UNANIMOUS CONSENT REQUEST—  
S. 739

Mr. WELLSTONE. Madam President, I ask unanimous consent that the Senate proceed to the immediate consideration of Calendar No. 191, and I ask unanimous consent that the committee amendment be agreed to, the amendment to the title be agreed to, the bill be read a third time and passed, the motion to reconsider be laid upon the table, and that any statements relating to the bill be printed in the RECORD.

This is the veterans homeless bill. This is a bill that provides support for homeless veterans.

The PRESIDING OFFICER. Is there objection?

Mr. MCCONNELL. Madam President, on behalf of another Member on this side of the aisle and not myself, I object.

The PRESIDING OFFICER. Objection is heard.

Mr. WELLSTONE. Madam President, I very much appreciate the Senator from Kentucky saying that the objection is not on his behalf. I say to whoever is objecting that I am going to do this every day. I would like to know who objects. It is interesting. I am not going to mix the agenda. But in all due respect, it is hardly helpful to veterans to object to a piece of legislation that passed with unanimous support out of the veterans committee of Republicans and Democrats alike focusing on what is a national scandal.

If you look at the number of men who are homeless—there are too many women and children—probably about 30 percent of them are veterans. Many of them are Vietnam veterans. Many of them struggle with addictions.

This piece of legislation was a bipartisan piece of legislation coming out of committee. LANE EVANS has done great work for veterans in the House of Representatives. He has taken the lead. It is legislation named after Katie Marie Harman, who is Miss America. Her dad is a disabled veteran. She has made it her priority.

I say to whoever is objecting that I would like for them to come out on the floor of the Senate and object. Tomorrow I will spend as much time as I can finding out who is objecting to this piece of legislation. Pretty soon we will either find out, and we can work it out together, or I will figure out a way to come out on the floor with this legislation and take a long time talking about what is on for veterans and the health care needs in particular.

The fact that I can't even move a piece of legislation that passed with unanimous support out of a committee that deals with providing a little bit of help to homeless veterans—I am not being histrionic; I am not trying to be melodramatic—is just plain maddening.

My God, in order to have a piece of legislation that deals with universal health care coverage and national health insurance, there can be a debate about the role of the Government.

Economic stimulus, I hope we will have that debate. There are many other issues. But when you take the most modest step that you can think of—I will start outlining the provisions of this bill tomorrow when I get a chance—and you have support among Republicans and Democrats in the committee and you believe you can move it and you have a lot of veterans who are hopeful about it—a number of them came from all around the country to testify for this legislation—then we have some anonymous objection.
