SENATE RESOLUTION 52—HONORING SHIRLEY CHISHOLM FOR HER SERVICE TO THE NATION AND EXPRESSING CONDOLENCES TO HER FAMILY, FRIENDS, AND SUPPORTERS ON HER DEATH

Mrs. CLINTON (for herself and Mr. LEVIN) submitted the following resolution; which was considered and agreed to:

S. RES. 52

Whereas Shirley Chisholm was born Shirley Anita St. Hill on November 30, 1924, in Brooklyn, New York, to Charles and Ruby St. Hill, immigrants from British Guyana and Barbados;

Whereas in 1949, Shirley Chisholm was a founding member of the Bedford-Stuyvesant Political League;

Whereas in 1960, she established the Unity Democratic Club, which was instrumental in mobilizing black and Hispanic voters;

Whereas in 1964, Chisholm ran for a New York State Assembly seat and won;

Whereas in 1968, Chisholm became the first African-American woman elected to Congress, representing New York's Twelfth Congressional District;

Whereas as a member of Congress, Chisholm was an advocate for civil rights, women's rights, and the poor;

Whereas in 1969, Shirley Chisholm, along with other African-American members of Congress, founded the Congressional Black Caucus;

Whereas on January 25, 1972, Chisholm announced her candidacy for President and became the first African-American to be considered for the presidential nomination by a major national political party;

Whereas although Chisholm did not win the nomination at the 1972 Democratic National Convention in Miami, she received the votes of 151 delegates;

Whereas Shirley Chisholm served 7 terms in the House of Representatives before retiring from politics in 1982;

Whereas Shirley Chisholm was a dedicated member of Delta Sigma Theta Sorority and received the sorority's highest award, the Mary Church Terrell Award, in 1977 for her political activism and contributions to the Civil Rights Movement;

Whereas Shirley Chisholm was a model public servant and an example for African-American women, and her strength and perseverance serve as an inspiration for all people striving for change; and

Whereas on January 1, 2005, Shirley Chisholm died at the age of 80: Now, therefore, be it

Resolved, That the Senate—

(1) honors Shirley Chisholm for her service to the Nation, her work to improve the lives of women and minorities, her steadfast commitment to demonstrating the power of compassion, and her dedication to justice and equality; and

(2) expresses its deepest condolences to her family, friends, and supporters.

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 55—RECOGNIZING THE CONTRIBUTIONS OF THE LATE ZHAO ZIYANG TO THE PEOPLE OF CHINA

Mr. GRAHAM (for himself, Mr. LUGAR, Mr. BIDEN, Mr. BROWNBACK, and Mr. DORGAN) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 55

Whereas leading reformist and former Chinese Communist Party Secretary General, Zhao Ziyang, died under house arrest in China on January 17, 2005, at the age of 85;

Whereas Zhao implemented important agricultural, industrial, and economic reforms in China and rose to the prominent positions of premier and Secretary General within the Communist Party despite criticisms of his capitalist ideals;

Whereas, in the early summer of 1989, students gathered in Tiananmen Square to voice their support for democracy and to protest the Communist government that continues to deny them that democracy;

Whereas Secretary General Zhao advised against the use of military force to end the pro-democracy protests in Tiananmen Square;

Whereas, on May 19, 1989, in Tiananmen Square, Zhao warned the tens of thousands of students clamoring for democracy that the authorities were approaching and urged them to return to their homes; an action that illustrated his sympathy for their cause;

Whereas Zhao was consequently relieved of all leadership responsibilities following his actions in Tiananmen Square that summer and was placed under house arrest for the remaining years of his life;

Whereas the Government of China remained indecisive regarding a ceremony for Zhao for several days before allowing a relatively modest ceremony at the Babaoshan Revolutionary Cemetery in Beijing, where Zhao was cremated on January 29, 2005;

Whereas the Government of China's fear of civil unrest resulted in the prohibition of political dissidents and others from the funeral, and the thousands who were in attendance were surrounded in an intimidating environment without adequate time to mourn and grieve;

Whereas news of Zhao's death was announced only in a brief notice by the Communist government and was forbidden to be covered by the radio or national television, while eulogies were erased by censors from memorial websites;

Whereas, upon the announcement of Zhao's death, Chinese news agencies were certain to reference the "serious mistake" committed by Zhao at what they refer to as a political incident in 1989;

Whereas mourning the death of Zhao in the Hong Kong Legislative Council was deemed unconstitutional and lawmakers in Hong Kong were refused the opportunity to observe a moment of silence in honor of his life;

Whereas the death of Zhao has renewed the desire of certain Chinese people for a reassessment of the crackdown in 1989 in order to acknowledge the merit of pro-democracy student demonstrations and complaints of government corruption; and

Whereas Zhao will continue to serve as a symbol of the dreams and purpose of the 1989

Tiananmen Square demonstration, which survived the Tiananmen massacre but which have still not been realized for the people of China: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes that Zhao Ziyang made an important contribution to the people of China by providing assistance to the students in Tiananmen Square in 1989, and that through this contribution and his decisions to actively seek reform, Zhao remains a symbol of hope for reform and human rights for the people of China;

(2) expresses sympathy for Zhao's family and to the people of China who were unable to appropriately mourn his death or to celebrate his life;

(3) calls on the Government of China—

(A) to release all prisoners of conscience, including those persons still in prison as a result of their participation in the peaceful pro-democracy protests in Tiananmen Square in 1989; and

(B) to allow those people exiled on account of their activities to return to live in freedom in China; and

(4) stands with the people of China as they strive to improve their way of life and create a government that is truly democratic and respectful of international norms in the area of human rights.

SENATE RESOLUTION 57—DESIGNATING FEBRUARY 25, 2005, AS "NATIONAL MPS AWARENESS DAY"

Mr. GRAHAM (for himself, Mr. SPECTER, Mr. BROWNBACK, Mr. KOHL, Mr. HATCH, Mr. FEINGOLD, Ms. CANTWELL, Mr. CHAMBLISS, Mrs. MURRAY, Mrs. DOLE, Mr. SANTORUM, and Mr. JEFFORDS) submitted the following resolution; which was considered and agreed to:

S. RES. 57

Whereas Mucopolysaccharidosis ("MPS") and Mucopolidosis ("ML") disorders are genetically determined lysosomal storage disorders that result in the body's inability to produce certain enzymes needed to break-down complex carbohydrates;

Whereas these complex carbohydrates are then stored in virtually every cell in the body and progressively cause damage to these cells, adversely affecting an individual's body, including an individual's heart, respiratory system, bones, internal organs, and central nervous system;

Whereas the cellular damage caused by MPS often results in mental retardation, short stature, corneal damage, joint stiffness, loss of mobility, speech and hearing impairment, heart disease, hyperactivity, chronic respiratory problems, and most importantly, a drastically shortened life span;

Whereas the nature of the disorder is usually not apparent at birth;

Whereas without treatment, life expectancy of an individual afflicted with MPS is usually very early in life;

Whereas recent research developments have resulted in limited treatments for some MPS disorders;

Whereas promising advancements are underway in pursuit of treatments for additional MPS disorders;

Whereas despite newly developed remedies, the blood brain barrier continues to be a significant impediment to effectively treating the brain, thereby preventing the treatment of many of the symptoms of MPS;
