service to this country spans the past sixty years. Mr. Buckwald began working for the National Archives on June 3, 1941 after two weeks with the Library of Congress. Hired under the first Archivist of the United States as a Junior Professional Assistant, he quickly rose to the rank of Junior Archivist before enlisting in the Navy at the end of 1942. During World War II, Mr. Buckwald was assigned to the United Nations Central Training Film Committee. Afterwards he studied at the City College of New York and in 1947 returned to the National Archives, where he has worked for the past fifty-four years.

In 1950 Mr. Buckwald moved back to the New York area to help establish the agency’s first regional records center. Thirteen years later he was a consultant to the Organization of American States in archives and records management, spending three months advising the Ministry of Foreign Affairs in Lima, Peru. In 1970 he became the first head of the archives branch for New York, New Jersey, Puerto Rico, and the U.S. Virgin Islands, a post he held for seventeen years before becoming Senior Archivist in what is now the Northeast Region of the National Archives and Records Administration.

Today the National Archives and Records Administration will honor Mr. Buckwald’s distinguished career, and tomorrow Mr. Buckwald will celebrate his 84th birthday. For his many years of exceptional leadership and dedication, he exhibits the qualities to set himself above the crowd. Clearly, he has distinguished himself in his profession.

TRIBUTE TO MR. LARRY L. GRIMES
HON. MIKE PENCE
OF INDIANA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, June 26, 2001

Mr. PENCE. Mr. Speaker, I rise today to honor the life of the late Mr. Larry L. Grimes, an outstanding citizen and dedicated community leader in southwest Indiana, but most importantly, a dear friend. I join his lovely wife, Nancy, and daughter, Cassie, in expressing our gratitude for his loyal service to the State of Indiana.

Mr. Speaker, Larry Grimes left this earth in November of 2000, just hours after his overwhelming election to the Warrick Circuit Court in Warrick County, Indiana. His election was a fitting tribute to the Christian character and servant’s attitude that animated his life.

Mr. Speaker, I am proud to announce that this past Sunday, June 24, 2001, the town of Newburgh, Indiana held a hose cutting ceremony to dedicate its new fire and EMS stations in the name of Former Fire Chief Larry Grimes.

Mr. Speaker, it is written that a good name is more precious than rubies. The good people of Newburgh have put a good name on this new facility.

Mr. Speaker, I respectfully ask my colleagues to join me in paying tribute to this esteemed man and cherished friend who as a family man, an educator, an attorney and a fireman, made southwestern Indiana a better place for his having been there.

IN RECOGNITION OF STEPHEN K. WOODLAND
HON. DAVID D. PHELPS
OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES
Tuesday, June 26, 2001

Mr. PHELPS. Mr. Speaker, today I rise to recognize the achievements of Stephen K. Woodland. Mr. Woodland is a 29 year veteran teacher, military retiree, coach, mentor, and friend to hundreds of students who have passed through his regimen of algebra, geometry, and calculus. He drives forward with an energy level undiminished by many years of hard work. For twenty one years, the math teams he has coached and/or helped prepare for state competition have finished first, second, or third. Mr. Woodland maintains the challenge is not the competition, it is the preparation. This is where teaching and learning happen.

Mr. Woodland is the first to tell students that high school math is only the beginning. He encourages students to light their torch of learning in high school and carry it on to college. Mr. Woodland refuses the spotlight but his opinion is highly respected, his integrity is beyond reproach, and his influence mighty. When he speaks, students heed his words.

Many teachers will be successful during their careers, but very few will match the level of success and expertise achieved by Mr. Woodland. He is tenacious in his pursuit of excellence. He set his goals and then drives forward. He exhibits the qualities to set himself above the crowd. Clearly, he has distinguished himself in his profession.

We granted China permanent most favored nation (MFN) status. This trade we grant American citizens without just cause, and wait for China to release Dr. Li. The Chinese government seems as determined as ever to quash expressions of personal freedom.

Those in the Chinese government should note that the people of New Jersey are not just uneasy about their actions, they are outraged! This matter we discuss today hits particularly close to home. Li Shaomin is an American citizen that China is holding hostage.

Calling on China to release Li Shaomin and all other American citizens detained for Chinese ancestry being held in detention

SPEECH OF
HON. BILL PASCRELL, JR.
OF NEW JERSEY
IN THE HOUSE OF REPRESENTATIVES
Monday, June 26, 2001

Mr. PASCRELL. Madam Speaker, I thank my colleagues from New Jersey (Mr. SMITH) for his laudable work in the area of human rights and injustice worldwide.

This matter we discuss today hits particularly close to home. Li Shaomin is an American citizen that China is holding hostage.

Sal Cordon, from Bloomfield, was his supervisor when Dr. Li worked for AT&T in New Jersey. Now Sal faces the unimaginable task of leading the charge to get his friend freed from a Chinese prison, where Dr. Li faces trumped up charges.

In a recent article, China’s Foreign Minister stated that, “In China, observance of human rights is now in its historically best period.” If China is at its best when it is detaining American citizens without just cause, and waiting three months to press charges, then I cannot imagine them at their worst.
