felt about completing that bridge project. He understood the economic importance this bridge would have for the Shoals area, and he worked side by side with us here in Washington to find funding for this worthy project. Thanks to his leadership, the bridge is nearly complete.

I also remember Eddie Frost proudly taking me on a tour of his city’s recycling center. I admired greatly his use of city prisoners to separate garbage. It provided work for the prisoners, relieved landfill costs, and produced revenue. I have long advocated such projects and have never seen one better run.

Eddie Frost was also instrumental in helping the City of Florence land the NCAA Division II National Football Championship game in 1986. This is a world-class event, and the game has been very successful in Florence. The game has been a success because of the hospitality shown to the players, coaches, and fans by Eddie Frost, the championship committee, and the great people of Florence, Alabama. In December, the city will celebrate the 16th consecutive Division II Championship game in Florence. In addition to football, Eddie Frost brought his love of basketball to Florence. The city is now the home of the annual Alabama-Mississippi high school all-star basketball game.

He was involved in many civic and volunteer organizations, and his life was full of many achievements. He served as President of the Alabama League of Municipalities, Chairman of the American Public Gas Association, Chairman of the Board of Eliza Coffee Memorial Hospital, the hospital in which my eldest daughter was born, and he was Past President of the North Alabama Development Commission. He was a Deacon at Highland Baptist Church in Florence, active in the Northwest Alabama Boys and Girls Club, the United Way, the Lauderdale County Heart Association, and the Leukemia Society of America.

In 1993 he was named the Florence Civic Citizen of the Year. He was the University of North Alabama’s Alumnus of the Year in 1988, a member of the University of North Alabama Athletic Hall of Fame. Last month he was inducted into the Lauderdale County Sports Hall of Fame and the Alabama High School Sports Hall of Fame.

Eddie Frost not only left his mark on the city of Florence, the Shoals area, and the State of Alabama, he left an impression on our hearts. He was honest, out-going, and he was genuine. But most importantly, he loved people, and he cared deeply for them. He loved his wife Bonnie and their three children. I want to offer my sincerest condolences to them. I know the last few months since he was diagnosed with leukemia have been especially difficult for them.

They will always miss Eddie, but they can take great pride in the life he led, and the hearts he touched along the way.

Statement

Mr. CONRAD. Mr. President, last month the North Dakota State University wrestling team once again showed the strength, grit and determination of North Dakotans by winning the NCAA Division II wrestling championship. Not only was this the second consecutive championship for the Bison, it was the fourth national title in school history.

As a native North Dakotan, I am exceptionally proud of this accomplishment. Defending their NCAA Division II Championship, the Bison finished 7½ points ahead of second place South Dakota State University in the NCAA Division II finals on March 10. This year’s dramatic victory came down to the wire needing a victory by Bison heavyweight Todd Fuller. Severson rose to the occasion by pinning an opponent he has never previously beaten. The stage for the upset heavyweight finale was set when each of the other Bison finalists, Todd Fuller and Steve Saxlund, did their part by becoming national champs at 174 and 184 pounds. For Saxlund, this was an impressive third straight national championship.

I congratulate the Bison wrestling program. Exceptional coaching, determined wrestlers, and remarkable teamwork led the Bison to their fourth national championship. They qualified all 10 members of their wrestling squad for the NCAA tournament. With all but one returning for next season, I expect to have the opportunity to make a similar announcement next year regarding the Bison’s success in the world’s oldest sport. Again, on behalf of all North Dakotans, I extend congratulations to the Bison on yet another successful season and wish the best of luck to the entire team.

Tribute

Mr. BINGAMAN. Mr. President, I learned this morning that Mary Walters, one of New Mexico’s most outstanding citizens has died at age 79. She was a woman of integrity and honor whose achievements to her credit, I salute Dr. Thomas E. Starzl for his remarkable dedication and honor his contribution to the life-saving field of organ transplantation.
