**HOMELESS VETERANS COMPREHENSIVE ASSISTANCE ACT OF 2001**

Mr. REID. Madam President, I ask unanimous consent that the Senate proceed to the consideration of Calendar No. 201, H.R. 2716.

The PRESIDING OFFICER. The clerk will report the bill by title.

The legislative clerk read as follows:

A bill (H.R. 2716) to amend title 38, United States Code, to revise, improve, and consolidate provisions of law providing benefits and services for homeless veterans.

There being no objection, the Senate proceeded to consider the bill.

Mr. ROCKEFELLER. Madam President, as chairman of the Committee on Veterans' Affairs, I urge prompt Senate passage of H.R. 2716, the “Comprehensive Homeless Veterans Assistance Act of 2001,” a bill that enhances VA's efforts to combat homelessness among our Nation's veterans. This bill represents a compromise between S. 739, as passed by the Senate on November 15, 2001; and H.R. 2716, which passed the House on October 16, 2001.

This bill sets a rather lofty—but, in my view, attainable—goal of ending chronic homelessness among veterans within a decade. Unless we aim high, we will never end the problem. The bill also encourages interagency cooperation to facilitate meeting that goal. With the Departments of Veterans Affairs, Housing and Urban Development, and Health and Human Services administering most programs targeting homelessness, it seeks to revive the Interagency Council on the Homeless, of which all three agencies are members.

I will highlight some of the other key provisions in this important piece of legislation.

Proposed new section 2062 of title 38, United States Code, is intended to authorize VA to provide essential dental care services to those homeless veterans who demonstrate a commitment to rehabilitation and reintegration into society. In the course of developing this provision, the Committee members agreed that there is a unique and urgent need for basic dental care within the homeless population.

Consequently, the bill provides a one-time course of dental care to those homeless veterans who enroll and remain in a specified VA, grant or contract assistance, or specialized health program for 60 consecutive days. The treatment is limited to a “one-time” course of care that would allow VA to carry out a treatment plan as medically indicated by the veteran's needs. The Committee members also recognized there may be a break in treatment services that could occur through no fault of the veteran. In those cases, the compromise agreement makes allowance for the Secretary to aggregate days of treatment, by disregarding these breaks in continuous treatment.

Section 8(a) of the compromise agreement contains a provision requiring that every VA facility develop a plan to treat patients who present themselves at the facility and are in need of mental health care. This can include referral to another facility that has the

mental health treatment capability if the original facility does not. A similar provision was included in section 8(c) with regard to the availability of substance abuse treatment at every VA medical center. It requires VA to have a plan ready to implement should a veteran walk into a VA medical center and require such treatment. Opioid substitution therapy is specifically mentioned in this section because it has proven to be very successful for the treatment of heroin addiction.

In closing, I acknowledge the tireless efforts of the original namesake of the bill, Heather French Henry, Miss America 2000. She dedicated her tenure to raising the Nation's awareness of the plight of homeless veterans, traveling some 20,000 miles a month to visit with veterans in recovery programs and offer encouragement.

Mrs. Henry's father and uncle provided the inspiration for her to commit herself to the issue, as they both had suffered and recovered from substance abuse and ultimately homelessness following their military service. The work that Heather French Henry has done on behalf of homeless veterans did not stop at the end of her reign, but has continued on. This bill is a testament to her profound dedication.

I also thank my good friend and colleague Senator WELLSTONE for his strong dedication to this issue. His unwavering commitment to homeless veterans was exemplified by his introduction of the Senate version of the bill and his tenacious efforts to get it passed. I applaud his efforts on behalf of this forgotten segment of the veterans population.

Finally, Mr. President, I recognize the hard work of Alexandra Sardegna of the Democratic staff of the Committee on Veterans' Affairs; Bill Cahill of the Republican staff of the Committee; and John Bradley and Susan Edgerton of the House Veterans' Affairs Committee in developing this legislation and seeing it through the legislative process.

I ask unanimous consent that a summary of provisions be printed in the RECORD.

There being no objection, the materials were ordered to be printed in the RECORD, as follows:
