

So I must come to the well to applaud the makers and my colleagues for expressing the sentiments and the good feelings and good tidings we have for this part of community, but let us do more than give these people good tidings. Let us give them respect and legislation and solve these problems.

Mr. KIND. Mr. Speaker, I rise today in support of H. Con. Res. 270, a resolution expressing the sense of Congress that Americans should take time during Native American Heritage Month to recognize the many accomplishments and contributions made by native peoples.

As our Nation enters into the 21st century, it is important that we recognize the elements that have shaped our history and our culture. The contributions made by Native Americans represent a significant aspect of American heritage, not only in a cultural sense, but also in the sacrifices, dedication, and patriotism displayed by Native Americans throughout our history.

In my home state of Wisconsin, there are 11 federally recognized tribes representing close to 50,000 American citizens. In addition, a large number of Wisconsin cities, counties, lakes, and rivers hold names representative of the strong Native American heritage in the area. This rich history in Wisconsin is also illustrated through Native American educational programs in public schools and many cultural celebration events. Indeed, the common values of many Wisconsin communities reflect Native American heritage including a deep respect for land, air, and water resources, agriculture, and history.

This legislation encourages Americans to celebrate Native American Heritage Month and honor Native American contributions to our national history and culture. As a member of the Native American Caucus, I appreciate the emphasis this resolution puts on Native American Heritage Month, and I am hopeful such efforts continue.

Mr. RAHALL. Mr. Speaker, I yield back the balance of my time.

Mr. HAYWORTH. Mr. Speaker, I yield back the balance of my time.

REQUIRING VALUATION OF NON-TRIBAL INTEREST OWNERSHIP WITHIN ACOMA INDIAN RESERVATION

Mr. HAYWORTH. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1913) to require the valuation of nontribal interest ownership of subsurface rights within the boundaries of the Acoma Indian Reservation, and for other purposes, as amended.

The Clerk read as follows:

H.R. 1913

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. PUEBLO OF ACOMA LAND AND MINERAL CONSOLIDATION.

(a) VALUATION.—Not later than 6 months after the date of the enactment of this section, the Secretary of the Interior shall determine the extent and the value of the nontribal interest ownership of the subsurface rights, including mineral rights, within the boundaries of the Acoma Indian Reservation.

(b) LAND EXCHANGES.—Upon completion of the valuation required by subsection (a), the Secretary shall, unless the Secretary exercises an option under subsection (c), negotiate an exchange with any willing sellers of interests in nontribal land (including interests in mineral or other surface or subsurface rights) within the boundaries of the Acoma Indian Reservation for interests in Federal land that is—

(1) located within the boundaries of the State of New Mexico;

(2) identified by the Bureau of Land Management as available for disposal; and

(3) of approximately the same value as the interest in land for which it is being exchanged.

(c) PURCHASE OPTION.—At the discretion of the Secretary, instead of a land exchange under subsection (b), the Secretary may acquire interests in nontribal land (including interests in mineral or other surface or subsurface rights) within the boundaries of the Acoma Indian Reservation through—
