## SUDAN PEACE ACT

Mr. SMITH of New Jersey. Madam Speaker, I ask unanimous consent that the Committee on International Relations be discharged from further consideration of the Senate bill (S. 180) to facilitate famine relief efforts and a comprehensive solution to the war in Sudan, and ask for its immediate consideration in the House.

The Clerk read the title of the Senate bill.

The SPEAKER pro tempore (Mrs. BIGGERT). Is there objection to the request of the gentleman from New Jersey?

There was no objection.

The Clerk read the Senate bill, as follows:

S. 180

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

## SECTION 1. SHORT TITLE.

This Act may be cited as the "Sudan Peace Act".

## SEC. 2. FINDINGS.

Congress makes the following findings:

(1) The Government of Sudan has intensified its prosecution of the war against areas outside of its control, which has already cost more than 2,000,000 lives and has displaced more than 4,000,000.

(2) A viable, comprehensive, and internationally sponsored peace process, protected from manipulation, presents the best chance for a permanent resolution of the war, protection of human rights, and a self-sustaining Sudan.

(3) Continued strengthening and reform of humanitarian relief operations in Sudan is an essential element in the effort to bring an end to the war.

(4) Continued leadership by the United States is critical.

(5) Regardless of the future political status of the areas of Sudan outside of the control of the Government of Sudan, the absence of credible civil authority and institutions is a major impediment to achieving self-sustenance by the Sudanese people and to meaningful progress toward a viable peace process.

(6) Through manipulation of traditional rivalries among peoples in areas outside their full control, the Government of Sudan has effectively used divide and conquer techniques to subjugate their population, and internationally sponsored reconciliation efforts have played a critical role in reducing the tactic's effectiveness and human suffering.

(7) The Government of Sudan is utilizing and organizing militias, Popular Defense Forces, and other irregular units for raiding and slaving parties in areas outside of the control of the Government of Sudan in an effort to severely disrupt the ability of those populations to sustain themselves. The tactic is in addition to the overt use of bans on air transport relief flights in prosecuting the war through selective starvation and to minimize the Government of Sudan's accountability internationally.

(8) The Government of Sudan has repeatedly stated that it intends to use the expected proceeds from future oil sales to increase the tempo and lethality of the war against the areas outside its control.

(9) Through its power to veto plans for air transport flights under the United Nations relief operation, Operation Lifeline Sudan (OLS), the Government of Sudan has been able to manipulate the receipt of food aid by the Sudanese people from the United States and other donor countries as a devastating weapon of war in the ongoing effort by the Government of Sudan to subdue areas of Sudan outside of the Government's control.

(10) The efforts of the United States and other donors in delivering relief and assistance through means outside OLS have played a critical role in addressing the deficiencies in OLS and offset the Government of Sudan's manipulation of food donations to advantage in the civil war in Sudan.

(11) While the immediate needs of selected areas in Sudan facing starvation have been addressed in the near term, the population in areas of Sudan outside of the control of the Government of Sudan are still in danger of extreme disruption of their ability to sustain themselves.

(12) The Nuba Mountains and many areas in Bahr al Ghazal, Upper Nile, and Blue Nile regions have been excluded completely from relief distribution by OLS, consequently
