similar to the relief that Congress provided during the Persian Gulf War.

The servicemember would also regain time to attend school by extending their Montgomery GI Bill delimiting date by their mobilization tour of duty, plus four months, to the 10 years that they already have. For example, if a servicemember is mobilized for six months, he or she would have 10 months added to their delimiting date.

Active Duty servicemembers and veterans enrolled in the Post-Vietnam Era Veterans' Educational Assistance Program (VEAP) (chapter 32) and Survivors and Dependents Educational Assistance (chapter 35) would also be included in the Reservists Education Protection Act of 2001.

EXPAND EFFECTIVENESS OF U.S.  
BROADCASTING

**HON. EARL BLUMENAUER**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, November 7, 2001*

Mr. BLUMENAUER. Mr. Speaker, today we adopted H.R. 2998 authorizing the establishment of Radio Free Afghanistan to create a surrogate radio broadcasting service in Afghanistan. I am a cosponsor of this legislation and I look forward to its serving as a valuable complement to the important contribution already made by the Voice of America (VOA). We need to increase and improve our public diplomacy in the Arabic-speaking world. We can reach millions and provide fair, accurate information about America, its principles and policies by increasing our VOA broadcasting in this way.

A constituent of mine who is an Arabic linguist has written to me regarding his thoughtful idea about how we can better utilize information we already receive and make it even more useful in our information-sharing efforts here and abroad.

The Smith-Mundt Act (22 U.S.C. 1461) should be amended to allow the release of materials such as manuscripts upon request and further assist U.S. linguists to receive these materials. As we respond to the events of September 11, I believe this modification would expand the effectiveness of VOA and allow qualified private institutions greater access to information so vital for intercultural exchange.

I urge my colleagues' consideration of allowing this greater use of the information we are already receiving, and will be working to accomplish this through my membership on the House International Relations Committee.

COURT RULING ON PROJECT  
LABOR AGREEMENTS

**HON. GEORGE MILLER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, November 7, 2001*

Mr. GEORGE MILLER of California. Mr. Speaker, I rise to commend the United States District Court for the District of Columbia for upholding the rights of workers and preventing the President from arbitrarily unilaterally, and unfairly restricting those rights.

On February 17, 2001, President Bush issued Executive Order 13202 prohibiting Federal agencies or recipients of federal funds from entering project labor agreements, pre-hire agreements that typically establish wages and working conditions for the employees of contractors and subcontractors on a construction project. Bush's Executive Order was permanently enjoined today in a decision issued
