TRIBUTE TO MR. EUGENE A.R.
MONTGOMERY

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 7, 2001

Mr. CLYBURN. Mr. Speaker, I rise today to pay tribute to Mr. Eugene A.R. Montgomery who was a longtime friend and mentor. Mr. Montgomery was a true champion of civil rights, a reputable leader in the business and real estate arenas, and an inspiration to all members of his community. The Eugene A.R. Montgomery Foundation at South Carolina State University carries on the legacy of service that Mr. Montgomery began and cultivated throughout his lifetime.

I commend the Eugene A.R. Montgomery Foundation for helping students with dreams of entering the business world turn those

dreams into reality. Through programs that provide incentives for young African-Americans pursuing careers in entrepreneurial business—particularly the fields of real estate and insurance—the Foundation also encourages students to remain sensitive to the civil issues surrounding them. The mission of the foundation is one which seeks to foster and encourage the success, commitment, and character that Mr. Montgomery exemplified with his many accomplishments and achievements.

As an active participant in the landmark Clarendon County school desegregation case, *Briggs vs. Elliott*—one of the five cases which became *Brown vs. the Board of Education of Topeka, Kansas*, Mr. Montgomery demonstrated tremendous courage and determination. He worked very closely with Thurgood H. Marshall coordinating many activities of the plaintiffs and the NAACP attorneys.

He served as the First Executive Secretary of the South Carolina Branches of the NAACP, Treasurer of the Orangeburg NAACP, and was a Life Member of the NAACP. He was a faithful member of Trinity United Methodist Church, a partner in the first black-owned real estate and insurance company in Orangeburg, South Carolina, and owner of Montgomery and Company Insurance Company. He was a Postal Service retiree, a Mason, and an active member of the Veterans of Foreign Wars (VFW).

A former member of the Orangeburg Zoning and Appeals board, the Human Rights Council, the South Carolina Governor's School for the Arts, Junior Achievement, and a founder of the National Association for Real Estate Brokers, Mr. Montgomery was a member of the Orangeburg Chamber of Commerce and the Orangeburg School District Five Foundation Committee at the time of his death in 1996.

Mr. Montgomery was a fine citizen in every respect. His wife Georgia continues much of his ideas and ideals today with her own community service endeavors and support of the Foundation named in his honor.

Mr. Speaker, I ask you and my colleagues to join me today in paying tribute to Eugene A.R. Montgomery, whose life's visions live on and continue to foster and encourage young people through the Eugene A.R. Montgomery Foundation. I wish the Foundation good luck and Godspeed in carrying out the visions and honoring the legacy of a fine American who exemplified the concept of leading by example.

60TH ANNIVERSARY OF BOYD
HOSPITAL

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 7, 2001

Mr. SHIMKUS. Mr. Speaker, I rise today to pay tribute to Boyd Hospital on this, the 60th Anniversary of its service to Carrollton and Greene County, Illinois.

For over half a century, the Boyd Hospital has been administering to the needs of the people of Carrollton and the surrounding areas. And they have been successful; in this last year alone, they have admitted hundreds

of patients to their full-time care and helped thousands more on an outpatient basis. Moreover, Boyd also has a strong physical therapy program and a crack ER staff—this hospital has undoubtedly saved many hundreds of lives. Especially in these troubled times, it is comforting for the people of Carrollton to know that they are being served by such a skilled institution.

Over the last sixty years, the staff of Boyd Hospital has acted with care, compassion, and competence. And though the deeds themselves are perhaps reward enough for the staff of Boyd Hospital, I think it appropriate that on this special day they are recognized.

So, on behalf of the people of Carrollton and of the great State of Illinois, I would like to thank them for their efforts—they are greatly needed and greatly appreciated. As a token of that appreciation, I would like to list some of their names here for the CONGRESSIONAL RECORD: Dr. Adams, Dr. Reid, Dr. Turpin, Dr. Mapue, Dr. Khalisia, Dr. Parcon, Dr. Casleton, Dr. Voights, Dr. Harmon, Dr. McNeer, Dr. Dizon, Dr. Palcheff, and Deb Campbell.

Thank you all, and may God bless you and your work.

RESERVISTS EDUCATION
PROTECTION ACT OF 2001

HON. CHRISTOPHER H. SMITH

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 7, 2001

Mr. SMITH of New Jersey. Mr. Speaker, today I am pleased to introduce the Reservists Education Protection Act of 2001. Original cosponsors of this legislation include my good friend Lane Evans (D-IL), the Ranking Democratic Member of the VA Committee and 31 other Members of the House. This bill would reinstate VA educational entitlement to certain Active Duty servicemembers and veterans in reserve components called up for Operation Enduring Freedom and future national emergencies.

Up to 10,000 of the 50,000 Reservists recently called to active duty by President Bush as a result of the September 11th attacks against the United States would lose educational assistance entitlement if they are forced to disenroll from school. Many of them would also lose the tuition they paid.

The Reservists Education Protection Act of 2001 would restore monthly entitlement to (a) veterans in reserve components who are using the Montgomery GI Bill (MGIB) earned by prior active duty, and (b) regular Active Duty servicemembers and veteran reservists who are transferred to a new duty station or assignment.

The Reservists Education Protection Act of 2001 would cover any such servicemember involved in a national emergency after September 11, 2001. (Note: Reservists using the MGIB-Selected Reserve program already have entitlement restoration benefits, and additional time to use their benefit.)

Active Duty servicemembers and veterans are currently entitled to 36 months of educational benefits; this bill assures that no entitlement is lost due to mobilization. The Reservists Education Protection Act of 2001 is

similar to the relief that Congress provided during the Persian Gulf War.

The servicemember would also regain time to attend school by extending their Montgomery GI Bill delimiting date by their mobilization tour of duty, plus four months, to the 10 years that they already have. For example, if a servicemember is mobilized for six months, he or she would have 10 months added to their delimiting date.

Active Duty servicemembers and veterans enrolled in the Post-Vietnam Era Veterans' Educational Assistance Program (VEAP) (chapter 32) and Survivors and Dependents Educational Assistance (chapter 35) would also be included in the Reservists Education Protection Act of 2001.

EXPAND EFFECTIVENESS OF U.S.
BROADCASTING

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 7, 2001

Mr. BLUMENAUER. Mr. Speaker, today we adopted H.R. 2998 authorizing the establishment of Radio Free Afghanistan to create a surrogate radio broadcasting service in Afghanistan. I am a cosponsor of this legislation and I look forward to its serving as a valuable complement to the important contribution already made by the Voice of America (VOA). We need to increase and improve our public diplomacy in the Arabic-speaking world. We can reach millions and provide fair, accurate information about America, its principles and policies by increasing our VOA broadcasting in this way.

A constituent of mine who is an Arabic linguist has written to me regarding his thoughtful idea about how we can better utilize information we already receive and make it even more useful in our information-sharing efforts here and abroad.

The Smith-Mundt Act (22 U.S.C. 1461) should be amended to allow the release of materials such as manuscripts upon request and further assist U.S. linguists to receive these materials. As we respond to the events of September 11, I believe this modification would expand the effectiveness of VOA and allow qualified private institutions greater access to information so vital for intercultural exchange.

I urge my colleagues' consideration of allowing this greater use of the information we are already receiving, and will be working to accomplish this through my membership on the House International Relations Committee.

COURT RULING ON PROJECT
LABOR AGREEMENTS

HON. GEORGE MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 7, 2001

Mr. GEORGE MILLER of California. Mr. Speaker, I rise to commend the United States District Court for the District of Columbia for upholding the rights of workers and preventing the President from arbitrarily unilaterally, and unfairly restricting those rights.

On February 17, 2001, President Bush issued Executive Order 13202 prohibiting Federal agencies or recipients of federal funds from entering project labor agreements, pre-hire agreements that typically establish wages and working conditions for the employees of contractors and subcontractors on a construction project. Bush's Executive Order was permanently enjoined today in a decision issued
