Mr. REID. Mr. President, I ask unanimous consent that the committee substitute be agreed to, the bill be read a third time and passed, the motion to reconsider be laid upon the table, and that any statements relating thereto be printed in the RECORD with no intervening action or debate.

The PRESIDING OFFICER. Without objection, it is so ordered.

The committee amendment in the nature of a substitute was agreed to.

The bill (S. 1094), as amended, was read a third time, and passed, as follows:

S. 1094

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Hematological Cancer Research Investment and Education Act of 2001”.

SEC. 2. FINDINGS.

Congress finds that:

(1) An estimated 109,500 people in the United States will be diagnosed with leukemia, lymphoma, and multiple myeloma in 2001.

(2) New cases of the blood cancers described in paragraph (1) account for 8.6 percent of new cancer cases.

(3) Those devastating blood cancers will cause the deaths of an estimated 60,300 persons in the United States in 2001. Every 9 minutes, a person in the United States dies from leukemia, lymphoma, or multiple myeloma.

(4) While less than 5 percent of Federal funds for cancer research are spent on those blood cancers, those blood cancers cause 11 percent of all cancer deaths in the United States.

(5) Increased Federal support of research into leukemia, lymphoma, and multiple myeloma has resulted and will continue to result in significant advances in the treatment, and ultimately the cure, of those blood cancers as well as other cancers.

SEC. 3. RESEARCH, INFORMATION, AND EDUCATION WITH RESPECT TO BLOOD CANCER.

Part C of title IV of the Public Health Service Act (42 U.S.C. 285 et seq.) is amended by inserting after section 419C the following:

“SEC. 417D. RESEARCH, INFORMATION, AND EDUCATION WITH RESPECT TO BLOOD CANCER.

THE ESTABLISHMENT OF A NATIONAL WORDS CAN HEAL DAY

Mr. REID. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 183 introduced earlier today by Senator REID of Nevada and Senator BROWNBACK.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The assistant legislative clerk read as follows:

A resolution (S. Res. 183) expressing the sense of the Senate regarding the establishment of a National Words Can Heal Day.

There being no objection, the Senate proceeded to consider the resolution.

Mr. REID. Mr. President, it is with great pleasure that I support this resolution in support of the Words Can Heal Campaign to promote more responsible and civil speech to reduce conflict and build understanding between all peoples.

The Jerusalem Fund has launched a Words Can Heal Campaign on September 4, 2001, to reduce verbal violence and gossip and to promote the value and practice of ethical speech in order to improve our democracy, build mutual respect, honor, and dignity in our country.

The ability to express views freely and resolve differences through dialogue and education is fundamental to American democracy. For that process to work well, our words must reflect mutual respect, truth and fairness. Friends, families, and communities need to speak to each other in ways that help build people up, not tear them down. The Words Can Heal Campaign will draw attention to the language we use and provide practical help

to parents, school kids, supervisors, employees, teachers, government officials, entertainers, athletes—people from all walks of life—to speak more kindly and less destructively with and about each other. Through this campaign, the Jerusalem Fund will seek to make November 23, and every day thereafter, a day when unfair gossip, prejudicial comments, and verbal humiliation will be replaced by words that are encouraging, helpful, and healing.

Since the terrorist attacks of September 11, many Americans have felt that what happens in their neighborhood is beyond their control. This resolution can offer a comprehensive plan to rebuild our communities and relationship through the words we speak and the way we communicate. This holiday season, as we take an in-depth look at our lives and those around us, the Words Can Heal message resonates even more forcefully.

Mr. President, I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, the motion to reconsider be laid upon the table, and that any statements relating thereto be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 183) was agreed to.

The preamble was agreed to.

(The text of the resolution, with its preamble, is printed in today's RECORD under “Submitted Resolutions.”)
