HONORING MICHIGAN ROTARIANS ON 100TH ANNIVERSARY

HON. THADDEUS G. McCOTTER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2005

Mr. McCOTTER. Mr. Speaker, I rise today to acknowledge and honor the thousands of

Michigan Rotarians as they celebrate the 100th anniversary of the founding of Rotary, the world's first service club.

On February 23, 1905, The Rotary Club of Chicago was established by Paul Harris, an attorney who wished to recapture through a professional club the same friendly, small town spirit he experienced in his youth. Finding like-minded committed individuals, over time the organization was called the Rotary, because of the club's early practice of rotating meetings among members' offices.

From this humble but hearty beginning, Rotary's popularity burgeoned and clubs were formed from New York to San Francisco. By 1922 the organization began to expand outside of the United States, and so it adopted the name Rotary International to evidence its member clubs on six continents.

Throughout the years the organization has been remarkable for "doing good in the world." For example in 1985, Rotarians made a commitment to immunize all of the world's children against polio. Today, contributions to the Rotary Foundation total more than \$80 million annually and support a wide range of humanitarian grants and educational programs; and Rotarians have mobilized hundreds of thousands of volunteers and have immunized more than one billion children worldwide. In point of fact, by the end of 2005 Rotary will have contributed close to \$500 million to this cause alone.

Mr. Speaker, for 100 years Rotary has striven to meet the challenges of a changing world, including such pressing issues as environmental degradation, illiteracy, world hunger, and at risk children. Let us then pause our own hectic pace and honor Rotarians for bringing hope and help to all humanity.

ENCOURAGING CROSS-STRAIT RELATIONS BETWEEN CHINA AND TAIWAN

HON. SOLOMON P. ORTIZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2005

Mr. ORTIZ. Mr. Speaker, one of the most important Pacific Rim relationships is the one between China and Taiwan. I want to commend both nations for their work to find common ground.

I am so pleased that cross-strait relations have been improving in recent days. On January 15 of this year China and Taiwan agreed to direct flights during the Lunar New Year holidays and both sides agreed to continue to work toward restoring direct trade, transport and postal ties—the "three links". Moreover, the economies of China and Taiwan have grown increasingly interdependent as Taiwanese businesses have invested as much as \$100 billion in China and as many as one million Taiwanese now live and work on the mainland.

For the last several decades, U.S. policy has been to encourage amicable relations between Taiwan and China so that they may work out whatever differences they may have through peaceful means. We in the international community should make sure the

peace and prosperity of the 23 million people in Taiwan is maintained.

CELEBRATING THE 35TH ANNIVERSARY OF VALLE DEL SOL, INC.

HON. ED PASTOR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2005

Mr. PASTOR. Mr. Speaker, I rise before you today to celebrate the 35th Anniversary of Valle del Sol, Inc., a nonprofit, community-based organization in Phoenix, Arizona which has helped thousands of individuals each year through its extensive behavioral health and social services.

Valle del Sol was created in 1970, at a time when behavioral health services in Phoenix were nearly non-existent for Latino families. The organization was originally established to address opiate addiction in the community, and although it has expanded its services over the years, Valle del Sol has always maintained its commitment to providing bilingual and culturally relevant services for the Latino community.

As one of the largest Hispanic behavioral health and social service organizations in Maricopa County, Valle del Sol's culturally diverse, bilingual staff provides a wide range of programs and services for the entire family. These programs are designed to address the increasing social and community needs related to family and behavioral health problems, and include counseling, substance abuse treatment, adult education, advocacy, services for seniors, and an adolescent therapeutic group home. Valle del Sol's commitment to excellence in customer service, financial viability, planned growth, and community development in Arizona has positively contributed not only to Latino families, but to the entire Arizona community. I am particularly proud of Valle del Sol's achievements in becoming an \$11 million agency with nearly 200 employees.
