East Most Improved Player award and she was also voted to the honorable mention all-Big East team.

Junior Ericka Haney served as valuable and versatile starter for the Irish. Haney helped spark the Irish comeback against Connecticut in the semifinal game. Sophomore Alicia Ratay proved to be one of the nation’s top perimeter shooters and she was a candidate for All-American honors. Ratay led the nation in three point shooting percentage and was honored with a third-team all-Big East distinction.

Sophomore reserve players, Amanda Barksdale, Monique Hernandez, and Karen Swanson, and freshmen Jeneka Joyce and LeTania Severe provided valuable minutes throughout the season. With such young talent, the Irish basketball program has a promising future.

Mr. Speaker, in conclusion, the 2001 Notre Dame Women’s Basketball Team deserves to be recognized for their Championship caliber play, their tenacity and their exemplary sportsmanship. I am proud and deeply honored to recognize this magnificent achievement. Go Irish!

RECESS

The SPEAKER pro tempore. Pursuant to clause 12 of rule I, the Chair declares the House in recess until 2 p.m. Accordingly (at 12 o’clock and 54 minutes p.m.), the House stood in recess until 2 p.m.

PRAYER

The Reverend Dr. Ronald F. Christian, Lutheran Social Services, Fairfax, Virginia, offered the following prayer:

God of all mercy and grace, look kindly upon all Your people this day in both the celebrations and the sufferings of life. Shield the joyous from pride and relieve the grieving of their sorrow.

Where health of body and mind is in jeopardy, grant a full measure of Your healing and hope. Where conflict and distrust between people are present, provide a quiet and calm refrain in the clamor of their strife. And where hunger and thirst are Your children’s basic needs, challenge all those with an abundance of this world’s possessions the desire to be good stewards and to share with others from their own storehouses of wealth.

Wherever hate outranks love, wherever sadness is more common than joy, wherever retaliation is the first acceptable alternative to mercy, then and there, Oh God, we pray, give to all of Your people a sense of what Your justice for our world might mean, and let Your peace ever rule in our lives. Amen.

IN MEMORY OF JAKE SINIAWSKI

(Mr. CHABOT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CHABOT. Madam Speaker, Jim and Carol Siniawski lost their little boy last month. Their son Justin lost his brother. I lost a special friend. It was an honor and a privilege to have gotten to know Jake Siniawski. Jake suffered from a rare blood disorder called Fanconi anemia, which ultimately claimed his life. He was only 10 years old.

While he was quite ill for much of his short life, his obituary in the Cincinnati Post noted that Jake was an inspiration to everyone and lived life to the fullest every day.

The medical community worked hard to provide a cure for Jake. The good people of St. Bernard’s Church sponsored a marrow-typing blood drive in an effort to find a compatible bone marrow donor. His family and friends and neighbors always remembered him in their prayers. Those who loved him did all that they could.

I have talked about Jake on this floor in the past, and I know my colleagues in the United States Congress join me in expressing our condolences to Jake’s loving family.

Madam Speaker, we can help boys and girls like Jake by participating in the National Marrow Donor Program. All it takes is a simple blood test. It could save a life. God bless you, Jake.

SINO-AMERICAN RELATIONS

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Madam Speaker, China is holding two dozen American citizens who were forced to make an emergency landing after an air collision that appears to be the fault of the Chinese Air Force. They are not just holding American citizens, they are also holding very sensitive American technology. Causing this collision and holding the plane and its crew are flagrant violations of international agreements China is party to. What other agreements will they violate? It may be
