

IN RECOGNITION OF JUDGE JULIO FUENTES, HONOREE OF NOSOTROS MAGAZINE'S 33RD ANIVERSARY GALA AWARD BANQUET

HON. ROBERT MENENDEZ

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 28, 2001

Mr. MENENDEZ. Mr. Speaker, I rise today to recognize Judge Julio Fuentes, who will be honored at the 33rd Anniversary Gala Award Banquet of Nosotros Magazine on Saturday, February 21, 2001. The Banquet is an annual event that honors distinguished Hispanic leaders for their important contributions to society. This is an opportune time for today's Hispanic leaders to reflect on the economic, political, and cultural contributions that Hispanics have made to American society.

Judge Fuentes was born in Puerto Rico and raised in Toms River, New Jersey. He served in the U.S. Army from 1966 to 1969 as a military police officer. He earned his Bachelor's Degree at Southern Illinois University and his Juris Doctor at the State University of New York at Buffalo. While serving as a judge, Fuentes earned two Master's Degrees, one in Latin American Affairs at New York University and one in Liberal Arts at Rutgers University.

Throughout his career, Judge Fuentes has served with distinction and honor. For over 20 years, he has proven to be an impartial, openminded, bright, and dedicated public servant at the Municipal, Superior, and Appeals Court levels.

Judge Fuentes's recent appointment to the 3rd U.S. Court of Appeals resonates with historic significance: He is the first Hispanic ever to be appointed to this prestigious court. As a result, the judicial branch is one step closer to reflecting America's rich diversity.

In honoring Judge Julio Fuentes, Nosotros Magazine is promoting the most important values in American society today: Hard work, dedication, and compassion. Judge Fuentes embodies these American ideals; and, throughout his career, he has worked tirelessly to provide others with the opportunity to meet the standard of excellence he has set.

Because of community leaders like Judge Fuentes, the Hispanic community is not only experiencing economic empowerment, but also political strength. Today, we prepare for a future that reflects our years of hard work, and our commitment to each other.

Today, I ask my colleagues to join me in recognizing Judge Julio Fuentes for his many contributions to the Hispanic community.

TRIBUTE TO SUSAN REHRER

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 28, 2001

Mr. VISCLOSKY. Mr. Speaker, it is with great pleasure and admiration that I congratulate Ms. Susan Rehrer as she retires after 21 years of dedicated service to the Visiting Nurse Association (VNA) of Northwest Indiana. A retirement celebration will be held for her on Tuesday, March 6, 2001 at the Center for the Visual and Performing Arts in Munster, Indiana.

As Executive Director of the VNA for the past 13 years, Susan has been directly responsible for the management and administration of the agency's programs and services. She has been instrumental in leading the VNA through many different changes, including industry upheaval, market influx, new innovative programming and financial viability. Through her diligence the VNA has not only survived through these difficult changes, but it has thrived in the midst of the industry's transition.

Susan's leadership helped to successfully develop the Critical Pathways program. This program is an individualized patient care plan which relies on precise, detail-oriented infor-

mation. It has revolutionized the industry by allowing each patient to receive the care needed. Susan is extremely proud of the development of this program, and her hard work has helped to ensure its success.

During her years at the VNA, Susan has demonstrated a sincere love for the community in which she lives. In addition to improving the lives of others through her professional career, she has also volunteered her time to champion many causes aimed at bringing comfort to those in need of assistance. She has played an active role in the Healthy Start program, a community-based infant mortality reduction plan employed in many areas of Northwest Indiana and throughout the country. Susan is also involved in the Healthy East Chicago program, designed to mobilize individuals and resources to promote a healthy community.

For all of her conscientious efforts, both professionally and voluntarily, Susan has been recognized by her peers. She has earned numerous state and national awards for excellence in the health care industry. Her dedication to the VNA movement and home health care in Indiana has been extraordinary. She is a true believer in the industry's importance and its ability to improve the lives of those who otherwise would live in discomfort.

Mr. Speaker, I respectfully ask that you and my other distinguished colleagues join me in congratulating Ms. Susan Rehrer for her 21 years of service to the Visiting Nurse Association, and the last 13 years as the Executive Director. Susan has shown impeccable leadership abilities as well as an undying love for her community. The people of Northwest Indiana will surely miss her enthusiasm, but we thank her for her years of service and wish her happiness in her well-deserved retirement.

INTRODUCTION OF THE MORRIS K. UDALL ARCTIC WILDERNESS ACT OF 2001

HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 28, 2001

Mr. MARKEY. Mr. Speaker, one of the most magnificent wildlife reserves in America has been targeted for oil and gas development. It is threatened as never before, and will lose its wild, untrammled character forever if we do not organize to fight this threat. Today, Rep. NANCY JOHNSON and I are introducing the Morris K. Udall Arctic Wilderness Act of 2001, with more than 120 cosponsors, Republican and Democrat, all united in their goal to preserve this precious wilderness in its current pristine, roadless condition for future generations of Americans.

We have a bipartisan legacy to protect, and we take it very seriously. It is a legacy of Republican President Eisenhower, who set aside the core of the Refuge in 1960. It is a legacy of Democratic President Carter, who expanded it in 1980. It is the legacy of Republican Senator Bill Roth and Democratic Representative Bruce Vento and especially Morris Udall, who fought so hard to achieve what we propose today, and twice succeeded in shepherding this wilderness proposal through the
