

## HOUSE OF REPRESENTATIVES—Friday, November 30, 2001

The House met at 9 a.m. and was called to order by the Speaker pro tempore (Mr. THORNBERRY).

### DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

THE SPEAKER'S ROOMS,  
HOUSE OF REPRESENTATIVES,  
Washington, DC, November 30, 2001.

I hereby appoint the Honorable MAC THORNBERRY to act as Speaker pro tempore on this day.

J. DENNIS HASTERT,  
*Speaker of the House of Representatives.*

### PRAYER

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer:

Eternal God, always the refuge for the homeless, the refugee and immigrant, be with us as we pray today.

The sound of Abraham's call to leave his home and live by faith echoes through the halls of this Nation's history. Since the founding of these United States of America, people have come to this land as if out of the desert into a place of promise and hope. The experience of immigrants has built up this Nation as a response to Your invitation, Lord. "Go . . . I will show you a place."

We bless You and praise You for all those of this Nation who continue to build upon the past, and by their prayers and their noble deeds still grace this Nation and its future.

Even in this time, sometimes called "the age of worldwide refugees," You still call people to faith and freedom.

Bless the Members of Congress and grant them wisdom as they secure homeland borders and enact lawful immigration. The world will be shown a land where Your promise will be realized, faith can be expressed, and all will be free.

We still answer Your call, Lord, now and forever. Amen.

### WAIVING POINTS OF ORDER AGAINST CONFERENCE REPORT ON H.R. 2299, DEPARTMENT OF TRANSPORTATION AND RELATED AGENCIES APPROPRIATIONS ACT, 2002

Mr. REYNOLDS. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 299 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

#### H. RES. 299

*Resolved*, That upon adoption of this resolution it shall be in order to consider the conference report to accompany the bill (H.R. 2299) making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 2002, and for other purposes. All points of order against the conference report and against its consideration are waived. The conference report shall be considered as read.

The SPEAKER pro tempore. The gentleman from New York (Mr. REYNOLDS) is recognized for 1 hour.

Mr. REYNOLDS. Mr. Speaker, for purposes of debate only, I yield the customary 30 minutes to the gentleman from Ohio (Mr. HALL), pending which I yield myself such time as I may consume. During consideration of the resolution, all time is yielded for the purpose of debate only.

Mr. Speaker, House Resolution 299 is a standard rule providing for consideration of the conference report to accompany H.R. 2299, the Department of Transportation and Related Agencies Appropriations Act, 2002.

The rule waives all points of order against the conference report and against its consideration.

Additionally, the rule provides that the conference report shall be considered as read.

Mr. Speaker, the Committee on Appropriations has once again produced bipartisan legislation that meets the

Nation's transportation priorities. Ensuring the safety and efficiency of our transportation networks is one of the Federal Government's highest responsibilities.

This conference report represents a sound commitment to our Nation's transportation infrastructure by devoting funds to critical programs such as air traffic control modernization, airport improvement grants, motor carrier safety, and increasing the investments in highway safety research.

The bill enhances the safety and capacity of the aviation system and the highway and rail networks.

The bill provides a total of nearly \$59.6 billion, a 2.5 percent increase, in total budgetary resources for our Nation's infrastructure and transportation safety, including the Federal Aviation Administration, transit program spending, the United States Coast Guard, and the National Highway Traffic Safety Administration.

The Federal Aviation Administration will receive a 4.5 percent increase in funds, \$292 million of which is for aviation security, including bomb detection systems and compliance test activities. It makes available \$3.3 billion for the airport improvement program, an increase of \$100 million over the current fiscal year. This money includes \$20 million to support the expansion of service at smaller airports.

This bill, much like last year's, continues to improve and enhance motor carrier safety and operations by providing \$335 million. Of this total, about \$140 million is devoted to facilities and operations necessary to open the U.S.-Mexican border for commercial motor vehicle traffic. Not only will this allow for the free flow of trade between the United States and Mexico, but it instills a modest system of safety checks to maintain the integrity of our American borders.

Another significant piece of the transportation appropriations funding is for the drug interdiction activities carried out by the United States Coast Guard. The bill includes \$636 million for the Coast Guard's capital needs and \$320 million that is available to initiate the Deepwater program, which will fight the scourge of illicit drugs, provide support for offshore research and rescue, and work to protect Americans and American shores.

Moreover, the bill meets the funding obligation limitations in the transportation legislation known as TEA-21, the Transportation Equity Act for the
