□ 1837

So (two-thirds having voted in favor thereof) the rules were suspended and the concurrent resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. FILNER. Madam Speaker, on rollcall No. 52, I was unavoidably delayed by flight cancellations. Had I been present, I would have voted "yea."

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF MOTIONS TO SUSPEND THE RULES

Mr. DIAZ-BALART, from the Committee on Rules, submitted a privileged report (Rept. No. 107-23) on the resolution (H. Res. 92) providing for consideration of motions to suspend the rules, which was referred to the House Calendar and ordered to be printed.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 247, TORNADO SHELTER ACT

Mr. DIAZ-BALART, from the Committee on Rules, submitted a privileged report (Rept. No. 107-24) on the resolution (H. Res. 93) providing for consideration of the bill (H.R. 247) to amend the Housing and Community Development Act of 1974 to authorize

communities to use community development block grant funds for construction of tornado-safe shelters in manufactured home parks, which was referred to the House Calendar and ordered to be printed.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 526

Mr. BRADY of Texas. Madam Speaker, I ask unanimous consent that my name be removed as a cosponsor from H.R. 526. My name was mistaken for the gentleman from Pennsylvania (Mr. ROBERT BRADY).

The SPEAKER pro tempore (Mrs. BIGGERT). Is there objection to the request of the gentleman from Texas?

There was no objection.

IMPROVING SERVICE AND SAFETY OF FIRE FIGHTERS THROUGH THE ACCESS TO THERMAL IMAGING CAMERAS ACT

(Mr. GRUCCI asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GRUCCI. Madam Speaker, it takes approximately 28 minutes for responding fire fighters to search the average home by conventional means, which requires fire fighters to crawl on their hands and their knees, feeling for victims. Thermal imaging cameras reduce the search time to 2 or 3 minutes, letting fire fighters see through the darkness to the location of the fire and, more importantly, to the location of the victims.

According to the National Fire Data Center, each year in the United States 5,000 people die and 25,000 are injured in fires, and approximately 100 fire fighters are killed annually in duty-related incidences. Thermal imaging cameras can help save the lives of both the victims of a fire and the fire fighters themselves. However, only a handful of our Nation's fire departments can afford the more than \$15,000 for this technology.

For this reason, the gentleman from Pennsylvania (Mr. WELDON) and I have introduced the Access to Thermal Imaging Cameras Act, which authorizes the director of the Federal Emergency Management Agency, FEMA, to make competitive grants to local fire departments for the purposes of acquiring thermal imaging cameras. Similar legislation was very popular with fire fighting organizations and had over 45 cosponsors in the 106th Congress.

Madam Speaker, I ask my colleagues to please join me in providing our local fire fighting departments with the opportunity to improve the quality of their lives and service.

SPECIAL ORDERS

The SPEAKER pro tempore. Under the Speaker's announced policy of January 3, 2001, and under a previous order
