALONEY, Chairman MIKE OXLEY and Chairwoman MARGE ROUKEMA for joining me in supporting this important measure.

The biggest barrier that cities and communities face when trying to acquire and redevelop contaminated "Brownfields" properties is their lack of access to adequate and affordable capital to carry out critical activities including site assessment, remediation planning, cleanup and initial redevelopment activities.

This legislation is designed to facilitate the provision of assistance by the Department of Housing and Urban Development for the cleanup and economic development of Brownfields.

For nearly 25 years, HUD's Section 108 Loan Guarantee program has encouraged local economic development by giving cities access to the up-front financing needed for key site preparation and infrastructure projects that make an area ready for revitalization. This bill would, in essence, improve the ability of local governments to use HUD's Section 108 Loan Guarantee program and the Brownfields Economic Development Initiative (BEDI) program to address Brownfields projects by recognizing one of the new realities of the redevelopment process—that environmental evaluation and cleanup activities have become a necessary part of the process for reusing old, often abandoned sites, and that the public sector frequently must jump start that process.

This legislation will modify HUD's existing Section 108 Loan Guarantee program to make it a more flexible and usable tool for Brownfields projects and provide BEDI grant funding in a more flexible form.

First, it authorizes, for the first time ever, appropriations specifically for the BEDI program, to clarify through the conventional authorization and appropriation process that Brownfields redevelopment assistance is a congressional priority. The authorization of such sums as may be necessary is for fiscal years 2002-4. This 3-year authorization would result in need for authorization after 3 years and prompt a timely congressional re-examination of the need for such funding and funding levels.

Second, it establishes the BEDI program as an independent program by separating it from the requirement that local governments obtain Section 108 loan guarantees in order to obtain BEDI grant funding. While Congress has funded the BEDI program at a level of \$25 million annually since FY 1998, the program has existed solely as a line item in appropriations.
