S. 1088. Creates flexibility for MGIB to pay for high tech/short-term courses. Sponsor: Senator ROCKEFELLER.

S. 1093: Miscellaneous veterans' benefits provisions (based on informal input from VA):

COMPENSATION

a. Eliminate compensation for incarcerated persons—We previously enacted legislation to reduce compensation to incarcerated veterans to the equivalent of 10 percent, disability compensation (or, if they only received 10 percent, to the equivalent of 5 percent). Veterans that were already incarcerated were grandfathered out of the reduction. This change would stop only future payments to these veterans.

b. Reduce benefits for fugitive felons—Currently, veterans who are fugitive from justice are eligible to receive VA benefits. This would bar them from receiving benefits while a fugitive (fleeing prosecution, confinement for a felony, or in violation of a condition of probation or parole).

c. Duty to assist (technical corrections).

VOCATIONAL REHABILITATION

Eliminate the cap of 500 veteran participants in Voc Rehab's "Independent Living" program. The cap was set when the program was initially piloted. While the time limit on the program was repealed, the cap on participants was not. VA has not turned any one away from the program, but has been exceeding 500 veterans in the last couple of years. The goal of the program is to assist a veteran who is too disabled to retrain for employment to achieve and maintain a stated independent living outcome.

LOAN GUARANTY

Increase the home loan guaranty amount to \$63,175 from the current \$50,750, to keep pace with FHA (and the even higher Fannie Mae or Freddie Mac). The VA amount has not been increased since 1994.

EDUCATION

Overturn court decision eliminating the delimiting date for use of chapter 35 educational benefits by surviving spouses. The spouse would be allowed to choose the beginning date of the eligibility period. It could be any date between the effective date of the rating of the veteran's service-connected disability as permanently and totally disabling, and the date VA notified the veteran of this fact. A 10-year period would run from the date the spouse chose.

PENSION

a. Excludes life insurance proceeds from countable income for determination of nonservice-connected death pension eligibility for poor surviving spouses of wartime veterans. Currently, counting life insurance could make the spouse ineligible for a year. Modifies effective date of beginning benefits.

b. Modifies the requirement for pensioners to report changes in income at the end of the month, to the end of the year.

S. 937: To permit the relevant Secretary to transfer entitlement to MGIB educational assistance from members of the Armed Forces to their dependents for up to 18 months of benefits, and allow them to receive the payment as an accelerated payment for a term/semester (solely upon the discretion of the Secretary).
