

women with fewer resources to fight their breast and cervical cancer. This legislation needs quick enactment to ensure that Native American and Alaskan Native women receive this needed assistance.

The Senate already passed this legislation by unanimous consent. This bill is supported by the American College of Obstetricians and Gynecologists and American Cancer Society among others. I am pleased that the House will address this very important issue this year.

I wish to extend my appreciation and recognition as well to my colleagues on both sides of the aisle who have worked on this issue, including the lead sponsor Representative TOM UDALL. I also want to commend Representative ANNA ESHOO, who worked tirelessly last year to make this State option under Medicaid a reality. I urge my colleagues to join me in supporting this bill.

Mr. GILLMOR. Mr. Speaker, I yield back the balance of my time.
