

February 28, 2001

Protect our future fate,
Martin King's posterity
Is waiting at the gate.
Angel in the whirlwind
Wrestle with the terror:
Tornado twisted greed;
Volcanoes belching
Ashes of indifference;
Human kind's highest hope
Strangling on a golden rope;
Merciful empire
That might've been,
Critically infected now
By the virus of public sin;
Giant graves reserved for midget men.
Angel in the whirlwind
Stay to save the brave and free,
Bring back judicial integrity,
Point us toward eternity,
Come steer us through new storms,
Angel in the whirlwind.

PRASAD CHILDREN'S HEALTH PROGRAM

HON. BENJAMIN A. GILMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 28, 2001

Mr. GILMAN. Mr. Speaker, February has been Children's Health Month. Today, on the last day of the month, it is an appropriate time to reflect on how important the health of our young people is to the future of our Nation. A strong, vibrant citizenry is the very keystone to our future. Today, in the wealthiest economy in the history of the world, there is no excuse to put the health of our boys and girls on the back burner.

I have been made familiar with a program which performs such exemplarily health service that it is an appropriate model for health programs throughout the United States.

The PRASAD Children's Dental Health Program (CDHP) voluntarily serves all the young people in Sullivan County, New York. It provides health education, fluoride with parental

consent, and restorative care through a mobile clinic that travels to every school district in Sullivan County.

The outstanding volunteers of PRASAD Children's Dental Health Program go into the schools to educate the children, provide free toothbrushes, and help fight the scourge of tooth decay and gum disease.

The program is targeted to children who qualify for the free lunch program, have Medicaid or Child Health Plus for their insurance, or who have no dental insurance. The health education and fluoride prevention aspects of the program are available to all children, regardless of parental income.

PRASAD CDHP has been in existence for five years and is supported wholly with private donations.

Mr. Speaker, tooth and gum disease is the number one chronic health problem of children in our nation. It is five times more common than asthma, and seven times more common than hay fever. It is estimated that 18 million school hours are lost each year by children due to dental problems.

I am greatly impressed by the outstanding service performed by the PRASAD Children's Dental Health Program. Dyan Campbell who is the national Program Director, is seeking the wherewithal to expand the program nationwide. I believe that Ms. Campbell and her program are deserving of our support and our kudos.

Mr. Speaker, I invite all of our colleagues to join with me in saluting this truly outstanding program—a role model for our nation's children's dental health.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate on February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules committee—of the time, place, and purpose of the meetings, when scheduled, and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
