TRIBUTE TO CALIFORNIA'S SENIOR SUPREME COURT JUSTICE, THE LATE STANLEY MOSK

HON. ROBERT T. MATSU
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Monday, July 16, 2001

Mr. MATSU. Mr. Speaker, I rise today to pay tribute to California's Senior Supreme Court Justice, the late Stanley Mosk.
For the past 37 years, Mosk served as the court's independent voice and moral compass. His trailblazing decisions brought sweeping changes to California law long before such decisions were addressed at the national level. A vigorous advocate of individual liberties, Mosk lead state courts across the country to use their own constitutions to establish individual rights beyond those required under the federal constitution. In 1976, Mosk wrote the opinion that bars the use of improperly obtained confessions arguing that such confessions could not be used to challenge the truthfulness of a defendant who later testifies. While the U.S. Supreme Court allowed for such use, Mosk invoked the state Constitution and did not approve the practice. His always careful, thoughtful and considerate opinions, totaling 1,688 over the span of his career, were widely regarded and highly acclaimed.

Mosk, the longest-serving member in the court's 151-year history and only Democrat, was known for his shrewd political acumen and often criticized by his adversaries for his focused attention of the states shifting political climate. Nevertheless, Mosk remained dedicated to his role as a public servant and vanguard in his undertaking of civil and criminal law. A native of San Antonio, Mosk's career as a judge began by serving 15 years on the Superior Court and six years as the State Attorney General. For a time, he served as the Democratic national committee man from California but became weary of the fund-raising component attached to political life and returned to the judicial branch as a member of the state Supreme Court.

While Mosk's independent liberal voice will be missed, the legacy that he has left will continue to serve the people of California.

**EXTENSIONS OF REMARKS**

**TRIBUTE TO 1107TH AVIATION CLASSIFICATION AND REPAIR ACTIVITIES DEPOT**

**HON. IKE SKELETON OF MISSOURI**

**IN THE HOUSE OF REPRESENTATIVES**

**Monday, July 16, 2001**

Mr. SKELETON. Mr. Speaker, let me take this means to praise the Missouri National Guard for the integral role that they are playing in keeping the Army's Apache helicopters in the air. The 1107th Aviation Classification and Repair Activities Depot, or the MO-AVCRAD, has been the only National Guard group selected to help with this mission. Recently, an AH-64 Apache lost a tail rotor blade and then the entire tail rotor hub assembly. The good news is the skilled pilots were able to land the helicopter, the bad news is that the cause of the accident is not know. When these accidents happen, several agencies attempt to find out what happened and why. As a preventative measure a Safety of Flight is issued, mandating that all tail rotor blades be inspected.

This inspection is crucial to ensure that our soldiers are as safe as possible and the MO-AVCRAD is making that happen. The MO-AVCRAD is helping to inspect every tail rotor blade, including those in storage bins.

Mr. Speaker, the soldiers responsible for this critical work deserve to be recognized. I know the Members of the House will join me in extending a big thank you to the soldiers of the 1107th Aviation Classification and Repair Activities Depot.
