

Our Florida Governor signed this measure into law just a few weeks ago, on June 1.

The State of Florida has now taken action to authorize and commit \$4.5 million in State funds for high speed rail, and we respectfully ask the subcommittee's support and assistance and consideration in the future.

Mr. Chairman, I hope that the gentleman from Kentucky (Mr. ROGERS) will be able to work with my colleagues in the Florida delegation and help us identify and secure funding for this project, which also has been authorized under one of the high speed rail corridors.

Mr. ROGERS of Kentucky. Mr. Chairman, will the gentleman yield?

Mr. MICA. I yield to the gentleman from Kentucky.

Mr. ROGERS of Kentucky. Mr. Chairman, let me thank the gentleman from Florida (Mr. MICA) for offering his comment. We would be pleased to work with the gentleman as this transportation bill moves through the appropriations process, especially as the gentleman is the chairman of a very important subcommittee over there on the Committee on Transportation and Infrastructure.

Mr. MICA. Mr. Chairman, I prepared an amendment to earmark funds for fiscal year 2002 funds for the Florida project, but I will not offer that amendment today. I want to thank the chairman for his intention to work with us on this project. It is most important to the people of Florida.

Mr. ROGERS of Kentucky. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mrs. EMERSON) having assumed the chair, Mr. CAMP, Chairman of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 2299) making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 2002, and for other purposes, had come to no resolution thereon.

#### LEGISLATIVE PROGRAM

(Mr. YOUNG of Florida asked and was given permission to address the House for 1 minute.)

Mr. YOUNG of Florida. Madam Speaker, I wanted to announce to the membership that it is my intention to file the fiscal year 2002 energy and water development appropriations bill this afternoon, which we will do following this colloquy; that the Committee on Rules has agreed to meet this afternoon at 5:00 to receive testimony to grant a rule on that bill. The House would then consider the energy and water appropriations bill sometime

midday tomorrow; and I say midday because in the morning two subcommittees of the Committee on Appropriations will mark up their bills. It will be midday before we could get to the energy and water bill.

With respect to the agriculture bill, it is my intention not to file the fiscal year 2002 agriculture, rural development, Food and Drug Administration and related agencies appropriation bill until the apples issue is resolved. If an agreement can be reached on apples, I would expect to file the agriculture appropriations bill tomorrow.

The Committee on Rules would then meet tomorrow evening to report the rule, and the House could work into the evening on Thursday night, hoping to complete that bill before adjourning for the July 4 recess.

I share the Members' desire to finish the agriculture bill by midnight Thursday or earlier if possible. In order for us to meet this ambitious schedule, it will require the cooperation of all of our colleagues in the House, and, of course, the cooperation of the Committee on Rules, which is always cooperative.

In order for the House to complete action on the agriculture bill, I would expect that the gentleman from Wisconsin and his leadership would be prepared to enter into time agreements, as we have on previous appropriations bills, and limitations on amendments to be offered on the agriculture appropriations bill. Since we all would like to get home to our districts for the 4th of July holiday, we desire not to have a hard drive into the wee hours of the morning Friday to finish the work. Rather, if necessary, we could complete the work on the agriculture bill when we return in July.

Mr. OBEY. Madam Speaker, will the gentleman yield?

Mr. YOUNG of Florida. I yield to the gentleman from Wisconsin.

Mr. OBEY. Madam Speaker, I thank the gentleman from Florida (Mr. YOUNG) for his statement.

Madam Speaker, essentially for the benefit of the Members, what that means is that we would expect tomorrow after the committee is finished with its work in committee to finish action on the energy and water bill, which is being filed right now, and which will be in the Committee on Rules very shortly. On Thursday, if the agriculture bill is brought to the floor, we will work out time agreements and try to get as much done as possible, hope to finish. If we do not, it can be finished whenever the leadership decides it ought to be dealt with, and that would mean that Members would have notice that we would not be in session on Friday. Is that right?

Mr. YOUNG of Florida. The gentleman is correct. It is our intention if, in fact, we are able to take up the agriculture appropriations bill that we will

do the best we can to complete it Thursday night; but we will not go into, as has been referred to so many times, the dark of night to try to finish it. We would try to finish it at an early time. We will not go into 2:00 or 3:00 or 4:00 in the morning.

The gentleman is correct, the majority leader has agreed that there would be no session on Friday; that we could complete the agriculture bill, if necessary, when we return.

Mr. OBEY. If the gentleman will yield further, it is also my understanding, frankly, that there will be not all that extended a discussion tomorrow on the energy and water bill. I think it is relatively uncontroversial. So I understand the majority party has an event tomorrow evening, and it would certainly be our understanding we would be finished well in time for that to occur.

Mr. YOUNG of Florida. Madam Speaker, reclaiming my time, the gentleman is correct. We do not anticipate a lengthy debate on the energy and water bill, which the gentleman from Alabama (Mr. CALLAHAN) will file here very shortly. In the full committee it was handled expeditiously, and I believe the same thing would happen on the floor tomorrow. But, understand, the Committee on Appropriations has two markups in the morning, so we cannot get to that bill on the floor until those two markups are completed.

Mr. OBEY. Madam Speaker, if the gentleman will yield further, I thank the gentleman. I think that the Members will appreciate the information.

#### REPORT ON H.R. 2311, ENERGY AND WATER DEVELOPMENT APPROPRIATIONS ACT, 2002

Mr. CALLAHAN, from the Committee on Appropriations, submitted a privileged report (Rept. No. 107-112) on the bill (H.R. 2311) making appropriations for energy and water development for the fiscal year ending September 30, 2002, and for other purposes, which was referred to the Union Calendar and ordered to be printed.

The SPEAKER pro tempore (Mrs. EMERSON). Pursuant to clause 1 of rule XXI, all points of order are reserved on the bill.

#### DEPARTMENT OF TRANSPORTATION AND RELATED AGENCIES APPROPRIATIONS ACT, 2002

The SPEAKER pro tempore (Mrs. EMERSON). Pursuant to House Resolution 178 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the further consideration of the bill, H.R. 2299.
