A TRIBUTE TO TONY AMAYA

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. McINNIS. Mr. Speaker, I would like a moment to recognize and thank a Delta, Colorado resident who has made sure that students who are having difficulty in school get the help and support they need. Mr. Tony Amaya serves as the risk coordinator for the Delta County Joint School Task Force and the liaison coordinator for the 21st Century Learning Program.

Tony lived in Tijuana, Mexico until he was eight years old. His family then migrated to the United States. Tony spent much of his free time learning English. He got involved in sports where he eventually competed in wrestling. His dream was to qualify for the Olympics. In 1990 a Mexican international coach recruited him. He then traveled all over the world and took third in the Pan American Wrestling Championships.

After serving as a law enforcement officer for both the Montrose Sheriffs Department and the Montrose Police Department, Tony became the at-risk coordinator for the Delta County Joint School District. His job involves speaking to students who are not having a good school experience. He also works with parents and administrators to help students with their academic needs and to find and resolve the problem to keep students in school. "Life is what you make of it. If you work hard, stay away from drugs and bad companions you can follow your dream," said Tony in a Delta Tribune article.

In March, 2001, Tony was the Hispanic motivational speaker at Lincoln Elementary and Delta Middle School. He spoke to students about the dangers of drinking, smoking, using drugs and disrupting their education. "Be proud of who you are and don't forget your Spanish . . . You are our future—our doctors, lawyers, teachers, etc."

Mr. Speaker, his hard work and dedication has made Tony Amaya a role model for all the young people of his community, and especially for the Hispanic youth of the community. I would like to thank Tony for all that he has done and wish him the best of luck in the future.

EXTENSIONS OF REMARKS

RECOGNIZING THE 125TH ANNIVERSARY OF THE S.W. JOHNSON SFE CO. NO. 1

HON. BENJAMIN A. GILMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. GILMAN. Mr. Speaker, I rise today to commemorate the 125th anniversary of the founding of Samuel W. Johnson Steam Fire Engine Company No. 1, Inc. in Garnerville, New York.

On June 6, 1876 a meeting was held in Garnerville for the purpose of forming the town's first fire department. Twenty eight members were sworn in as charter members and the first resolution to be unanimously adopted was that the company be known as the "Samuel W. Johnson Steam Fire Engine Co. No. 1."

In those early years, the centerpiece of the Company's firefighting equipment was the American LaFrance Button Steam Fire Engine, originally purchased in 1869 by the Garner Print Works. The Steamer was pulled by a team of horses stabled at the Garner Print Works and it is alleged that those horses would respond to the Steamer Stall when fire alarms were sounded.

Over the years, the brave, dedicated men of the S.W. Johnson SFE Co. No. 1 have selflessly answered the call when disaster struck the town and its citizens. Most notable were their heroic efforts in responding to the major landslide which devastated part of the town in January 1906 and the high-profile rescue of three Garnerville citizens during separate incidents in 1983 and 1985, both resulting in commendation of the firefighters involved.

As the Fire Company membership declined in the 1990s, a committee was formed to investigate the possibility of initiating a "Junior Fire Fighter" program. These members, between the ages of 16 and 18, have contributed to the success of this innovative program and are instrumental as exterior firefighters to the S.W. Johnson SFE Co. No. 1.

The S.W. Johnson Fire Company enters the 21st century with its newest firefighting equipment, a 2000 gpm pumper. It is a far cry from the original Steamer that pumped approximately 150 gpm. On September 8, 2001, at 1:00 pm, time will be turned back as once again three Belgian Draft Horses will pull the 1869 Button Steamer through the streets of Garnerville, during the 125th Anniversary Parade of S.W. Johnson. This will be a special treat for the residents and will be a tribute to this outstanding example of volunteerism in America.

Accordingly, I am pleased to salute the anniversary of the founding of the Samuel W. Johnson Steam Fire Engine Co. No. 1, Inc. of Garnerville, New York.

HON. BOB FILNER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. FILNER. Mr. Speaker, I rise today to recognize Jerry Suppa, as he is honored by the San Diego-Imperial Counties Labor Council, AFL-CIO with the Friend of the Labor Council award.

Attorney Jerry Suppa has donated thousands of hours and provided critical leadership in creating the United Labor Foundation and purchasing the United Labor Center.

"For nearly twenty years, Jerry Suppa has given his time and energy to help working people, without adequate compensation," says Jerry Butkiewicz, who first met Suppa when he gave free workshops for the laid-off Cannery and General Dynamics workers when plants closed. "Although he is not a labor lawyer, Jerry Suppa has a heart for working people."

Today he continues to be the legal counsel for the United Labor Foundation, much of it pro bono.

My congratulations go to Jerry Suppa for his significant contributions. I can attest to Jerry's dedication and believe him to be highly deserving of his recognition as the San Diego-Imperial Counties Labor Council, AFL-CIO, Friend of the Labor Council award winner.
