Mr. Speaker, I know my colleagues will join me in wishing Sheila our best as she moves into the next phase of her career, and in thanking her for making our courts accessible and efficient for all.

CONGRATULATING NOTRE DAME’S WOMEN’S BASKETBALL TEAM

HON. PETER T. KING
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 4, 2001

Mr. KING. Mr. Speaker, I rise today to note that Notre Dame is again a national champion. This past Sunday, Ruth Riley’s two free throws with 5.8 seconds left secured a 68–66 victory over Purdue and gave the University of Notre Dame its first ever women’s basketball national championship. Mr. Speaker, you can now add the names Riley, Ivey and McGraw to the rich tradition of Notre Dame athletics. The same institution which produced Rockne, the Four Horsemen and 21 national titles now has Muffet McGraw and a women’s basketball national championship. It came down to two great teams, both struggling valiantly and never quitting. It truly was a classic confrontation. I want to commend Coach McGraw and the Fighting Irish for their class, grit and determination. Congratulations! Notre Dame is a winner again. Go Irish!

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate on February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules committee—of the time, place, and purpose of the meetings, when scheduled, and any cancellations or changes in the meetings as they occur daily.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.

Meetings scheduled for Thursday, April 5, 2001 may be found in the Daily Digest of today’s RECORD.
