pre-school and school age children by providing additional agricultural commodities. Finally, Mr. Speaker, I look forward to working with all of my colleagues who share my concern to emend this problem and provide for our pre-school and school age children at home first. Thank you.

IN MEMORY OF SAMANTHA EGAN,
LISA EGAN, MICHAEL CURTAIN
AND JOANNE AHLADIOTIS

HON. FELIX J. GRUCCI, JR.

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, October 5, 2001

Mr. GRUCCI. Mr. Speaker, today I rise to honor the memory of four constituents from the community of Rocky Point in my district who lost their lives at the World Trade Center in the tragic events that occurred there on September 11, 2001.

The tragedy that struck our great nation on the morning of September 11 has been an immense source of sorrow and mourning for our country, touching the lives of nearly every citizen in our country. This is especially so in Rocky Point, where the lives of four alumni of Rocky Point High School High School were taken on that fateful morning. This community will gather together this Sunday, October 7, to celebrate their lives and show their unity as a community.

Samantha Egan, a graduate of Rocky Point High School in 1992, spent much of her time involved in student activities. She played on the soccer, basketball, and softball teams. She was a member of both the Singing Santa's and Leaders Clubs. Samantha was also an adept musician.

Lisa Egan, Samantha's younger sister, was a graduate of the class of 1988, also spent her time studying and playing music. An ambitious young woman, she remained heavily involved in the Peer Leadership Program at her school where she spent much of her time.

Michael Curtain, a graduate of the class of 1975, retrained both the attributes of a scholar and an athlete. Michael occupied his time in the Thespian Society while at the same time holding the office of Vice President of his class. Michael played for the soccer, basketball, and baseball teams. He also involved himself in the Varsity Club. His guidance counselor once reflected upon Michael's career goals, stating, "I hope Mike will be given a chance to attain his goal as a police officer".

Joanne Ahladiotis, a graduate of the class of 1992, was regarded as a well-rounded and dynamic person. Her interests were diverse, ranging from the study of Modern Greek and playing on the field hockey team, to performing in the High School musical and working on the school's yearbook.

Those who lost their lives and those that gave their lives in the line of duty at the World Trade Center have shown themselves to be heroes. Their lives, like the lives of many other Americans that day, are a shining example of what makes this country as great as it is.

I ask my colleagues to join me in expressing our deepest sympathies and condolences to the Egan, Curtain and Ahladiotis families, and

ECONOMIC STIMULUS AND WORKING FAMILIES

HON. HILDA L. SOLIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 5, 2001

Ms. SOLIS. Mr. Speaker, I rise today to speak about the urgent need to provide immediate economic stimulus to this country in the form of a payroll tax rebate for working families.

The United States is facing a crisis, and it is not merely a security crisis. There is a visible, pressing need for economic stimulus and worker relief.

We should move quickly to jumpstart the economy by putting money into the hands of the tax paying lower wage workers that are more likely to spend it immediately.

My bill, the Working Families Tax Rebate Act will do just that.

This bill will provide an immediate payroll tax rebate of up to \$300 to people who didn't benefit from the tax cut signed into law in June.

The dramatic decrease in travel and tourism not only affects those workers employed by the airline industry.

Working men and women in the hospitality industry and service sector are also facing massive layoffs.

These people need immediate help with buying their groceries, preparing for the holidays, and paying their heating bills. Our shop keepers need consumers back in the stores.

I urge my colleagues to support H.R. 3015. Because this country needs economic stimulus now.

Mr. SANDERS. Mr. Speaker, today I recognize the outstanding work done by participants in my Student Congressional Town Meeting held this summer. These participants were

part of a group of high school students from around Vermont who testified about the concerns they have as teenagers, and about what they would like to see government do regarding these concerns.

I am asking that these statements be printed in the CONGRESSIONAL RECORD, as I believe that the views of these young persons will benefit my colleagues.

ON BEHALF OF BLAKE KINKAID, CRAIG
STEVENS, AND BRITTANY CHANDLER

REGARDING TOBACCO PREVENTION—MAY 7, 2001

CONGRESSMAN SANDERS: Now we are going up to the Northeast Kingdom and the Northeast Kingdom Youth Services. Who is going to begin?

BLAKE KINKAID: Blake Kinkaid.

BRITTANY CHANDLER: Brittany Chandler.

CRAIG STEVENS: Craig Stevens.

BLAKE KINKAID: That's a pretty tough act to follow, you guys. I have been watching it. The whole Napster thing. That is awesome. The cannabis thing. It is kind of hard to follow up on, but Josh, the whole tobacco thing killed a lot more people. He said that cannabis hadn't. Tobacco kills one person every fourteen seconds, different related disease such as cancer, heart disease, or anything like that. My dad, he has been a smoker ever since he was 14. And it has been a big shock to me. Last night, he was put in the hospital because of his heart. He is 40 years old. He just turned 40, and he is having heart problems through all the smoking. It scared the crap out of me, because it is exactly what my grandfather did when he was on his deathbed. Well, emphysema. He had smoked all his life too. And I just realized: Oh, my god! I wonder how many other people have to go through this every day. And it is really hard, and our group, we belong to a group called OVE, Our Voices Exposed, that helps get the prevention world for tobacco. Brittany is a new member who just started, and Craig is with me from the beginning. And we help put out the word about prevention, such as we give kids an alternative activity to do to keep them out of trouble. And Craig will elaborate on it.

CRAIG STEVENS: We are going to be having a dance coming up this Friday.

CONGRESSMAN SANDERS: Try to speak a little bit louder. We don't have a mike. Sorry.

CRAIG STEVENS: We have going to have a dance this Friday, and we have had—what?—three dances in the past.

BLAKE KINKAID: Five.

CRAIG STEVENS: Five. We had five dances. We have had sliding parties, bowling, pizza parties. We have had a whole lot of stuff I can't remember.

BLAKE KINKAID: We have had cookouts at Lake Willoughby and Harvey's Lake sometimes. We have had jamborees down there in the summer, having a battle of the bands, and we had a haunted house that brought over 300 people. Everything we do has a nonsubstance theme. We have these things to try to keep kids off tobacco, and we try to give them something to do. I found the biggest cause of smoking and all other substance use in boredom. That is why I started, just boredom, pretty much.

CONGRESSMAN SANDERS: Brittany, do you want to add anything?

BRITTANY CHANDLER: Well, most of my friends smoke, and I have noticed that my friends that do smoke, most of them don't do activities and stuff. And so they have nothing to do with their time, and just sit around
