HONORING WALTER CAMPBELL

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2001

Mr. KILDEE. Mr. Speaker, it is a great honor to rise before you today to pay tribute to a loyal friend and a tireless advocate of America's workers. On June 5, friends and family will gather in Lansing, Michigan, to honor Walter Campbell, as he celebrates his 90th birthday.

Walter Campbell was born in Manistee, Michigan in 1911. His family moved to Muskegon, where he spent most of his life. He became active in the labor movement when he joined Local 404 of the Allied Industrial Workers, AFL-CIO, in 1937, while employed by Borg Warner in Muskegon Heights. He was elected to serve the union in various capacities, including chief steward, bargaining committeeman, and president. In 1941 he took a new endeavor when he began work with the international union. He became an international representative in 1943 and remained in that position until 1967, when he was elected Regional Director of AIW Region 7 and a member of the Michigan AFL-CIO Executive Board and Executive Committee. During his tenure with the AFL-CIO, Walter held many positions and chaired several committees. In 1959, Walter was appointed by Governor G. Mennen Williams as one of two labor members of the Michigan Employment Security Commission. He was consistently reappointed and served seven consecutive terms, three of which he served as chairman. His final term ended in 1987, 11 years after his retirement from the Michigan State AFL-CIO.

Walter's commitment to labor is matched only by his tremendous commitment to improving the community. He has been a member of United Way of Michigan's Board of Directors, and chairman of the Michigan Welfare Reform Coalition. He has worked with such groups as the Michigan Diabetes Association, United Negro College Fund, and the Michigan Catholic Conference, among many others. Since retiring, Walter has devoted much of his time to the United Way, assisting them with campaigns throughout the state. Walter has given so much of himself to the community that he has been recognized for it by many organizations. He has received awards for distinguished service by the Michigan League for Human Services, Boy Scouts of America, the

Tri-County Volunteer Action Center, and the Lansing Human Relations Board. On June 9, 1979, Walter was honored by Grand Valley State College with an honorary Doctorate of Humanities.

Walter has also stood as a standard by which other community leaders are measured. In 1977, the Michigan United Labor Community Services School started the Walter A. Campbell Community Service Award to the student best demonstrating involvement in community services. In 1981, the Capital Area United Way established the Walter Campbell Award for Outstanding Volunteerism for those who stood out as an inspiration to others for community service through the United Way.

Mr. Speaker, Walter Campbell is a great humanitarian, an unselfish leader, and a true role model. In addition, he is a loving husband, father, grandfather, and great-grandfather. I personally have had the privilege of knowing Mr. Campbell for over a third of a century and I am clearly a better person because of him. He is a symbol of excellence to everyone in this nation, and is a shining example of the best our society has to offer. I ask my colleagues in the 107th Congress to please join me in wishing Walter a very happy 90th birthday, and many more to come.

CENTRAL NEW JERSEY RECOGNIZES THE TINTON FALLS LIBRARY FOR ITS ONGOING CONTRIBUTIONS TO THE COMMUNITY

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2001

Mr. HOLT. Mr. Speaker, I rise today in recognition of the Tinton Falls Library Association's 40th anniversary, which marks a milestone in the Borough of Tinton Falls' ongoing commitment to promoting literacy and to encouraging reading among borough youth. The library's ongoing service to the local community over the past four decades has truly been an invaluable asset to many residents of my district.

When the Tinton Falls Library first opened its doors in June of 1961, its total holdings amounted to a mere 2,000 volumes. Today, the library houses over 35,000 items, including a multimedia collection comprised of numerous videos, periodicals, and books on tape. Six computers (two with Internet access) are also available for public use.

For the past four decades, the library has also been committed to active service to the community of Tinton Falls. Its many programs include five-times daily Story Hours for children aged two to third grade, regular provision of books on Tinton Falls schools' Summer Reading Program lists, a Vacation Reading Club for children, as well as a group for teens that encourages community service, leadership, literacy, and volunteerism. Tinton Falls Library has also been host to a variety of borough cultural events and meetings held by local organizations.

The library's success is due to many reasons, but the main reason is the good, dedicated work of the staff and volunteers who make it work.

Once again, I would like to congratulate the Tinton Falls Library Association on its 40th anniversary. I ask my colleagues to join me in applauding its many accomplishments and efforts in service of our community.

CONFERENCE REPORT ON H.R. 1836,
ECONOMIC GROWTH AND TAX
RELIEF RECONCILIATION ACT OF
2001

SPEECH OF

HON. ED PASTOR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 25, 2001

Mr. PASTOR. Mr. Speaker, I am opposing the passage of H.R. 1836. This legislation is fiscally irresponsible and, contrary to its official title, will not result in economic growth, but could have a significant negative impact on our economy.

I support a tax cut. I have supported a tax cut since this process began in February. But this is the wrong tax cut at the wrong time. The House of Representatives and the President started this process all wrong. The President submitted this massive ten year tax cut of \$1,600,000,000,000 before he had even submitted a budget for Fiscal Year 2002. And the House proceeded to pass this huge tax cut, without having passed a budget. This is completely irresponsible. It is the equivalent of a family taking money out of circulation for the next ten years before they have sat down and decided how much they need this year for health care costs, how much they need to educate their children, how much they need to protect their home, how much they need for transportation, or how much they need for food, shelter, and clothing. Again, Mr. Speaker, I had no problem with cutting taxes, I just wanted it done in a responsible manner and after a budget had been passed.

Once the House had passed a budget, the leadership continued on its blind path of irresponsibility by insisting on the President's \$1.6 trillion cut. I supported a much more realistic plan, which would have divided the on budget surplus, the surplus after contributions to the Social Security and Medicare Trust Funds are deducted, into thirds. Under this plan, the \$2.7 trillion surplus could have been divided into \$900 billion for a tax cut, \$900 billion to further pay down the National debt, and \$900 billion to help fund National priorities such as education, veterans' health care initiatives, a prescription drug plan for our elderly, transportation infrastructure needs, disaster relief, and National defense. But now, many of these programs will go lacking because H.R. 1836 cuts \$1.35 trillion, almost half a trillion dollars more than the plan I supported.

This is only the broad perspective of this legislation, however. We must also look at it from the immediate effects it will have on the individual taxpayer. In reality, the impact on middle income Americans is virtually zero.

I support elimination of the Marriage Penalty. But, adjustments to the Marriage Penalty do not even begin until 2005. This priority of almost every Member of the House and Senate is not dealt with for four years, and not
