

are ever to stop such inhumane treatment, we must ensure that we speak the truth about the past. We must ensure that our young people hear the wrongs that have been committed against humanity, so that they have the opportunity to stand firmly for basic human rights as they rise to become our leaders.

As a nation, the United States speaks often about respect for human rights. I am proud that we hold such values so close—but until will accept the truth about atrocities like the Armenian Genocide we fail to reach our goals.

#### BEADS OF HOPE PROJECT

### HON. CONSTANCE A. MORELLA

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 25, 2001*

Mrs. MORELLA. Mr. Speaker, lymphoma advocates are coming to Washington, DC for the 3rd annual Lymphoma Advocacy Day on April 25, 2001 to unveil a project that will put the rising incidence of lymphoma into perspective for Members of Congress and the public.

Mr. Speaker, according to the American Cancer Society, 1996 saw over 85,000 new cases of lymphoid malignancies in the United States. These included Hodgkin's and non-Hodgkin's lymphomas, the lymphocytic diseases known as CLL (chronic lymphocytic leukemia) and ALL (acute lymphoblastic leukemia) as well as multiple myeloma. Lymphoma is the second most rapidly rising cancer over the last 20 years. Sixty percent of all childhood malignancies are lymphomas or their cousin, leukemia.

The project being unveiled is called "Beads of Hope", it consists of a necklace of beads to symbolize the 64,000 Americans who will be diagnosed with lymphoma in 2001. Each bead represents one newly diagnosed person.

Mr. Speaker, these Beads of Hope have a story of their own that I would like to share, it makes me proud to be an American. The project was conceived by Karl Schwartz, whose wife, Joanne, is a non-Hodgkin's lymphoma survivor. Karl circulated his idea over several lymphoma Internet list-servers and received an enthusiastic response. One member of his email group, Jessica Chen, took off with the bead idea, shared it with Debra of the Bead Fairies and received a donation for all 64,000 beads from The Beadery of Hope Valley, Rhode Island.

Email group members are volunteering to string beads in sections that will be brought to Washington, DC and assembled on Capitol Hill. Jessica estimates that when connected the necklace will be 600 yards long! At the suggestion of Cure For Lymphoma board member Katherine Adams, advocates will continue the theme by wearing beaded safety pins on their clothing and distributing pins to Members of Congress with whom they will be meeting on the 25th. Each bead on a pin will represent one year of being touched by lymphoma.

I ask my colleagues to show your support for this caring initiative by wearing these beaded pins. Make and distribute pins to your family, friends, business associates and Congressional reps. Carry the theme forward into Na-

tional Lymphoma Awareness Week (Oct. 7–13).

I thank the Lymphoma advocates who have come to our Nation's Capitol, I thank the Lymphoma Research Foundation of America for all the hard work they have done to fight this dreaded disease. As you know I strongly support the increased funding of the National Institutes of Health, and hope to see its budget doubled over the next five years, and with that hopefully diseases such as lymphoma will become history.

#### PERSONAL EXPLANATION

### HON. JAMES P. MORAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 25, 2001*

Mr. MORAN of Virginia. Mr. Speaker, on Rollcall No. 87, 1 was unavoidably detained on official business. Had I been present, I would have voted "nay."

#### TRIBUTE TO THE FINLANDIA UNIVERSITY LIONS FOR THEIR NSCAA BASKETBALL CHAMPIONSHIP

### HON. BART STUPAK

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 25, 2001*

Mr. STUPAK. Mr. Speaker, I'd like to say a few words about a great accomplishment by a small university in my congressional district—one of the nation's newest universities, as a matter of fact.

Finlandia University in Hancock, Michigan, up on the beautiful Keweenaw Peninsula, is less than a year old. That age is deceiving, however. Finlandia is actually a new name for Soumi College, a school founded by Finnish immigrants in 1896 to ensure their children would have a better life through advanced education.

One of the qualities of Finnish culture is a respect for the quality of "sisu," translated variously as persistence, determination, drive, or stamina. The Finlandia Lions, the university's basketball team, recently demonstrated the characteristic of sisu by capturing the National Small College Athletic Association national championship in basketball.

The team entered the tourney with a 14–14 record and came up in the first round against St. Mary's College of Ave Maria University, an Orchard Lake, Mich., school. After defeating St. Mary's by a score of 76–50, Finlandia University next faced the tournament's No. 1 seed, Northwest Christian College from Eugene, Ore. In a comeback victory, 69–66, Finlandia won the right to meet Southern Virginia College of Buena Vista, Va., which it defeated 98–84 to take the title.

The Finlandia Lions basketball team was led by second-year coach Art Van Damme and assistant coach Duane Snell. Nine Michigan students and one student from Finland make up the roster of the National Small College Athletic Association championship team. Team

members are Nick Forgette and Jacob Polfus of Carney; Jeffrey Stiefel of Capac, Jeremy Suardina of Gwinn; John Abramson, Painesdale; Mark Nolan, Watton; Jon Paul Katona, Negaunee; Pete Flaska, Ishpeming; Bill Loeks, Iron Mountain; and Marcus Ylainen of Helsinki, Finland.

Mr. Speaker, Finlandia University is the only private university in Michigan's Upper Peninsula and one of only 28 colleges and universities in the U.S. affiliated with the Evangelical Lutheran Church in America. In its vision statement, Finlandia University says it is "committed to offering liberal arts based, globally connected, international, ecologically sensitive, spiritually engaged and career focused baccalaureate and associate degree programs as well as community education opportunities."

Clearly, Mr. Speaker, Finlandia is also offering its students an opportunity to cheer for one heck of a basketball team. I ask you and my House colleagues to join me in offering the warmest congratulations to Coach Van Damme and the Finlandia Lions for their success in capturing the NSCAA basketball crown.

#### SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate on February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules committee—of the time, place, and purpose of the meetings, when scheduled, and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.

Meetings scheduled for Thursday, April 26, 2001 may be found in the Daily Digest of today's RECORD.

#### MEETINGS SCHEDULED

##### MAY 1

9:30 a.m.

##### Armed Services

To hold hearings to examine the report of the panel to review the V-22 Program.

SH-216

##### Commerce, Science, and Transportation

To hold hearings to examine climate change issues.

SR-253

10 a.m.

##### Appropriations

##### Energy and Water Development Subcommittee

To hold hearings on proposed budget estimates for fiscal year 2002 for certain Department of Energy programs relating to Energy Efficiency Renewable Energy, science, and nuclear issues.

SD-124
