license fee revenues, notwithstanding 42 U.S.C. 237. Further, that the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2002 so as to result in a final fiscal year 2002 appropriation estimated at not more than $43,652,000. Provided further, That, notwithstanding any other provision of law, no funds made available under this or any other Act may be expended by the Commission to implement or enforce 10 C.F.R. Part 35, as adopted by the Commission on October 23, 2000.

OFFICE OF INSPECTOR GENERAL

For necessary expenses of the Office of Inspector General in carrying out the provisions of the Inspector General Act of 1978, as amended, $5,500,000, to remain available until expended: Provided, That revenues from licensing fees, inspection services, and other services and collections estimated at $5,432,000 in fiscal year 2002 shall be retained and be available until expended, for necessary salaries and expenses in this account notwithstanding 31 U.S.C. 3302: Provided further, That the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2002 so as to result in a final fiscal year 2002 appropriation estimated at not more than $68,000.

NUCLEAR WASTE TECHNICAL REVIEW BOARD

Salaries and Expenses

For necessary expenses of the Nuclear Waste Technical Review Board, as authorized by Public Law 100–203, section 5051, $1,500,000, to be derived from the Nuclear Waste Fund, and to remain available until expended.

TITLE V

GENERAL PROVISIONS

Sec. 501. None of the funds appropriated by this Act may be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in section 1913 of title 18, United States Code.

Sec. 502. (a) PURCHASE OF AMERICAN-MADE EQUIPMENT AND PRODUCTS.—It is the sense of the Congress that, to the greatest extent practicable, all equipment and products purchased with funds made available in this Act should be American-made.

(b) Notice Requirement.—In providing financial assistance to, or entering into any contract with, any entity using funds made available in this Act, the head of each Federal agency, to the greatest extent practicable, shall provide to such entity a notice describing the statement made in subsection (a) by the Congress.

(c) PROHIBITION OF CONTRACTS WITH PERSONS FALSELY LABELING PRODUCTS AS MADE IN AMERICA.—It has been finalized by a court or Federal agency that any person intentionally affixed a label bearing a “Made in America” inscription, or any inscription with the same meaning, to any product sold in or shipped to the United States that is not made in the United States, the person shall be ineligible to receive any contract, grant, or other assistance made available from funds made available in this Act, pursuant to the debarment, suspension, and ineligibility procedures described in sections 9.409 through 9.409–10 of 48, Code of Federal Regulations. This Act may be cited as the “Energy and Water Development Appropriations Act, 2002”.

DEPARTMENT OF THE INTERIOR AND RELATED AGENCIES APPROPRIATIONS ACT, 2002

On July 12, 2001, the Senate amended and passed H.R. 2217, as follows:

Resolved, That the bill from the House of Representatives (H.R. 2217) entitled “An Act making appropriations for the Department of the Interior and related agencies for the fiscal year ending September 30, 2002,” and for other purposes; do pass with the following amendment:

Strike out all after the enacting clause and insert:

That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of the Interior and related agencies for the fiscal year ending September 30, 2002, and for other purposes, namely:

TITLe I—DEPARTMENT OF THE INTERIOR

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LAND AND RESOURCES

For expenses necessary for protection, use, improvement, development, disposal, cadastral surveying, classification, acquisition of easements and other interests in land, and for the performance of other functions, including maintenance of facilities, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, including the general administration of the Bureau, and assessment of mineral potential of public lands pursuant to Public Law 96–487 (16 U.S.C. 3150a); $775,000, to be advanced to the Foundation as a lump sum grant without regard to when expenses are incurred; in addition, $32,298,000 for Mining Law Administration program operations, including the cost of administering the mining claim program; to remain available until expended, to be reduced by amounts collected by the Bureau and credited to this appropriation from annual mining claim fees so as to result in a final appropriation estimated at not more than $775,962,000, and $2,000,000, to remain available until expended, from communication site rental fees established by the Bureau for the cost of administering communication privileges.

Provided, That appropriations hereinafter made shall not be available for the destruction of healthy, unadopted, wild horses and burros in the care of the Bureau: Provided further, That of the amount provided, $28,000,000 is for the conservation activities defined in section 250(c)(4)(E) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended, for the purposes of such Act: Provided further, That balances in the Federal Infrastructure Improvement account shall be transferred to and merged with this appropriation, and shall remain available until expended.

WILDLAND FIRE MANAGEMENT

For necessary expenses for fire preparedness, suppression operations, fire science and research, emergency rehabilitation, hazardous fuels reduction, and rural fire assistance by the Department of the Interior, $389,421,000, to remain available until expended, but not to exceed $19,774,000 shall be for the renovation or construction of fire facilities: Provided, That not less than $111,255,000 of the funds available for hazardous fuels reduction shall be for alleviating immediate emergency threats to urban wildland interface areas as defined by the Secretary of the Interior: Provided further, That such funds shall be available for repayment of advances to other appropriation accounts from which funds were previously transferred for such purposes: Provided further, That the funds remaining unobligated after September 30, 2002, shall be available for repayment of advances to other appropriation accounts from which funds were previously transferred for such purposes: Provided further, That $500,000,000, for fire management activities authorized to be transferred to the Department of Agriculture, shall be available for fire management activities authorized to be transferred to the Department of Agriculture after September 30, 2002.
