The House met at 10 a.m. and was called to order by the Speaker pro tempore (Mr. Shaw).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC.

I hereby appoint the Honorable E. CLAY SHAW, Jr. to act as Speaker pro tempore on this day.

J. DENNIS HASTERT,
Speaker of the House of Representatives.

PRAYER

Bishop Michael Tyrone Cushman, General Overseer, National Association of the Church of God, West Middlesex, Pennsylvania, offered the following prayer:

Dear Kind and Gracious Heavenly Father, it is with praise and adoration we bow before You on this wonderful day. It is with awe and honor we worship Your holy presence and invite You to dwell in the midst of these men and women who were made by Your hands and fashioned for this very moment.

We acknowledge that all wisdom comes from You. We confess this morning that You are our eternal Father and You are the very essence of love itself, and that we are created in Your loving just and merciful image, and that Your ultimate will is that we love each other unconditionally as we are loved by You.

Please, Kind Sir, bless us this day with the spirit of reconciliation. Endow us with a fresh anointing of grace and tolerance. Empower us to deliberate through the dilemmas and conflicts of purpose and opinion. Equip us to accept what we cannot change. Embolden us to change the unacceptable and enlighten us with uncanny wisdom to strike the compromises that glorify You and dignify every human being.

Now, My Father, bless this House, O Lord we pray. Keep it safe by night and day. In the strong name of Jesus we trust and pray. Amen.

WELCOME TO GUEST CHAPLAIN,
PASTOR MICHAEL TYRONE CUSHMAN, SR.

(Mr. SCHIFF asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHIFF. Mr. Speaker, I would like to join you in welcoming today's distinguished guest chaplain, Pastor Michael Tyrone Cushman, Sr., and thank him for leading the House in prayer. As first General Overseer of the National Association of the Church of God, Pastor Cushman is responsible for more than 400 churches in the United States, Caribbean, and Africa.

For 22 years, Reverend Cushman served at the Pasadena Church of God in Pasadena, California, one of the most thriving churches in our region. Pastor Cushman distinguished himself as a force for racial reconciliation and more harmonious human relations in southern California. In his new position, his mission is to unify the black and white branches of the Church of God.

I am proud to say, that although Dr. Cushman will travel the world in his new position, he and his wife, Jacqueline, will maintain a home in Alta Loma, California, which I am proud to represent. Although we will sorely miss his influence in our community on a daily basis, I am happy to note that he will maintain an advisory role at the Pasadena Church of God.

I am proud to welcome Chaplain Cushman here today as our guest chaplain.

AMERICA’S ENERGY POLICY

(Mr. FOLEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FOLEY. Mr. Speaker, while California experiences blackouts, and respirating equipment that is needed for those critically ill goes silent, Gray Davis is hyperventilating and pointing fingers at Washington.

Let us review the Democratic energy policy over the last 8 years under the past administration. Let me see: Hazel O’Leary, Secretary of Energy, goes to the Taj Mahal and spends $1 million of taxpayer money to beautify it before she arrives.

Let me see: Bill Richardson, while on his watch, loses our Nation’s energy secrets, and we become vulnerable to outside influences.

During the last campaign, when energy prices were skyrocketing, the Clinton White House’s brilliant idea was to reduce and use the oil from the strategic reserves.

Sound bite politics from their side, sensitive politics from ours. We are working on the energy needs of America. We are seeking a plan that will revolutionize the way we are dependent on oil. We are looking at a conservation model. We are looking at new technology. We are coming up with answers, not rhetoric.

I admonish the Democrats to start participating and stop finger-pointing. And Gray Davis could lead the parade by stop spending $30,000 of taxpayer money a month for political consultants and start working with energy consultants to save his State.
