POM–123. A concurrent resolution adopted by the Senate of the Legislature of the State of Louisiana relative to the Interstate highway system; to the Committee on Environment and Public Works.

SENATE CONCURRENT RESOLUTION No. 106

Whereas, safety rest areas located on the rights of way of the Interstate highway system provide necessary services for Louisiana motorists, as well as visitors to Louisiana; and

Whereas, there are currently thirty-four rest areas along interstate highways in Louisiana; and

Whereas, the annual cost of upkeep and maintenance of these rest areas is approximately three and one-half million dollars; and

Whereas, the state is required by federal law to maintain these rest areas; and

Whereas, the Louisiana Department of Transportation and Development has scheduled approximately fifteen of these rest areas for closure; and

Whereas, these rest areas scheduled for closure could remain open if private entities were charged with the responsibility of maintenance and upkeep; and

Whereas, legislation now currently prohibits privatization of safety rest areas located on the rights of way of the Interstate highway system. Therefore be it

Resolved, That the Legislature of Louisiana memorializes the Congress of the United States to allow states to privatize safety rest areas located on the rights of way of the Interstate highway system. Be it further

Resolved, That a copy of this Resolution shall be transmitted to the secretary of the United States Senate and the clerk of the United States House of Representatives and to each member of the Louisiana delegation to the United States Congress.
