

Mr. YOUNG of Florida. I thank the gentleman for yielding and for reserving the right to object so we can have this brief discussion.

Mr. Speaker, the legislation before the House, H.J. Res. 69, will extend the current continuing resolution for an additional week, allowing the Government to continue to operate through October 31.

As my colleagues are well aware, we have lost several days because of evacuations of the Capitol and for other reasons. We intend to complete the appropriations business expeditiously, but we do need to extend the CR through the 31st. The terms and conditions of the previous CRs remain in effect. All ongoing activities will be continued at current rates under the same terms and conditions as fiscal year 2001.

Mr. Speaker, I want to thank the gentleman for the time, and I want to thank the gentleman for his cooperation in making sure that the business of the House is expedited.

Mr. OBEY. Mr. Speaker, continuing under my reservation, let me simply say I support this resolution, and I think the entire House will as well.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

The Clerk read the joint resolution, as follows:

H.J. RES. 69

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That Public Law 107-44 is further amended by striking the date specified in section 107(c) and inserting in lieu thereof "October 31, 2001".
