

World Conference Against Racism. This event is scheduled to take place in Durban, South Africa August 31st to September 7th 2001. As a nation, our participation in this conference is vital. As citizens of the United States of America, we all want to see our country moving forward stronger than ever. By supporting this conference, we can make an effort to moving this country, as well as the world in the right direction.

I believe strongly that this day, June 19th is not only a celebration for African Americans, but also a celebration for our country as a whole. It represents all of the hardships that African Americans had to go through in helping construct this country and finally getting freedom and respect for the hardships they endured. As a citizen of this great country, I feel that it is America's duty to come together in showing respect to our fellow Americans on this day.

Mrs. CLAYTON. Madam Speaker, I rise in recognition of Juneteenth Independence Day that represents the end of slavery in the South. On January 1, 1863, Abraham Lincoln's Emancipation Proclamation freed all slaves. However, it was not until two and a half years later that all states were freed from bondage. Since that day on June 19, 1865, descendants of slaves have celebrated Juneteenth day. This celebration commemorates the struggles, dignity, and vision of a people who have rendered their lives for this great nation.

Although, Juneteenth Independence Day originated in Galveston, Texas, this day of celebration delineates the importance of African American history all over the United States. In my district, a small town called Princeville reaps the benefit of Juneteenth Day. Princeville, the nation's oldest black chartered town was incorporated in February 1885 by the North Carolina General Assembly. The town of Princeville began as a small village of newly freed slaves who were trying to obtain their "day of jubilee." These slaves fought with grace to have something that they could call their own.

Juneteenth Independence Day completes the cycle of what we recognize as true democracy. The memories and history of that glorious day in June of 1865, has motivated African Americans as a people to continue to fight for equality for all. At this very moment, black voters in the state of Virginia have been moved by this day to get out and vote.

June 19th represents TRUE JUSTICE and TRUE FREEDOM. Let us not forget the importance that this day has impressed upon our history both past and present.

Ms. LEE. Madam Speaker, I rise today to commemorate a celebration of freedom known as Juneteenth. In cities across the country, thousands of Americans—people of all nationalities, races and religions—are assembling to rejoice and reflect upon a milestone in American history—the official end of slavery.

Celebration of Juneteenth, June 19, as Emancipation Day began in 1865 when Texan slaves were finally notified of their freedom from the shackles of slavery. Prior to June 19, 1985, rumors of slavery were widespread; however, emancipation was not granted to Texan slaves until General Gordon Granger issued an order in Galveston, Texas declaring

freedom for all slaves—some two years after President Lincoln signed the Emancipation Proclamation. When Texan slaves were finally given the news, a spirit of jubilee spread throughout the community as they prayed, sang and danced in celebration of their freedom. Newly freed slaves left the homes of slave-owners and immediately searched for family members and economic opportunities. Some simply chose to relish in their freedom. As a native Texan myself, I feel so strongly about the importance of Juneteenth and its legacy today.

Although many place significance on the untimely manner in which the news was delivered, reflecting upon the triumph and perseverance of the human spirit captures the true essence of the Juneteenth celebration. Juneteenth honors those African-Americans who traveled and survived the institution of slavery, thus encouraging free generations of African-Americans to take pride in the legacy of perseverance and strength they left behind.

As the popularity of Juneteenth grows both nationally and globally, people from all races, nationalities and creeds and realizing that Juneteenth is not only synonymous with slavery. Juneteenth represents an acknowledgment of a period in our history that shaped and continues to influence our society today.
