Stand up for our Great Lakes today. Stand up for the environment of Michigan, Ohio, Pennsylvania, Indiana, Minnesota and all of our other Great Lakes States. Stand up for it by rejecting the Federal Government’s role of encroaching on our ability back home to protect our greatest national resource. I would urge this body’s rejection of the Bonior amendment.

Mr. LEVIN. Mr. Chairman, I rise in strong support of the amendment offered by my colleague Representative BONIOR. I urge its passage by the House.

There should not be any controversy over this issue. The Great Lakes should not be put at risk just so energy companies can extract a few weeks’ supply of oil. It was with a certain amount of disbelief that I learned that Governor Engler and the Michigan Department of Natural Resources had proposed to lift a 1997 moratorium restricting new development of oil and gas drilling under the Great Lakes. I believe this proposal is short-sighted.

The Great Lakes are a vital natural resource to Michigan. The Lakes are our State’s crown jewels, and the heart of Michigan’s multi-billion-dollar tourist industry. In addition, the Great Lakes contain 20 percent of the world’s fresh water. Why would we ever choose to place all this at risk? The environmental damage from an oil spill would be catastrophic.

The amendment before the House today is only common sense. It would bar any funds in this bill from being used to expand oil and gas drilling beneath the Great Lakes.

Mr. Chairman, the Great Lakes are an invaluable resource to the people of Michigan and, indeed, the entire country. The Great Lakes are also part of the environmental legacy we will leave to our children and grandchildren. I urge all my colleagues to join me in voting for the Bonior amendment.

Mr. CALLAHAN. Mr. Chairman, I yield back the balance of my time.

The CHAIRMAN. The question is on the amendment offered by the gentleman from Michigan (Mr. BONIOR).

The question was taken; and the Chairman announced that the noes appeared to have it.

Mr. BOY. Mr. Chairman, I demand a recorded vote.

The CHAIRMAN. Pursuant to clause 6 of rule XVIII, further proceedings on the amendment offered by the gentleman from Michigan (Mr. BONIOR) will be postponed.

Mr. CALLAHAN. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. SIMPSON) took the chair.

Mr. SMITH. Chairman of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 2311) making appropriations for energy and water development for the fiscal year ending September 30, 2002, and for other purposes, had come to no resolution thereon.
