□ 1454

So (two-thirds having voted in favor thereof) the rules were suspended and the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

CHRSIDERING MEMBER AS FIRST SPONSOR OF H.R. 1594, FOREIGN MILITARY TRAINING RESPONSIBILITY ACT

Mr. MCGOVERN. Mr. Speaker, I ask unanimous consent that I might hereafter be considered as first sponsor of H.R. 1594, a bill originally introduced by Representative Moakley of Massachusetts, for the purposes of adding co-sponsors and requesting reprints pursuant to clause 7 of rule XII.

The SPEAKER pro tempore (Mr. FOLEY). Is there objection to the request of the gentleman from Massachusetts?

There was no objection.

2001 SUPPLEMENTAL APPROPRIATIONS ACT

The SPEAKER pro tempore. Pursuant to House Resolution 171 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 2216.

□ 1454

## IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 2216) making supplemental appropriations for the fiscal year ending September 30, 2001, and for other purposes, with Mr. BEREUTER in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. Pursuant to the rule, the bill is considered as having been read the first time.

Under the rule, the gentleman from Florida (Mr. YOUNG) and the gentleman from Wisconsin (Mr. OBEY) each will control 30 minutes.

The Chair has been advised that the gentleman from Wisconsin (Mr. OBEY) has a bit of laryngitis and, for that reason, wishes to pass control of his time to the gentleman from Pennsylvania (Mr. MURTHA). Without objection, it is so ordered.

There was no objection.

The CHAIRMAN. The Chair recognizes the gentleman from Florida (Mr. YOUNG).

Mr. YOUNG of Florida. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, I am pleased to bring to the House the 2001 Supplemental Appropriations bill. While this is the first appropriations activity on the floor of this Congress, it is actually the last appropriations action for the last Congress because this is a supplemental dealing with fiscal year 2001 funding.

The bill before us represents our best attempt to address funding shortfalls for our military, provide emergency assistance to communities impacted by natural disasters, and secure relief for consumers affected by high energy costs.

We have accomplished this within the funding levels requested by the President and approved by the Congress in the budget resolution. In other words, if we were to go above the \$6.5 billion provided in this bill, we would be violating budgetary constraints which would cause serious problems. And in the other body, the chairman of the Committee on Appropriations has said publicly that \$6.5 billion is the maximum because if they were to go over that, they would be subject to a 60-vote point of order.

Mr. Chairman, let me briefly discuss the highlights of the bill and after the gentleman from Pennsylvania (Mr. MURTHA) makes his comments, I would yield to several of the subcommittee chairmen who have played a major role in preparation of this bill.

The net funding in this bill is \$6.5 billion. However, it provides for \$6.75 billion to address these urgent defense needs, including rising fuel costs, military health care, readiness and operations requirements, substandard housing for our troops scattered throughout the world and especially in Korea, repair of damages to the U.S.S. *Cole*, disaster assistance for damage to U.S. military installations, and implementation of the Department of Defense's energy conservation plan in California and the western United States.

Also included is \$92 million sum for the Coast Guard operational needs. The bill also includes \$380 million for emergency natural disaster assistance to the U.S. Army Corps of Engineers, Fish and Wildlife Service for the Forest Service for the recent midwestern
