EXTENSIONS OF REMARKS

HON. HEATHER WILSON
OF NEW MEXICO
IN THE HOUSE OF REPRESENTATIVES
Thursday, March 29, 2001

Mrs. WILSON. Mr. Speaker, in honor of Women's History Month, I asked New Mexicans to send me nominations of women in New Mexico who have given special service to our community, but may have never received recognition for their good deeds.

I received twenty-eight worthy nominations describing sacrifices and contributions these women have made for our community. I was particularly moved by the more than 100 nominations received for Mrs. Virginia “Ginny” Eubanks, Principal of Eisenhower Middle School in Albuquerque, New Mexico. The nominations came from current students, former students, teachers and parents all describing Mrs. Eubanks’ caring, professional, and enthusiastic style of leadership.

I would like to share with you quotes from the people who appreciate the job she has done at Eisenhower Middle School and love her for the contributions she has made to the thousands of lives she has touched.

Teachers and parents say:

I am thoroughly impressed with the dedication, professionalism and enthusiasm of Mrs. Eubanks. She consistently commends the students, stating that they impressed and inspired her daily.

I believe she is the driving force at Eisenhower which has resulted in the school being rated exemplary status—one of only two middle schools in New Mexico to receive this ranking. She has high standards and has assembled an excellent team.

Mrs. Eubanks is a good example of what it takes to live an honest and productive life. She has proven to be a great benefit for our children. Her door was always open to everyone.

She is the reason I continue to teach. She created an environment that had high expectations for students and staff, while at the same time allowing all to experience the joy of learning and the safety of belonging.

In their nominations, students told me:

I think Mrs. Eubanks is really cool. She is nice and doesn’t get me in trouble. She supports kids, she is very involved in her school and does not sit around when something happens, she acts on it.

Mrs. Eubanks will always try things that will stand out. Like if we sold a lot of magazine orders she would do something crazy like have a pie thrown at her or she would offer to be in the dunk tank. Just an all around great person.

She is very helpful in time of need. She would talk it through and find away to make it better. If a student came up with an idea she would help make it work. She’s always been there for the students.

Mrs. Eubanks is always there for people. She is open-minded and never turns anyone away from their goals. I find that my middle school experience has well prepared me for high school, and Mrs. Eubanks as the head principal of the school set the tone for that good experience.

She always has something positive to say to the students and has inspired me to do my best. Mrs. Eubanks has led us to have better test scores. She turned the school into a better place.

Mrs. Eubanks is very sweet and considerate. I remember once in 6th grade that she let me put my purse in her office. It was at a dance and I couldn’t fit it in my locker. So I was just carrying it around when she said “Would you like me to put your purse in my office.” She is so nice.

Mrs. Eubanks has changed my life for the best. She has taught me how to let people feel good about the best of their abilities. She taught us how to care for each other.

This school is nice and at times fun. She gives a zest to the school. She helps keep the school in line and keeps it at the top of its rank. She keeps us motivated.

Ginny Eubanks has made a positive impact on the people she has taught—young and old alike. She is a role model for education and leadership. Mrs. Eubanks is on a leave of absence due to illness and as one student said, “she is always there for us and when we are in need, so it’s now our turn to help her.”

Virginia Eubanks is a woman of courage and vision, an exemplar of what an educator should be. She knows it takes the best education to give children the tools they need to build wings for their dreams. She inspires students, by her own example, to care for another and be supportive, values that would benefit every classroom in America.

Please join me in thanking a distinguished educator, Virginia Eubanks, for her faithful service to our children and the nation.
