Resolved by the General Assembly of the State of New Jersey:

1. The Congress of the United States is respectfully memorialized to enact into law as soon as possible the "Great Falls Historic District Study Act of 2001" (S. 386/H.R. 146).

2. Duly authenticated copies of this resolution, signed by the Speaker of the General Assembly and attested by the Clerk thereof, shall be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the majority and minority leaders of the United States Senate, the majority and minority leaders of the United States House of Representatives, every member of Congress elected from this State, the Secretary of the United States Department of the Interior, the Commissioner of the New Jersey Department of Environmental Protection, the Secretary of the New Jersey Department of State, and the Chairman and the Executive Director of the New Jersey Historic Trust.

STATEMENT

This resolution would respectfully memorialize the Congress of the United States to enact into law as soon as possible the "Great Falls Historic District Study Act of 2001" (S. 386/H.R. 146).

The federal legislation, if enacted into law, would authorize the Secretary of the United States Department of the Interior to study the suitability and feasibility of designating the Great Falls Historic District in the City of Paterson, in Passaic County, New Jersey, as a unit of the National Park System, and for other purposes.

As noted in the federal legislation (S. 386), the Great Falls Historic District is an area of historical significance as an early site of planned industrial development, and it has remained largely intact through architecturally significant structures. The district is listed on the National Register of Historic Places and has been designated a National Historic Landmark, and is situated within a one-half hour's drive from New York City and a two hour's drive from Philadelphia, Hartford, New Haven, and Wilmington. The district was developed by the Society of Useful Manufactures, an organization whose leaders included a number of historically renowned individuals, including Alexander Hamilton. The Great Falls Historic District has been the subject of a number of studies that have shown that it possesses a combination of historic significance and natural beauty worthy of and uniquely situated for preservation and redevelopment.

The Great Falls Historic District was established as a historic district under federal law pursuant to the "Omnibus Parks and Public Lands Management Act of 1996."

POM-105. An assembly resolution adopted by the Legislature of the State of New Jersey relative to the repeal of the federal death tax; to the Committee on Finance.

RESOLUTION

An Assembly Resolution memorializing the Congress of the United States to enact the repeal of the federal death tax.

Whereas, Women and minorities are very often owners of small and medium-sized businesses, and the federal estate tax, or the death tax, prevents their children from reaping the rewards of a lifetime of trying to make a better life; and

Whereas, Farmers often face losing their farms because the federal government heavily taxes the estates of people who invested most of their earnings back into their farms and had only a small amount of liquid savings; and

Whereas, Employees suffer when they lose their jobs because many small and medium-sized businesses are liquidated to pay death taxes and because many high capital costs depress the number of new businesses that could offer them a job; and

Whereas, If the estate tax had been repealed in 1996, over the next nine years the United States economy would have averaged as much as \$11 billion per year in extra output, and an average of 145,000 additional new jobs would have been created; and

Whereas, Having during 2000 passed the United States House of Representatives by a vote of 279-36, and having passed the United States Senate by a vote of 59-39, elimination of the death tax has wide bipartisan support; now, therefore, be it

Resolved by the General Assembly of the State of New Jersey

1. The General Assembly of the State of New Jersey memorializes the Congress of the United States to enact legislation, currently pending in Congress, which eliminates the federal estate tax into law.

2. Duly authenticated copies of this resolution, signed by the Speaker of the General Assembly and attested by the Clerk thereof, shall be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the majority and minority leaders of the United States Senate and the United States House of Representatives, and each member of Congress elected from the State of New Jersey.

STATEMENT

This resolution memorializes Congress to enact the repeal of the federal estate tax or "death tax."
