The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Ohio (Mr. LATOURETTE) and the gentleman from Tennessee (Mr. CLEMENT) each will control 20 minutes.

The Chair recognizes the gentleman from Ohio (Mr. LATOURETTE).

Mr. LATOURETTE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 3441 realigns transportation policy responsibility within the Department of Transportation and was requested by the Department. As the Department of Transportation reorganizes and refocuses its efforts to ensure America’s transportation security, it is important that it is able to develop policy across transportation modes.

Under the current organization of the Department, policy development is spread over three offices within the Department of Transportation. This results in a fragmented approach to policy development. The purpose of this bill is to provide a seamless, long-range and strategic approach to development of policy in DOT by establishing a new Under Secretary for Transportation
