

innovation and experimentation was greeted with skepticism by many within the industry, Robert O. persevered and soon moved on to larger refineries, eventually becoming Chairman and CEO of Arco, the Atlantic-Richfield Company, all the while bringing robust economic development and hundreds of jobs to New Mexico.

At Arco, Robert O. was instrumental in bringing Alaska into the twentieth century. In fact, Alaska's history is closely intertwined with Arco and with Robert O. Anderson. Under his leadership, Arco discovered one of Alaska's greatest natural resources: the Prudhoe Bay oil field. As Arco developed the Prudhoe Bay, Robert O. surprised the environmental community by working with them to ensure that the pipeline was completed in an environmentally responsible manner. Throughout his career, Robert O. Anderson has brought economic prosperity to Alaska, while respecting and preserving its natural treasures.

In fact, the United States owes Robert O. Anderson a special debt of gratitude in our current era of energy crises. The U.S. depends heavily on the Prudhoe Bay oil field, which provides 25 percent of our domestic oil supply. When Prudhoe Bay was first discovered, skeptics claimed that the U.S. could do without its oil supply. They also claimed that the local wildlife would be irreparably harmed. And now, three decades later, the Prudhoe Bay area provides us with over 1.4 million barrels of oil a day. And virtually every study has concluded that not one of the local species of wildlife has declined. Rather, every single species has thrived. Imagine the position the U.S. would be in if Robert O. had listened to these skeptics. Everyone agrees that we are too dependent on foreign sources of energy, but imagine how dependent we would be if it were not for Robert O. Anderson.

In addition to oil, Robert O. Anderson's other business interests have included cattle ranching, mining and milling, and general manufacturing. He has served on the board of directors of the National Petroleum Council since 1951 and has received numerous honors and titles recognizing his extensive charitable and community work. He has also served on the Board of Regents of the New Mexico Institute of Mining and Technology and currently serves on the National Advisory Board of the University of New Mexico Anderson Schools of Management, two fine institutions in my home state. Robert O. Anderson also founded the International Institute for Environmental Development to further his lifelong passion of preserving and protecting the environment.

Once again I thank Robert O. Anderson for his years of service to our State of New Mexico and to our Nation. He has a true American story. His hard

work and determination have produced a proud legacy of accomplishments and public service.●

THE POSTAL EMPLOYEES OF THE NEW HAMPSHIRE PERFORMANCE CLUSTER

● Mr. SMITH of New Hampshire. Mr. President, I rise today to honor the Postal Employees of the New Hampshire Performance Cluster, a group of dedicated public servants who have been recognized for exemplary performance of service duties. On April 3rd of this year, The Postal Employees of the New Hampshire Performance Cluster were recognized with the Postal Service's highest award, the Chief Operating Officer Award for overall excellence in the area of customer satisfaction.

I was proud to have attended the awards ceremony in New Hampshire last weekend, and was inspired by the dedication and commitment of the award recipients.

New Hampshire Postal Employees have been honored along with four other districts in the nation receiving the Order of the Yellow Jersey Award for Excellence in customer service. This prestigious award is based on the percentage of residential customers who rated the postal service employees as excellent in four areas: overall performance, courteous and friendly clerks, consistency of mail delivery and accuracy of mail delivery.

The Postal Employees of the New Hampshire Performance Cluster have provided dedicated service to the citizens of our state. The people of our state look upon them with tremendous gratitude for all that they have done.

It is an honor and a privilege to serve the Postal Employees of the New Hampshire Performance Center in the United States Senate.●

MESSAGES FROM THE PRESIDENT

Messages from the President of the United States were communicated to the Senate by Ms. Evans, one of his secretaries.

EXECUTIVE MESSAGES REFERRED

As in executive session the Presiding Officer laid before the Senate messages from the President of the United States submitting sundry nominations which were referred to the appropriate committees.

(The nominations received today are printed at the end of the Senate proceedings.)
