

Federal laws they didn't even know existed. Sadly their "good-faith" carries no weight with the enforcement bureaucracies of the Federal Government. The officials who enforce these laws should be held to the same standards. Granting Federal bureaucrats special exemptions from the law is to establish an artificial separation of the government from the governed. Retaining the right to sue government officials for violations of our rights is the best defense imaginable for ensuring that those rights are protected in the first place. I cannot vote to remove this protection from my constituents.

I welcome the announcement by Chairman THOMAS that he will be bringing this bill up under regular order in the near future. I look forward to working with him and Members from both sides of the aisle to improve this bill and improve our Customs Service.

Mr. TAYLOR of Mississippi changed his vote from "nay" to "yea."

So (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

The title of the bill was amended so as to read: "A bill to reauthorize the trade adjustment assistance program under the Trade Act of 1974, and for other purposes."

A motion to reconsider was laid upon the table.

Stated for:

Mr. BROWN of South Carolina. Mr. Speaker, on rollcall No. 477 I was unavoidably detained. Had I been present, I would have voted "yea."

Mr. ABERCROMBIE. Mr. Speaker, in the matter of rollcall 477, H.R. 3008, I was recorded as voting "no" when I intended to vote "yea."
