IN RECOGNITION OF ERNEST PEPPLES AND HIS SERVICE TO THE U.S. TOBACCO INDUSTRY

Thursday, March 29, 2001

Mr. SAXBY CHAMBLISS
OF GEORGIA
IN THE HOUSE OF REPRESENTATIVES

Mr. CHAMBLISS. Mr. Speaker, I would like to take a moment to recognize an individual, Ernest Pepples, for his significant efforts on behalf of a valuable yet ever more challenged industry. Ernie has had a distinguished and honorable career within the global and U.S. tobacco industry and deserves the recognition of Congress at the time of his retirement.

Mr. Ernest Pepples joined Brown & Williamson Tobacco Corporation in 1972 and was appointed vice president and general counsel and became a member of the company’s board of directors in 1975. He was named senior vice president in 1980. At the time of his retirement, he was responsible for the company’s legislative representation and government affairs efforts including its relations with Congress.

Prior to joining Brown & Williamson, he was partner in the Louisville, Kentucky, law firm of Wyatt, Tarrant & Combs. A native of Louisville, Mr. Pepples is a graduate of Yale University and the University of Virginia Law School. He also is a member of the American, Kentucky, and Louisville Bar Associations.

Throughout his career, Ernie has served in leadership positions for a variety of boards and councils including the board of directors of the Tobacco Merchants Association of Princeton, New Jersey, and the Kentucky Tobacco Research Board of Lexington, Kentucky.

Now, in recognition of his retirement from Brown & Williamson and the tobacco industry after 30 years of service, I believe he should be duly recognized by this body for his integrity and personal efforts to find common ground on many difficult issues. Indeed, Ernie developed a reputation as a leading expert on regulatory and business issues involving not only tobacco manufacturers but also tobacco growers, suppliers, consumers, wholesalers and retailers. My district in Georgia has been a direct beneficiary of Ernie’s talent.

It is with this background that I say thank you Ernie for your dedication and service over the years and congratulate him on an outstanding career. I wish him every future success.

HON. JILL PRYCE
OF OHIO
IN THE HOUSE OF REPRESENTATIVES

Ms. PRYCE of Ohio. Mr. Speaker, I rise today to congratulate an individual, Oscar Feldenkrais, on being honored for receiving the National Community Service Award by the Simon Wiesenthal Center.

Oscar Feldenkrais has become a successful entrepreneur and civic leader in the South Florida community. Following the wonderful example of success established by his father, Simon Wiesenthal Center Trustee and Miami leader, George Feldenkrais, Oscar diligently worked to build his empire in the apparel field. He began his career while still a student in high school, first in retail sales and then working at the headquarters of Supreme International, the company his father started. He has been President and Chief Operating Officer of Perry Ellis International since 1992.

Oscar is actively involved with the State of Israel Bonds for which he has served as president of the Cuban Hebrew Division. He has devoted his time and attention to the Greater Miami Jewish Federation, Temple Menorah of the Lehm Day School and is currently the chairman of the Florida Israel Chamber of Commerce.

First and foremost of all his accomplishments, he is the proud and loving father of three beautiful daughters (Jennifer, Erica and Stephanie) and is deeply devoted to his wife, Ellen. I want to join with his family, friends, and colleagues in celebrating this outstanding honor and I wish him every future success.

HONORING OSCAR FELDENKRAIS

Thursday, March 29, 2001

Mr. Speaker, I rise today to thank the greatest goaltender of all time, Dominik Hasek, for his most generous gift to the city of Buffalo, NY. Yesterday, the Dominator provided $1 million—the largest single donation ever by a Buffalo athlete—to establish a new charitable foundation called Hasek’s Heroes. The money will be used to create a hockey and skating program for underprivileged Buffalo youth.

The program, to go into effect in September, will be overseen by a board of directors and operated by the Community Foundation Officer for Greater Buffalo. The program will include a USA Hockey-certified coaching staff, and will initially be open to children ages 6–14.

The plan is to expand the program to those 18 and younger and establish teams that will play a competitive schedule throughout the region.

In closing, I want to once again thank the Dominator for becoming a Donator, and as a loyal Sabres fan I look forward to watching him shutdown the rest of the Eastern Conference in the upcoming NHL playoffs.
