“(B) Nothing in subparagraph (A) shall be construed to permit a person to be on active duty or in an active status in a reserve component after the date on which the person would have been separated, retired, or transferred to the retired reserve or to inactive status in a reserve component if the person had not been selected to be separated, retired, or transferred to the retired reserve or to inactive status in a reserve component, as the case may be, in an action of a selection board that is corrected under subsection (a).

“(3) If the person does not consent to a restoration of status, rights, and entitlements under paragraph (2), the person shall receive back pay and allowances (less appropriate offsets) and service credit for the period beginning on the date of the person’s separation, retirement, or transfer to the retired reserve or to inactive status in a reserve component, as the case may be, and ending on the earlier of—

“(A) the date on which the person would have been so restored under paragraph (2), as determined by the Secretary concerned; or

“(B) the date on which the person would otherwise have been separated, retired, or transferred to the retired reserve or to inactive status in a reserve component, as the case may be.

“(c) FINALITY OF UNFAVORABLE ACTION.—If a special board makes a recommendation not to correct the military records of a person regarding action taken in the case of that person on the basis of a previous report of a selection board, the action previously taken on that report shall be considered as final as of the date of the action taken on that report.

“(d) REGULATIONS.—(1) The Secretary concerned may prescribe regulations to carry out this section (other than subsection (e)) with respect to the armed force or armed forces under the jurisdiction of the Secretary.

“(2) The Secretary may prescribe in the regulations the circumstances under which consideration by a special board may be provided for under this section, including the following:

“(A) The circumstances under which consideration of a person’s case by a special board is contingent upon application by or for that person.

“(B) Any time limits applicable to the filing of an application for consideration.

“(3) Regulations prescribed by the Secretary of a military department under this subsection shall be subject to the approval of the Secretary of Defense.

“(e) JUDICIAL REVIEW.—(1) A person challenging for any reason the action or recommendation of a selection board, or the action taken by the Secretary concerned on the report of a selection board, is not entitled to relief in any judicial proceeding unless the person has first been considered by a

special board under this section or the Secretary concerned has denied such consideration.

“(2) A court of the United States may review a determination by the Secretary concerned not to convene a special board in the case of any person. In any such case, a court may set aside the Secretary’s determination only if the court finds the determination to be arbitrary or capricious, not based on substantial evidence, or otherwise contrary to law. If a court sets aside a determination not to convene a special board, it shall remand the case to the Secretary concerned, who shall provide for consideration of the person by a special board.

“(3) A court of the United States may review a recommendation of a special board or an action of the Secretary concerned on the report of a special board convened for consideration of a person. In any such case, a court may set aside the recommendation or action, as the case may be, only if the court finds that the recommendation or action was contrary to law or involved a material error of fact or a material administrative error. If a court sets aside the recommendation of a special board, it shall remand the case to the Secretary concerned, who shall provide for reconsideration of the person by another special board. If a court sets aside the action of the Secretary concerned on the report of a special board, it shall remand the case to the Secretary concerned for a new action on the report of the special board.

“(4)(A) If, not later than six months after receiving a complete application for consideration by a special board in any case, the Secretary concerned has not convened a special board and has not denied consideration by a special board in that case, the Secretary shall be deemed to have denied the consideration of the case for the purposes of this subsection.

“(B) If, not later than one year after the convening of a special board in any case, the Secretary concerned has not taken final action on the report of the special board, the Secretary shall be deemed to have denied relief in such case for the purposes of this subsection.

“(C) Under regulations prescribed under subsection (d), the Secretary concerned may waive the applicability of subparagraph (A) or (B) in a case if the Secretary determines that a longer period for consideration of the case is warranted. The Secretary of a military department may not delegate authority to make a determination under this subparagraph.

“(f) EXCLUSIVITY OF REMEDIES.—Notwithstanding any other provision of law, but subject to subsection (g), the remedies provided under this section are the only remedies available to a person for correcting an action or recommendation of a selection board regarding that person or an action taken on the report of a selection board regarding that person.

“(g) EXISTING JURISDICTION.—(1) Nothing in this section limits the jurisdiction of any court of the United States under any provision of law to determine the validity of any statute, regulation, or policy relating to selection boards, except that, in the event that any such statute, regulation, or policy is held invalid, the remedies prescribed in this section shall be the sole and exclusive remedies available to any person challenging the recommendation of a special board on the basis of the invalidity.

“(2) Nothing in this section limits authority to correct a military record under section 1552 of this title.

“(h) INAPPLICABILITY TO COAST GUARD.—This section does not apply to the Coast Guard when it is not operating as a service in the Navy.

“(i) DEFINITIONS.—In this section:

“(1) The term ‘special board’—

“(A) means a board that the Secretary concerned convenes under any authority to consider whether to recommend a person for appointment, enlistment, reenlistment, assignment, promotion, retention, separation, retirement, or transfer to inactive status in a reserve component instead of referring the records of that person for consideration by a previously convened selection board which considered or should have considered that person;

“(B) includes a board for the correction of military or naval records convened under section 1552 of this title, if designated as a special board by the Secretary concerned; and

“(C) does not include a promotion special selection board convened under section 628 or 14502 of this title.

“(2) The term ‘selection board’—

“(A) means a selection board convened under section 573(c), 580, 580a, 581, 611(b), 637, 638, 638a, 14101(b), 14701, 14704, or 14705 of this title, and any other board convened by the Secretary concerned under any authority to recommend persons for appointment, enlistment, reenlistment, assignment, promotion, or retention in the armed forces or for separation, retirement, or transfer to inactive status in a reserve component for the purpose of reducing the number of persons serving in the armed forces; and

“(B) does not include—

“(i) a promotion board convened under section 573(a), 611(a), or 14101(a) of this title;

“(ii) a special board;

“(iii) a special selection board convened under section 628 of this title; or

“(iv) a board for the correction of military records convened under section 1552 of this title.”

“1558. Exclusive remedies in cases involving selection boards.”

(b) SPECIAL SELECTION BOARDS.—Section 628 of such title is amended—

(1) by redesignating subsection (g) as subsection (j); and

(2) by inserting after subsection (f) the following:

“(g) JUDICIAL REVIEW.—(1) A court of the United States may review a determination by the Secretary concerned under subsection (a)(1) or (b)(1) not to convene a special selection board in the case of an officer or former officer of the armed forces. If the court finds the determination to be arbitrary or capricious, not based on substantial evidence, or otherwise contrary to law, it shall remand the case to the Secretary concerned, who shall provide for consideration of the officer or former officer by a special selection board under this section.

“(2) A court of the United States may review the action of a special selection board convened under this section upon the request of an officer or former officer of the armed forces and any action taken by the President on the report of the board. If the court finds that the action was contrary to law or involved a material error of fact or a material administrative error, it shall remand the case to the Secretary concerned, who shall provide for reconsideration of the officer or former officer by another special selection board.

“(3)(A) For the purposes of this subsection, the Secretary concerned shall be deemed to have determined not to convene a special selection board under subsection (a)(1) or (b)(1) in the case of an officer or former officer of the armed forces upon a failure of the Secretary to make a determination on the convening of a special selection board in that case within six months after receiving a properly completed request to convene a special selection board under that authority in that case.

“(B) Under regulations prescribed by the Secretary concerned, the Secretary may waive the applicability of subparagraph (A) in the case of a request for the convening of a special selection board if the Secretary determines that a longer period for consideration of the request is warranted. The Secretary concerned may not delegate authority to make a determination under this subparagraph.

“(h) LIMITATIONS OF OTHER JURISDICTION.—(1) No official or court of the United States may, with respect to a claim based to any extent on the failure of an officer or former officer of the armed forces to be selected for promotion by a promotion board—

“(A) consider the claim unless the officer or former officer has first been referred by the Secretary concerned to a special selection board convened under this section and acted upon by that board and the report of the board has been approved by the President; or

“(B) except as provided in subsection (g), grant any relief on the claim unless the officer or former officer has been selected for promotion by a special selection board convened under this section to consider the officer for recommendation for promotion and the report of the board has been approved by the President.

“(i) EXISTING JURISDICTION.—(1) Nothing in this section limits the jurisdiction of any court of the United States under any provision of law to determine the validity of any statute, regulation, or policy relating to selection boards, except that, in the event that any such statute, regulation, or policy is held invalid, the remedies prescribed in this section shall be the sole and exclusive remedies available to any person challenging the recommendation of a selection board on the basis of the invalidity.

“(2) Nothing in this section limits authority to correct a military record under section 1552 of this title.”

(c) EFFECTIVE DATE AND APPLICABILITY.—(1) The amendments made by this section shall take effect on the date of the enactment of this Act and, except as provided in paragraph (2), shall apply with respect to any proceeding pending on or after that date without regard to whether a challenge to an action of a selection board of any of the Armed Forces being considered in such proceeding was initiated before, on, or after that date.

(2) The amendments made by this section shall not apply with respect to any action commenced in a court of the United States before the date of the enactment of this Act.

“(c) PROGRAM PARTICIPANTS.—(1) A business concern meeting the eligibility requirements set out in subsection (d) may enter into agreements under subsection (e) and furnish assistance to eligible small business concerns upon making application to the Secretary of Defense and being approved for participation in the program by the Secretary. The Administrator of the Small Business Administration shall determine the status of such business concern as such a small business concern in the event of a protest regarding the status of the business concern. If at any time the business concern is determined by the Administrator not to be such a small business concern, assistance furnished to the business concern by

the mentor firm after the date of the determination may not be considered assistance furnished under the program.

“(d) MENTOR FIRM ELIGIBILITY.—Subject to subsection (c)(1), a mentor firm eligible for award of Federal contracts may enter into an agreement with one or more protege firms under subsection (e) and provide assistance under the program pursuant to that agreement if—

“(2) the mentor firm demonstrates the capability to assist in the development of protege firms, and is approved by the Secretary of Defense pursuant to criteria specified in the regulations prescribed pursuant to subsection (k).

“(B) the anticipated number and type of subcontracts to be awarded the protege firm.

“(2)(A) The Secretary of Defense may provide to a mentor firm reimbursement for the costs of the assistance furnished to a protege firm pursuant to paragraphs (1) and (7) of subsection (f) as provided for in a line item in a Department of Defense contract under which the mentor firm is furnishing products or services to the Department, subject to a maximum amount of reimbursement specified in such contract. The preceding sentence does not apply in a case in which the Secretary of Defense determines in writing that unusual circumstances justify reimbursement using a separate contract.

“(B) The determinations made in annual performance reviews of a mentor firm’s mentor-protege agreement under subsection (j)(2) shall be a major factor in the determinations of amounts of reimbursement, if any, that the mentor firm is eligible to receive in the remaining years of the program participation term under the agreement.

“(C) The total amount reimbursed under this paragraph to a mentor firm for costs of assistance furnished in a fiscal year to a protege firm may not exceed \$1,000,000, except in a case in which the Secretary of Defense determines in writing that unusual circumstances justify a reimbursement of a higher amount.

“(3)(A) Costs incurred by a mentor firm in providing assistance to a protege firm that are not reimbursed pursuant to paragraph (2) shall be recognized as credit in lieu of subcontract awards for purposes of determining whether the mentor firm attains a subcontracting participation goal applicable to such mentor firm under a Department of Defense contract, under a contract with another executive agency, or under a divisional or company-wide subcontracting plan negotiated with the Department of Defense or another executive agency.

“(B) The amount of the credit given a mentor firm for any such unreimbursed costs shall be equal to—

“(iii) two times the total amount of any other such costs.

“(C) Under regulations prescribed pursuant to subsection (k), the Secretary of Defense shall adjust the amount of credit given a mentor firm pursuant to subparagraphs (A) and (B) if the Secretary determines that the firm’s performance regarding the award of subcontracts to eligible small business concerns has declined without justifiable cause.

“(4) A mentor firm shall receive credit toward the attainment of a subcontracting

participation goal applicable to such mentor firm for each subcontract for a product or service awarded under such contract by a mentor firm to a business concern that, except for its size, would be a small business concern owned and controlled by socially and economically disadvantaged individuals, but only if—

“(A) the size of such business concern is not more than two times the maximum size specified by the Administrator of the Small Business Administration for purposes of determining whether a business concern furnishing such product or service is a small business concern; and

“(B) the business concern formerly had a mentor-protege agreement with such mentor firm that was not terminated for cause.

“(h) RELATIONSHIP TO SMALL BUSINESS ACT.—(1) For purposes of the Small Business Act, no determination of affiliation or control (either direct or indirect) may be found between a protege firm and its mentor firm on the basis that the mentor firm has agreed to furnish (or has furnished) to its protege firm pursuant to a mentor-protege agreement any form of developmental assistance described in subsection (f).

“(2) Notwithstanding section 8 of the Small Business Act (15 U.S.C. 637), the Small Business Administration may not determine an eligible small business concern to be ineligible to receive any assistance authorized under the Small Business Act on the basis that such business concern has participated in the Mentor-Protege Program or has received assistance pursuant to any developmental assistance agreement authorized under such program.

“(3) The Small Business Administration may not require a firm that is entering into, or has entered into, an agreement under subsection (e) as a protege firm to submit the agreement, or any other document required by the Secretary of Defense in the administration of the Mentor-Protege Program, to the Small Business Administration for review, approval, or any other purpose.

“(i) PARTICIPATION IN MENTOR-PROTEGE PROGRAM NOT TO BE A CONDITION FOR AWARD OF A CONTRACT OR SUBCONTRACT.—A mentor firm may not require a business concern to enter into an agreement with the mentor firm pursuant to subsection (e) as a condition for being awarded a contract by the mentor firm, including a subcontract under a contract awarded to the mentor firm.

“(j) REPORTS AND REVIEWS.—(1) The mentor firm and protege firm under a mentor-protege agreement shall submit to the Secretary of Defense an annual report on the progress made by the protege firm in employment, revenues, and participation in Department of Defense contracts during the fiscal year covered by the report. The requirement for submission of an annual report applies with respect to each fiscal year covered by the program participation term under the agreement and each of the two fiscal years following the expiration of the program participation term. The Secretary shall prescribe the timing and form of the annual report.

“(2)(A) The Secretary shall conduct an annual performance review of each mentor-protege agreement that provides for reimbursement of costs. The Secretary shall determine on the basis of the review whether—

“(i) all costs reimbursed to the mentor firm under the agreement were reasonably incurred to furnish assistance to the protege firm in accordance with the requirements of this section and applicable regulations; and

“(ii) the mentor firm and protege firm accurately reported progress made by the protege firm in employment, revenues, and participation in Department of Defense contracts during the program participation term covered by the mentor-protege agreement and the two fiscal years following the expiration of the program participation term.

“(B) The Secretary shall act through the Commander of the Defense Contract Management Command in carrying out the reviews and making the determinations under subparagraph (A).

SEC. 903. SENSE OF CONGRESS REGARDING THE SELECTION OF OFFICERS FOR ASSIGNMENT AS THE COMMANDER IN CHIEF, UNITED STATES TRANSPORTATION COMMAND.

(a) FINDINGS.—Congress makes the following findings:

(1) The Goldwater-Nichols Department of Defense Reorganization Act of 1986 envisioned that an officer would be assigned to serve as the commander of a combatant command on the basis of being the best qualified officer for the assignment rather than the best qualified officer of the armed force that has historically supplied an officer to serve in that assignment.

(2) In order to provide for greater competition among the Armed Forces for selection of officers for assignment as the commanders of the combatant commands and assignment to certain other joint positions in the grade of general or admiral, Congress provided

temporary relief from the limitation on the number of officers serving on active duty in the grade of general or admiral in section 405 of the National Defense Authorization Act for Fiscal Year 1995 and thereafter extended that relief until September 30, 2003, but has also required that the Secretary of Defense be furnished the name of at least one officer from each of the Armed Forces for consideration for appointment to each such position.

(3) Most of the positions of commanders of the combatant commands have been filled successively by officers of more than one of the Armed Forces since the enactment of the Goldwater-Nichols Department of Defense Reorganization Act of 1986.

(4) However, general officers of the Air Force with only limited experience in the transportation services have usually filled the position of Commander in Chief of the United States Transportation Command.

(5) The United States Transportation Command and its component commands could benefit from the appointment of an officer selected from the two armed forces that are the primary users of their transportation resources, namely the Army and the Marine Corps.

(b) SENSE OF CONGRESS.—In light of the findings set forth in subsection (a), it is the sense of Congress that the Secretary of Defense should, when considering officers for recommendation to the President for appointment as the Commander in Chief, United States Transportation Command, give careful consideration to recommending an officer of the Army or the Marine Corps.

Subtitle F—Rocky Flats National Wildlife Refuge

SEC. 3171. SHORT TITLE.

This subtitle may be cited as the “Rocky Flats National Wildlife Refuge Act of 2001”.

SEC. 3172. FINDINGS AND PURPOSES.

(a) FINDINGS.—Congress finds the following:

(1) The Federal Government, through the Atomic Energy Commission, acquired the Rocky Flats site in 1951 and began operations there in 1952. The site remains a Department of Energy facility. Since 1992, the mission of the Rocky Flats site has changed from the production of nuclear weapons components to cleanup and closure in a manner that is safe, environmentally and socially responsible, physically secure, and cost-effective.

(2) The site has generally remained undisturbed since its acquisition by the Federal Government.

(3) The State of Colorado is experiencing increasing growth and development, especially in the metropolitan Denver Front Range area in the vicinity of the Rocky Flats site. That growth and development reduces the amount of open space and thereby diminishes for many metropolitan Denver communities the vistas of the striking Front Range mountain backdrop.

(4) Some areas of the site contain contamination and will require further response action. The national interest requires that the

ongoing cleanup and closure of the entire site be completed safely, effectively, and without unnecessary delay and that the site thereafter be retained by the United States and managed so as to preserve the value of the site for open space and wildlife habitat.

(5) The Rocky Flats site provides habitat for many wildlife species, including a number of threatened and endangered species, and is marked by the presence of rare xeric tallgrass prairie plant communities. Establishing the site as a unit of the National Wildlife Refuge System will promote the preservation and enhancement of those resources for present and future generations.

(b) PURPOSES.—The purposes of this subtitle are—

(1) to provide for the establishment of the Rocky Flats site as a national wildlife refuge following cleanup and closure of the site;

(2) to create a process for public input on refuge management before transfer of administrative jurisdiction to the Secretary of the Interior; and

(3) to ensure that the Rocky Flats site is thoroughly and completely cleaned up.
